Victorian Alphabets, Monograms and Names for Needleworkers Godey's Lady's Book, 2013-01-23 Culled from two popular American women's magazines of the Victorian era here are alphabets initials monograms and common names in various letter forms script floral geometric Old English block ornamental more Charted Monograms for Needlepoint and Cross-Stitch Rita Weiss, 1977-01-01 Beautifully designed monograms 350 in all that can be composed with pairs of letters to personalize table and bed linens personal apparel and more With crowns several large and small alphabets with numerals illustrated instructions An informative introduction shows how to enlarge or reduce each monogram Monograms Motifs and Borders Susan Johnson, 2019-07-14 Monograms have always been a fashionable way for embroiderers to personalize fashion and home decor In contrast to the subtle white on white embroidery often found on bed linens and handkerchiefs the exuberantly colorful designs that follow are more modern than you might expect from Victorian needlework This collection is reproduced from German textile designer Friedrich Fischbach s work titled Bunt Stickerei Vorlagen colorful embroidery patterns published around 1870 These individual letters entwined monograms motifs and borders are a remarkable resource for modern needleworkers to use on their own projects Designs charted on graph paper are a universal language which can be translated into needlepoint and counted cross stitch with each square on the pattern representing a single stitch Author's Note Please be aware that older alphabets may not contain all letters For example I and J were often considered interchangeable and many alphabets contain only one or the other not both The elaborate diagonal monogram series L and M are shown on the front cover does not include J X or Y Victorian Whitework Embroidered **Monograms** Susan Johnson, 2020-01-24 Victorian embroidered monograms are lovely examples of creativity in home decoration This collection from an 1890 series features elaborate illustrations of whitework embroidery that are sure to inspire modern needleworkers and craftsmen These 48 pages are reproduced from an historic artifact and as such show some signs of age and the limitations of 19th century printing technology Monograms have long been an elegant way to

personalize household items many beautiful examples are worked on plain white fabric embellished with tone on tone raised elaborate embroidery Often a variety of stitchery techniques were used to create texture such as padded satinstitches combined with lacemaking techniques including pulled or drawn thread work and needleweaving A large 8 high single display style initial is given for each of the alphabet except for the letters I and Y which were commonly left out of alphabets plus several small two letter monograms featuring each letter in a variety of design styles Like most antique books a high level of skill was assumed of the reader so there are no instructions to accompany the illustrations The designs could be transferred onto fabric for embroidery or adapted to needlepoint machine embroidery or other techniques **Flowers in English Embroidery** Victoria and Albert Museum,1957
