Women's Somatic Training in Early Modern Spanish Theater Elizabeth Marie Cruz Petersen, 2016-11-03 Drawing from early modern plays and treatises on the precepts and practices of the acting process this study shows how the early modern Spanish actress subscribed to various somatic practices in an effort to prepare for a role It provides today's reader not only another perspective to the performance aspect of early modern plays but also a better understanding of how the woman of the theater succeeded in a highly scrutinized profession Elizabeth Marie Cruz Petersen examines examples of comedias from playwrights such as Lope de Vega Luis Velez de Guevara Tirso de Molina and Ana Caro historical documents and treatises to demonstrate that the women of the stage transformed their bodies and their social and cultural environment in order to succeed in early modern Spanish theater Women's Somatic Training in Early Modern Spanish Theater is the first full length in depth study of women actors in seventeenth century Spain Unique in the field of comedia studies it approaches the topic from a performance perspective using somaesthetics as a tool to explain how an artist's lived experiences and emotions unite in the interpretation of art reconfiguring her self via the transformation of habit

Unruly Women Margaret E. Boyle, 2014-01-01 In the first in depth study of the interconnected relationships among public theatre custodial institutions and women in early modern Spain Margaret E Boyle explores the contradictory practices of rehabilitation enacted by women both on and off stage Pairing historical narratives and archival records with canonical and non canonical theatrical representations of women's deviance and rehabilitation Unruly Women argues that women's performances of penitence and punishment should be considered a significant factor in early modern Spanish life Boyle considers both real life sites of rehabilitation for women in seventeenth century Madrid including a jail and a magdalen house and women onstage where she identifies three distinct representations of female deviance the widow the vixen and the murderess Unruly Women explores these archetypal figures in order to demonstrate the ways a variety of playwrights comment on women's non normative relationships to the topics of marriage sex and violence
