A Southern Ambience Holt E. Glenn, 2013-01-23 New book shows America from a working mans perspective A Southern Ambience looks at social economic concerns of the blue collar workers in the South WINNABOW N C Author Holt E Glenn takes readers on a blue collar odyssey set deep in the soul of the South in his latest book A Southern Ambience Ramblings of a Working Man published by AuthorHouse Using what he calls good old rural common sense he sets out to address many of the issues facing the South and America today while weaving a funny often quirky semi autobiographical tale As he says Some edumacation is in fact not all in all a bad thing I live in the blue collar world now but it has not always been that way for I have known the world of Country Clubs and the privileged Glenn writes Both social economic spheres have features that inspire and intrigue me I have come to see that there are snobs on both sides of the fence Subject matter such as obesity governmental dependency obesity illegal immigration and gun control are touched upon A Southern

Ambience By Holt E Glenn A Southern Ambience Holt E. Glenn, 2013 On a blustery December morning Tommy Rowley parks his old Volvo behind the Pius XII Auditorium carefully places his college acceptance letter on the passenger seat pulls up his collar against the wind and walks into the woods Minutes later he ends his life hoping to bury a secret forever Almost eight years later a glowing window is discovered during a power outage on the campus of a Boston hospital After some claim to see an image of the Virgin Mary in the window Saint Katherine s Hospital quickly becomes a magnet for the devout the curious and the profit minded just as the Catholic Church s sexual abuse scandal is spinning out of control Meanwhile stories of blackmail and conspiracy surface secrets are revealed and events escalate to a violent and unanticipated climax As one of the characters says There s no end to the Tommy Rowley tragedy In this fast paced and suspenseful novel the plans and motives of its colorful characters emerge and finally erupt into open conflict At once satiric and spiritual comic and deeply serious Murphy s fiction plunges readers into a vibrant community of strong traditions and beliefs whose shared culture cannot conceal its fierce rivalries and the constant threat of its ideals from secular and clerical opportunists The story will captivate anyone who has pondered the actions of people mesmerized by unexplained phenomena The questions it raises of the proper response to evil acts of the durability of loyalty of competing visions of justice will stay with readers long after the story ends

Of Bens, Glens and Rambling Auld Men Robert Scott, Gordon Nicol, 2015-05-28 This starts with the early post WWII years when Robert and Gordon as young men were first attracted to the outdoors They hiked and climbed in the mountains of the Scottish Highlands and often slept in caves barns bothies and tents in both summer and winter They made friends and climbed with many of the emerging group of mainly working class rock climbers who were pioneering ascents of the cliffs and gullies in Glencoe and Ben Nevis at that time Their week end adventures had them ranging across the wild moors glens and mountains in all seasons and in all weathers As the years passed their lives changed One became a youth hostel warden in N W Scotland later becoming a gamekeeper and ghillie on an estate in Assynt The other went overseas as a

teacher first to Algeria then to Saudi Arabia and finally Brunei S E Asia where he stayed for nearly thirty years The two men lost touch with each other for over forty years At that point they met again and while re calling their youthful ramblings and catching up on one another s later adventures came to realise the uniqueness of their lives From these two kinds of rambling comes this fascinating book

Thomas Arthur Leonard and the Co-operative Holidays Association Douglas George Hope, 2016-12-14 This book focuses on Thomas Arthur Leonard a Congregational minister in Colne Lancashire in the 1890s and the Co operative Holidays Association which he founded in 1893 The Co operative Holidays Association which was re named the Countrywide Holidays Association in 1964 but was always affectionately known as the CHA operated as an independent provider of outdoor holidays until 2002 Leonard left the CHA in 1913 to establish the Holiday Fellowship an organisation with similar ideals to the CHA which continues to trade as HF Holidays Leonard was also instrumental in the establishment of the Youth Hostels Association in 1930 and the formation of the Ramblers Association in 1935 of which he was the first President He strongly supported the National Trust founded in 1895 and was a stalwart of the campaign for national parks during the 1930s He was a founder member of the Friends of the Lake District in 1934 and was connected with a number of other outdoor holiday organisations This book details the life and achievements of this extraordinary man who rebelled against the conventionality of the 1880s and 1890s and was appalled by the dull and grim lives of artisans and textile workers in the industrial north of England It also tells the story of the CHA which pioneered walking holidays in the outdoors for working people from its foundation in 1893 to its demise in 2004 The book describes how the CHA faced the challenges of changing social economic and cultural conditions during the twentieth century such as increasing affluence and consumer choice changing cultural attitudes and expectations the popularisation of outdoor recreation and the proliferation of outdoor holiday providers It shows how the CHA drifted away from its original ideals in an attempt to remain viable in the face of increasing consumerism but nevertheless continued to provide holidays for thousands of people based on healthy recreation and quiet enjoyment and the principles of friendship and fellowship

Postcards from the Road Jonathan Day, 2014-05-01 Walker Evans said in his 1958 introduction to Robert Frank's *The Americans* For the thousandth time it must be said that pictures speak for themselves wordlessly visually or they fail The images revolutionized post war American photography With their candid images of men and women from all classes and walks of life the photographs presented a very different story than that portrayed by the wholesome caricature of midcentury prosperity pervading American photography at the time Although initially dismissed by his peers for his pioneering work Frank was ultimately credited with changing the course of the art form and his photography holds a secure status in the history of twentieth century art And he did all this without words It seems appropriate then and not a little overdue that Jonathan Day has created a book that expounds explores and examines Frank's work pictorially Taking Frank's iconic images as his point of reference Day shot new photographs that commented on the road and contemporary America Here these images are paired with critical commentary that details the aspects of the work that are visually expounded and explained in Day's complementary images A visual entryway to the photographs and themes of this iconic book in the history of photography *Postcards from the Road* represents an innovative carefully considered departure from standard photographic textbooks
