

A black and white photograph of Japanese-Americans in a camp. In the center, a man in a dark jacket and a flat cap stands with his back to the camera, looking down at something in his hands. To his left, a woman in a light-colored jacket stands with her back to the camera. To his right, another man in a light-colored jacket stands with his back to the camera. In the foreground, a young child in a light-colored jacket sits on the ground, looking towards the camera. The ground is covered with various items, including bags and boxes. The background shows a curved wall and some vegetation.

GREG ROBINSON

# A Tragedy Of Democracy Japanese Confinement In North America

**Jerry Garc'a**

## **A Tragedy Of Democracy Japanese Confinement In North America:**

A Tragedy of Democracy Greg Robinson, 2009 The confinement of some 120 000 Japanese Americans during World War II often called the Japanese American internment has been described as the worst official civil rights violation of modern U S history Greg Robinson not only offers a bold new understanding of these events but also studies them within a larger time frame and from a transnational perspective Drawing on newly discovered material Robinson provides a backstory of confinement that reveals for the first time the extent of the American government s surveillance of Japanese communities in the years leading up to war and the construction of what officials termed concentration camps for enemy aliens He also considers the aftermath of confinement including the place of Japanese Americans in postwar civil rights struggles the long movement by former camp inmates for redress and the continuing role of the camps as touchstones for nationwide commemoration and debate Most remarkably *A Tragedy of Democracy* is the first book to analyze official policy toward West Coast Japanese Americans within a North American context Robinson studies confinement on the mainland alongside events in wartime Hawaii where fears of Japanese Americans justified Army dictatorship suspension of the Constitution and the imposition of military tribunals He similarly reads the treatment of Japanese Americans against Canada s confinement of 22 000 citizens and residents of Japanese ancestry from British Columbia *A Tragedy of Democracy* recounts the expulsion of almost 5 000 Japanese from Mexico s Pacific Coast and the poignant story of the Japanese Latin Americans who were kidnapped from their homes and interned in the United States Approaching Japanese confinement as a continental and international phenomenon Robinson offers a truly kaleidoscopic understanding of its genesis and outcomes The confinement of some 120 000 Japanese Americans during World War II often called the Japanese American internment has been described as the worst official civil rights violation of modern U S history Greg Robinson not only offers a bold new understanding of these events but also studies them within a larger time frame and from a transnational perspective Drawing on newly discovered material Robinson provides a backstory of confinement that reveals for the first time the extent of the American government s surveillance of Japanese communities in the years leading up to war and the construction of what officials termed concentration camps for enemy aliens He also considers the aftermath of confinement including the place of Japanese Americans in postwar civil rights struggles the long movement by former camp inmates for redress and the continuing role of the camps as touchstones for nationwide commemoration and debate Most remarkably *A Tragedy of Democracy* is the first book to analyze official policy toward West Coast Japanese Americans within a North American context Robinson studies confinement on the mainland alongside events in wartime Hawaii where fears of Japanese Americans justified Army dictatorship suspension of the Constitution and the imposition of military tribunals He similarly reads the treatment of Japanese Americans against Canada s confinement of 22 000 citizens and residents of Japanese ancestry from British Columbia *A Tragedy of Democracy* recounts the expulsion of almost 5 000 Japanese from Mexico s Pacific Coast and the

poignant story of the Japanese Latin Americans who were kidnapped from their homes and interned in the United States Approaching Japanese confinement as a continental and international phenomenon Robinson offers a truly kaleidoscopic understanding of its genesis and outcomes **A New History of Asian America** Shelley Sang-Hee Lee,2013-10-01 A New

History of Asian America is a fresh and up to date history of Asians in the United States from the late eighteenth century to the present Drawing on current scholarship Shelley Lee brings forward the many strands of Asian American history highlighting the distinctive nature of the Asian American experience while placing the narrative in the context of the major trajectories and turning points of U S history Covering the history of Filipinos Koreans Asian Indians and Southeast Indians as well as Chinese and Japanese the book gives full attention to the diversity within Asian America A robust companion website features additional resources for students including primary documents a timeline links videos and an image gallery From the building of the transcontinental railroad to the celebrity of Jeremy Lin people of Asian descent have been involved in and affected by the history of America A New History of Asian America gives twenty first century students a clear comprehensive and contemporary introduction to this vital history **America's Social Arsonist** Gabriel

Thompson,2016-03-29 A good organizer is a social arsonist who goes around setting people on fire Fred Ross Raised by conservative parents who hoped he would stay with his own kind Fred Ross instead became one of the most influential community organizers in American history His activism began alongside Dust Bowl migrants where he managed the same labor camp that inspired John Steinbeck s *The Grapes of Wrath* During World War II Ross worked for the release of interned Japanese Americans and after the war he dedicated his life to building the political power of Latinos across California Labor organizing in this country was forever changed when Ross knocked on the door of a young Cesar Chavez and encouraged him to become an organizer Until now there has been no biography of Fred Ross a man who believed a good organizer was supposed to fade into the crowd as others stepped forward In *America s Social Arsonist* Gabriel Thompson provides a full picture of this complicated and driven man recovering a forgotten chapter of American history and providing vital lessons for organizers today *The Cambridge Companion to Asian American Literature* Crystal Parikh,Daniel Y. Kim,2015-08-20 This

Companion surveys Asian American literature from the nineteenth century to the present day *American Immigration* James Ciment,John Radzilowski,2015-03-17 Thoroughly revised and expanded this is the definitive reference on American immigration from both historic and contemporary perspectives It traces the scope and sweep of U S immigration from the earliest settlements to the present providing a comprehensive multidisciplinary approach to all aspects of this critically important subject Every major immigrant group and every era in U S history are fully documented and examined through detailed analysis of social legal political economic and demographic factors Hot topic issues and controversies from Amnesty to the U S Mexican Border are covered in depth Archival and contemporary photographs and illustrations further illuminate the information provided And dozens of charts and tables provide valuable statistics and comparative data both historic and

current A special feature of this edition is the inclusion of more than 80 full text primary documents from 1787 to 2013 laws and treaties referenda Supreme Court cases historical articles and letters

**The Gateway to the Pacific** Meredith Oda,2019-01-03 In the decades following World War II municipal leaders and ordinary citizens embraced San Francisco s identity as the Gateway to the Pacific using it to reimagine and rebuild the city The city became a cosmopolitan center on account of its newfound celebration of its Japanese and other Asian American residents its economy linked with Asia and its favorable location for transpacific partnerships The most conspicuous testament to San Francisco s postwar transpacific connections is the Japanese Cultural and Trade Center in the city s redeveloped Japanese American enclave Focusing on the development of the Center Meredith Oda shows how this multilayered story was embedded within a larger story of the changing institutions and ideas that were shaping the city During these formative decades Oda argues San Francisco s relations with and ideas about Japan were being forged within the intimate local sites of civic and community life This shift took many forms including changes in city leadership new municipal institutions and especially transformations in the built environment Newly friendly relations between Japan and the United States also meant that Japanese Americans found fresh if highly constrained job and community prospects just as the city s African Americans struggled against rising barriers San Francisco s story is an inherently local one but it also a broader story of a city collectively if not cooperatively reimaging its place in a global economy

*An Eye for Injustice* Jim Azumano,Daniel Sakura,Hanako Wakatsuki,2021-06-22 As wartime hysteria mounted following the December 1941 attack on Pearl Harbor President Franklin D Roosevelt issued Executive Order 9066 and the U S government began forcibly relocating all West Coast individuals with Japanese ancestry to one of ten sites in inland states Totaling close to 120 000 the majority were American citizens The Minidoka War Relocation Center a newly constructed camp at Hunt Idaho first opened in August 1942 Most of its approximately 9 300 incarcerated came from Portland Seattle Tacoma and surrounding regions It was a painful experience with lasting repercussions Minidoka s last occupant left in October 1945 Dr Robert C Sims devoted nearly half his life to research writing and education related to the unjust World War II Japanese American incarceration Six of his previously published articles as well as selections from conference papers and speeches focus on topics such as Idaho Governor Chase Clark s role in the involuntary removal decision life in camp the impact of Japanese labor on Idaho s sugar beet and potato harvests the effects of loyalty questionnaires and more His impassioned yet still academic approach to Minidoka is an important addition to others published memoirs and photo collections In new essays contributors share insights into Sims passion for social justice and how Minidoka became his platform along with information about the Robert C Sims Collection at Boise State University Finally the book recounts the thirty five year effort to memorialize the Minidoka site Now part of the National Park System it highlights a national tragedy and the resilience of these victims of injustice

**The Oxford Handbook of Asian American History** David Yoo,Eiichiro Azuma,2016 The Oxford Handbook of Asian American History brings together 27 essays that

engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history **The Architecture of Confinement** Anoma Pieris, Lynne

Horiuchi, 2022-02-24 An innovative account of prisoners of war and internment camps around the Pacific basin during the Second World War In this comparative and global study Anoma Pieris and Lynne Horiuchi offer an architectural and urban understanding of the Pacific War approached through spatial physical and material analyses of incarceration camp environments Asian American Literature in Transition, 1965-1996: Volume 3 Asha Nadkarni, Cathy J.

Schlund-Vials, 2021-06-17 This volume traces the formation of the Asian American literary canon and the field of Asian American Studies from 1965 1996 It is intended for an academic audience ranging from advanced undergraduate students to scholars from a variety of disciplines interested in the formation of Asian American literary studies from 1965 1996

*Charting the Emerging Field of Japanese Diaspora Archaeology* Douglas E. Ross, Koji Lau-Ozawa, 2023-04-29 This book examines the Japanese diaspora from the historical archaeology perspective drawing from archaeological data archival research and often oral history and explores current trends in archaeological scholarship while also looking at new methodological and theoretical directions The chapters include research on pre War rural labor camps or villages in the US as well as research on western Canada British Columbia Peru and the Pacific Islands Hawai i and Tinian incorporating work on understudied urban and cemetery sites One of the main themes explored in the book is patterns of cultural persistence and change whether couched in terms of maintenance of tradition Americanization or the formation of dual identities Other themes emerging from these chapters include consumption agency stylistic analysis community lifecycles social networks diaspora and transnationalism gender and sexuality Also included are discussions of trauma racialization displacement labor heritage and community engagement Some are presented as fully formed interpretive frameworks with substantial supporting data while others are works in progress or tentative attempts to push the boundaries of our field into innovative new territory This book is of interest to students and researchers in historical archaeology anthropology sociology of migration diaspora studies and historiography Previously published in *International Journal of Historical Archaeology* Volume 25 issue 3 September 2021 Diversity in the United States Lawrence R. Samuel, 2023-06-01 Diversity in the United States A Cultural History of the Past Century is a cultural history of diversity in the United States over the past 100 years Diversity defined here as Americans of different racial ethnic and religious backgrounds is currently very much in the national conversation The book explores diversity in a historical context bringing a much needed perspective on what is a passionate

theme in contemporary American society Told chronologically and divided into five 20 year eras the book sheds new light on the important role that diversity has played in our national identity The subject is parsed through the voices of intellectuals and journalists who have weighed in on its many different dimensions The primary argument of the work is that the concept of diversity has functioned as a key site of both congruence and division in the United States for the past 100 years providing a sense of who we are as a people while at the same time exposing inequities based on race ethnicity and religion Both an academic audience and the many readers of nonfiction will find the book to be a valuable and insightful resource *The Year of Peril* Tracy Campbell,2020-05-19 This fascinating chronicle of how the character of American society revealed itself under the duress of World War II place s today s myriad social traumas and dislocations in perspective George Will Washington Post The Second World War exists in the American historical imagination as a time of unity and optimism In 1942 however after a series of defeats in the Pacific and the struggle to establish a beachhead on the European front America seemed to be on the brink of defeat and was beginning to splinter from within Exploring this precarious moment Tracy Campbell paints a portrait of the deep social economic and political fault lines that pitted factions of citizens against each other in the post Pearl Harbor era even as the nation mobilized government aided industrial infrastructure blossomed and parents sent their sons off to war This captivating look at how American society responded to the greatest stress experienced since the Civil War reveals the various ways both good and bad that the trauma of 1942 forced Americans to redefine their relationship with democracy in ways that continue to affect us today *Looking Like the Enemy* Jerry Garc'a,2014-02-27 Looking Like the Enemy is the first English language book to report on the Japanese experience in Mexico It is an important examination of the tumultuous half century before World War II offering illuminating insights into the wartime experiences of the Japanese on both sides of the US Mexico border *Routledge Handbook of Illiberalism* András Sajó, Renáta Uitz, Stephen Holmes,2021-11-29 The Routledge Handbook of Illiberalism is the first authoritative reference work dedicated to illiberalism as a complex social political cultural legal and mental phenomenon Although illiberalism is most often discussed in political and constitutional terms its study cannot be limited to such narrow frames This Handbook comprises sixty individual chapters authored by an internationally recognized group of experts who present perspectives and viewpoints from a wide range of academic disciplines Chapters are devoted to different facets of illiberalism including the history of the idea and its competitors its implications for the economy society government and the international order and its contemporary iterations in representative countries and regions The Routledge Handbook of Illiberalism will form an important component of any library s holding it will be of benefit as an academic reference as well as being an indispensable resource for practitioners among them journalists policy makers and analysts who wish to gain an informed understanding of this complex phenomenon *Rhetoric and Demagoguery* Patricia Roberts-Miller,2019-02-05 One of Library Journal s Top 20 Best Selling Language Titles of 2019 In a culture of profit driven media demagoguery is a savvy short term rhetorical

strategy Once it becomes the norm individuals are more likely to employ it and in that way increase its power by making it seem the only way of disagreeing with or about others When that happens arguments about policy are replaced by arguments about identity and criticism is met with accusations that the critic has the wrong identity weak treacherous membership in an out group or the wrong feelings uncaring heartless Patricia Roberts Miller proposes a definition of demagoguery based on her study of groups and cultures that have talked themselves into disastrously bad decisions She argues for seeing demagoguery as a way for people to participate in public discourse and not necessarily as populist or heavily emotional Demagoguery she contends depoliticizes political argument by making all issues into questions of identity She broaches complicated questions about its effectiveness at persuasion proposes a new set of criteria and shows how demagoguery plays out in regard to individuals not conventionally seen as demagogues Roberts Miller looks at the discursive similarities among the Holocaust in early twentieth century Germany the justification of slavery in the antebellum South the internment of Japanese Americans in the United States during World War II and the U S led invasion of Iraq in 2003 among others She examines demagoguery among powerful politicians and jurists Earl Warren chief justice of the U S Supreme Court as well as more conventional populists Theodore Bilbo two time governor of Mississippi E S Cox cofounder of the Anglo Saxon Clubs of America She also looks at notorious demagogues Athenian rhetor Cleon Ann Coulter and lesser known public figures William Hak Shing Tam Gene Simmons

**Pilgrimage in the Twenty-First Century** Ian S. McIntosh, Dane Munro, Alison T. Smith, Susan Dunn-Hensley, 2024-07-09

*Pilgrimage in the Twenty First Century A Kaleidoscopic Inquiry* showcases the rich diversity of religious and secular pilgrimage on the world stage Scholars from the Global North and South working in diverse fields in the humanities and social sciences share their research on the nature of pilgrimage otherwise known as travel for transformation providing insight into why it is one of the fastest growing segments of the worldwide tourism industry Topics under scrutiny include the ancient history of pilgrimage pilgrimage in literature the development of new trails and the refurbishment of others pilgrimage as an avenue for justice and peacebuilding as an example of intangible cultural heritage and as a unique driver of domestic economies Each chapter in this survey covering more than fifteen countries makes a significant contribution to our understanding of this age old and multi faceted phenomenon that is central to our understanding of what it means to be human

*American Sutra* Duncan Ryūken Williams, 2019-02-19 Winner of the Grawemeyer Award in Religion A Los Angeles Times Bestseller Raises timely and important questions about what religious freedom in America truly means Ruth Ozeki A must read for anyone interested in the implacable quest for civil liberties social and racial justice religious freedom and American belonging George Takei On December 7 1941 as the bombs fell on Pearl Harbor the first person detained was the leader of the Nishi Hongwanji Buddhist sect in Hawai i Nearly all Japanese Americans were subject to accusations of disloyalty but Buddhists aroused particular suspicion From the White House to the local town council many believed that Buddhism was incompatible with American values Intelligence agencies targeted the

Buddhist community and Buddhist priests were deemed a threat to national security In this pathbreaking account based on personal accounts and extensive research in untapped archives Duncan Ry ken Williams reveals how even as they were stripped of their homes and imprisoned in camps Japanese American Buddhists launched one of the most inspiring defenses of religious freedom in our nation s history insisting that they could be both Buddhist and American A searingly instructive story from which all Americans might learn Smithsonian Williams moving account shows how Japanese Americans transformed Buddhism into an American religion and through that struggle changed the United States for the better Viet Thanh Nguyen author of *The Sympathizer* Reading this book one cannot help but think of the current racial and religious tensions that have gripped this nation and shudder Reza Aslan author of *Zealot*     *The Archaeology of Medicine and Healthcare* Naomi Sykes, Julia Shaw, 2022-06-08 The maintenance of human health and the mechanisms by which this is achieved through medicine medical intervention and care giving are fundamentals of human societies However archaeological investigations of medicine and care have tended to examine the obvious and explicit manifestations of medical treatment as discrete practices that take place within specific settings rather than as broader indicators of medical worldviews and health beliefs This volume highlights the importance of medical worldviews as a means of understanding healthcare and medical practice in the past The volume brings together ten chapters with themes ranging from a bioarchaeology of Neanderthal healthcare to Roman air quality decontamination strategies at Australian quarantine centres to local resistance to colonial medical structures in South America Within their chapters the contributors argue for greater integration between archaeology and both the medical and environmental humanities while the Introduction presents suggestions for future engagement with emerging discourse in community and public health environmental and planetary health genetic and epigenetic medicine exposome studies and ecological public health microbiome studies and historical disability studies The chapters in this book were originally published as a special issue of *World Archaeology*     **The Making of Asian America** Erika Lee, 2015-09 In the past fifty years Asian Americans have helped change the face of America and are now the fastest growing group in the United States But as historian Erika Lee reminds us Asian Americans also have deep roots in the country *The Making of Asian America* tells the little known history of Asian Americans and their role in American life from the arrival of the first Asians in the Americas to the present day An epic history of global journeys and new beginnings this book shows how generations of Asian immigrants and their American born descendants have made and remade Asian American life in the United States sailors who came on the first trans Pacific ships in the 1500s to the Japanese Americans incarcerated during World War II Over the past fifty years a new Asian America has emerged out of community activism and the arrival of new immigrants and refugees No longer a despised minority Asian Americans are now held up as America s model minorities in ways that reveal the complicated role that race still plays in the United States Published to commemorate the fiftieth anniversary of the passage of the United States Immigration and Nationality Act of

1965 that has remade our nation of immigrants this is a new and definitive history of Asian Americans But more than that it is a new way of understanding America itself its complicated histories of race and immigration and its place in the world today Jacket

The Enigmatic Realm of **A Tragedy Of Democracy Japanese Confinement In North America**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **A Tragedy Of Democracy Japanese Confinement In North America** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of people who partake in its reading experience.
