Book Review

“

The book is a true test of one's ability to comprehend. If you are not focused, you get lost. Moving from one paragraph to another could mean jumping from one time to another in the story, which is often from the twins' childhood to their adulthood, and sometimes this could happen even in a sentence!

Your God Is Too Small J.B. Phillips, 2004-06 Christian religion beliefs

The 66 Books Barry Bowen, 2011-06-29 It is reasonable to think that if God is God and he wrote a book about what he has done he would be able to prove it is his book beyond any reasonable doubt This would involve making it clear that only God could write it the way it has been written The purpose of these pages is to show he has done this and to explain how it proves it is from God This is about the prophecy of Isaiah in the Bible and its 66 chapters as they introduce the 66 books of God What we have here is the most exciting and fascinating information available to man All I have to do is convince you of that I have set up the hypothesis for this study as follows The chapters of Isaiah's prophecy give a summary of each of the books of the Bible If this is so then the purpose of Isaiah would be to bind the 66

books of the Bible together as the inspired writings of God For the hypothesis to be true each verse of each chapter of Isaiah must relate to the book in question To explain this it is necessary to cite each verse and show the relevance to the book The key that unlocks this message involves the first verse of the chapter with the last verse of the chapter that points you to the book to which it refers The subject of the book is in the middle verse or verses of the Isaiah chapter I will give you 66 examples of this as we progress There are several reasons for developing this hypothesis 1 There are 66 chapters in Isaiah and 66 books in the Bible 2 It has long been recognized there is a division of the book of Isaiah at chapter 40 This would make thirty nine chapters for the Old Testament books and twenty six for the New Testament 3 Every chapter except two groups of four deal with different subjects which shows we are not dealing with a particular history or argument so we are entitled to ask why the chapters do not connect The two groups are interesting they are chapters 36 37 38 and 39 that speak of Hezekiah and chapters 52 53 54 and 55 that speak of Messiah 4 Isaiah is a difficult book to understand unlike any other in scripture 5 The New Testament writers used Isaiah to prove what they wanted to say about Gentiles There are or verses about one hundred and fifty direct quotations or allusions from Isaiah in the New Testament So it is reasonable to suspect that Isaiah is the proof of all things The rules that apply for examining this hypothesis are 1 The issue in the chapter and the issue in the book must match and this must be explained in such a way there is no doubt they are linked 2 The first verse of the chapter in Isaiah should define the issue in the chapter and the issue in the book And the last verse of the chapter make a similar obvious connection 3 The middle verse or verses of the chapter will give the subject matter of the book 4 The size of the chapter is usually in proportion to the size of the book This can vary with the size of the subject If it is a small book with a large subject it could be a large chapter 3 There should be a significant list of connections between the chapter of Isaiah and the book to which it refers 4 Each verse of the chapter must make sense in relation to the book A connection must be a quotation or allusion or an argument on the same subject Some will have difficulty with the parables of the Old Testament because they may not have met them before We need to keep in mind this information in the parables is not for everyone Usually it is preserved for certain people at a special time and place For instance it may be for convincing Jews of the twenty second century that Jesus is Messiah That will involve showing how their own scripture the Old Testament spoke of the things outlined in The New Testament The lord used parables to withhold information from those for whom it was not intended and deliver it to those who were to know these things So the idea there is mor

Cardinal Arinze tells his amazing life story and how he was guided by God's invisible hand through many challenging and dangerous moments to become one of the world's leading Catholic prelates and one of the top candidates for the Papacy in the recent conclave. In the style of an interview, Arinze responds to a host of wide-ranging questions from journalist Gerard O'Connell. Arinze talks about his life and experiences growing up in Nigeria, becoming the world's youngest Bishop, being on the run during the Nigerian civil war, and as an outspoken Cardinal who led the way for inter-religious dialogue with non-Christian religions, particularly Muslims, Buddhists, and Hindus. The charismatic Cardinal also tells about his years of working inside the Vatican under three different Popes and of his close relationship with John Paul II. Arinze and John Paul worked together on various important projects and documents that have had an impact on the Church and the African culture. *May I Hate God?* Pierre Wolff, 1979. For anyone who is seriously interested in developing a spiritual life, this is an important book, one that can open large areas of our soul to the loving touch of God. The main question of this book touches the very center of our spiritual struggle. I would not be surprised if hostility, anger, resentment, and hatred proved to be the greatest stumbling blocks to our spiritual growth. *Sabbath Songs for Tiny Tots*, **God's Plan of Creation** Robert N. Smith, 2014-11-15. *God's Plan of Creation* Written for All God's Children Who Want to Know and Are Not Afraid to Think, offers scripturally informed answers to questions arising in people's minds as they wonder about the nature of God and His designs for all of creation. By using a three-part structure that examines the *Siege*, the *Legacy*, and the *Story*, Robert N. Smith brings to bear both his long study of the Scriptures and his insights to provide guidance for all who want to

know and are not afraid to think The first part the Siege presents an inquiry and review of humanity's continuing efforts to gain hold of its Legacy The focus of the second portion of God's Plan of Creation the Legacy entails the gifts that God has chosen to give to humanity and that people today have received from the hands of their forebears in the faith Finally the Story displays a visual timeline of creation plotting out key points of theology and cosmology It is laid out landscape therefore it does not fit the book format Part 3 is in progress and will follow soon If you see the world in all its beauty complexity and diversity and you find yourself wondering about the God who made all things and about His desires for how humanity fits into His plans then God's Plan of Creation Written for All God's Children Who Want to Know and Are Not Afraid to Think will pour out insights worth pondering It takes a fearless and eyes wide open look at God and His plans and invites you to join in a journey of vision and discovery
