Jake Owen Tammy Gagne,2019-07-04 Jake Owen did not grow up with dreams of becoming a country music star Instead he thought he would become a professional golfer He started winning tournaments in the sport when he was just 15 But an injury to his shoulder changed the course of his life when it ruled out playing golf for a living Jake dealt with this disappointment by picking up a guitar In the process he discovered that he had an equally abundant talent for writing songs and performing them Shortly after his move to Nashville the young artist found fame on the country music charts Today he is one of the biggest stars in the world of country music

Eric Church Tammy Gagne,2019-07-04 Eric Church rarely does anything people expect from him When he was offered a record deal at just 16 he turned it down Instead of pursuing his musical career at 18 he went to college and earned himself a degree in marketing And when he landed a gig opening for a famous country music band he played so long each night that he got himself and his own band fired Perhaps being different is what makes this country music star stand out from the rest One thing is for sure his fans are among the most dedicated in the genre of country music
