## **A Slight Ache:**

**A Slight Ache** Harold Pinter, 2013-10-03 This volume contains a selection of early works by Harold Pinter In the title play everything in Flora's garden is lovely and would be for Edward too if it were not for the slight ache in his eyes and the mysterious matchseller at the gate This edition also includes *A Night Out* *The Dwarfs* and several revue sketches     **A Slight Ache** Harold Pinter, 1961 Flora and Edward invite the match seller into their home The match seller is silent faced with this silence Edward destroys himself while Flora gains strength until finally Flora turns Edward out with the tray of matches The midsummer's day which began with Edward having a slight ache ends in his total disintegration     **A Slight Ache** Harold Pinter, 1991     Contradictory Characters Albert Bermel, 1996 Providing an interpretation of the modern theatre this is a new edition of a classic work of drama criticism     **A Slight Ache** Padmini Sengupta, 1961     **Three Plays ; A Slight Ache** Harold Pinter, 1962     **The Dramatic World of Harold Pinter: Its Basis in Ritual** Katherine H. Burkman, 1971     Pinter's Comic Play Elin Diamond, 1985 Examines the basis of Harold Pinter's tense comedy and how it functions in his plays as well as covering the major drama from *The Room* to *Other Places* Diamond argues that the metaphysical fear and emptiness so characteristic of the Pinter situation are inseparable from his use and abuse of literary and popular comic traditions     Pinter's Female Portraits Elizabeth Sakellaridou, 1988-01-01 The book traces the development of Pinter's female characters both as *dramatis personae* and as theatrical functionaries It explores a new exciting aspect of Pinter's work in the domain of character portrayal and it supplies a kaleidoscopic view of Pinter criticism to date at home and abroad     **The Pinter Ethic** Penelope Prentice, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company     **A Slight Ache**, 1967 Olney Theatre presents Absurd Festival no 2 with Donald Davis Ruby Holbrook *A Slight Ache* Harold Pinter *The Sandbox* Edward Albee *The Chairs* Eugene Ionesco directed by James D Waring settings and lighting by Mr Waring costumes by Joseph F Bella original musical compositions arrangements by Gene Ashton and Rene Berblinger     **The Dream Structure of Pinter's Plays** Lucina Paquet Gabbard, 1976 Approaches the problems of obscurities ambiguities and interrelationships in Pinter's plays through the mechanisms of the dream and shows that the plays group around the oedipal wish     **Physiological Protection of the CSU-4/P High-altitude Pressure Suit** Charles L. Wilson, 1962     *The absurd in literature* Neil Cornwell, 2013-07-19 Neil Cornwell's study while endeavouring to present an historical survey of absurdist literature and its forbears does not aspire to being an exhaustive history of absurdism Rather it pauses on certain historical moments artistic movements literary figures and selected works before moving on to discuss four key writers Daniil Kharms Franz Kafka Samuel Beckett and Flann O'Brien The absurd in literature will be of compelling interest to a considerable range of students of comparative European including Russian and Central European and English literatures British Isles and American as well as those more concerned with theatre studies the avant garde and the history of ideas including humour theory It should also have a wide appeal to the enthusiastic general reader

**Gender and Power in the Plays of Harold Pinter** Victor L. Cahn, 2011-12-20 During the past century artists have been preoccupied with the search for meaning in a fragmented world In this book Victor L Cahn suggests that the plays of Harold Pinter dramatize how such a search leads characters to try to establish security through control of territory and people The resulting conflict often manifests itself in a gender battle in which men dominate the physical arena and women the emotional The innate tension between the sexes is both comic and unnerving but also reflects humanity s eternal quest for meaning and identity

*Secrets of the Hidden Vessels* Fletcher Kovich, 2018-10-27 The Nei Jing consists of ancient Chinese scripts and is the foundation of Chinese acupuncture But several factors make the Nei Jing and also today s Chinese medicine difficult to comprehend Parts of the Nei Jing are fact based parts are metaphorical and not intended to be interpreted literally and other parts contain contradictory theories which cannot all be true Added to this is the problem that Chinese medicine concepts can seem incomprehensible to Western readers anyway This book tackles these problems by relating Chinese medicine knowledge to today s physiology and identifying the overlap The book also extensively analyses the Nei Jing theories on metabolism organ function physiology and the five phase theory and points out which aspects of these theories are fact based which are metaphorical and which are untrue This enables students to readily understand Nei Jing metabolism and physiology and to decide for themselves which aspects apply in reality Today s Chinese medicine disease syndromes are also explained But in general the book follows the simple approach used in the Nei Jing With each organ a single main condition is cited such as poor kidney function then the signs and symptoms listed This enables Western students to understand the condition and also demonstrates how to communicate Chinese medicine to patients The book also analyses recent scientific ideas on how acupuncture may work and describes its own intelligent tissue hypothesis This groundbreaking hypothesis is supported by objective experimental data and provides a lucid and plausible explanation of what the meridians are what acupuncture is and it also clearly describes the mechanism that enables acupuncture to correct organ malfunctions The book brings an unusual transparency to Chinese medicine making the whole subject easier to understand Fletcher Kovich runs his own Chinese acupuncture practice in the UK Praise for *Secrets of the Hidden Vessels* The book is fascinating And from the teaching perspective it is a great tool to help students understand the organ functions The book also uses an interesting approach to explain the mental and emotional factors in causing disease which again will greatly assist in the teaching of this aspect of Chinese medicine Brandon Fuller Program Chair East West College of Natural Medicine Sarasota Florida We have come across many books on Chinese Medicine and particularly like this book s approach of blending the Western and Chinese understanding of the organs to make it clear that both systems describe the same organs There is a global paradigm shift in medicine and the importance of Chinese Medicine in understanding the body and health plays a key role in the West s acceptance of alternative approaches to healthcare Sam Patel Joint Principal The International College of Oriental Medicine UK

**The Medical Times and Gazette** ,1860      *A Cyclopaedia of drug pathogenesis* v. 4, 1890-1901

,1891      **Pinter** Martin Esslin,2022-09-01 First published in 1977 the third edition of Pinter is an excellent analysis of Harold Pinter and his works Written when Pinter was only a few plays old the book draws on several sources including interviews with Pinter himself to comment on Pinter s career his aesthetic and philosophical choices and his oeuvre as a writer The section devoted to his individual plays has been arranged in a chronological manner to visually represent the growth of the playwright and the relationship shared between his early and later works Esslin known for coining the term theatre of the absurd was himself an inspiration to Pinter and hence the book records an intellectual and creative exchange between the author and his subject The book will be of interest to students of literature drama history as well as to an academically inclined theatre audience      The Encyclopedia of Pure Materia Medica Timothy Field Allen,1874
