A Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor I preach Doesn't that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people's attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we

live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place

From Glory to Glory Abraham Kuruvilla, 2025-05-15 Spiritual formation is critical for the Christian. And preaching is effectively spiritual formation from the pulpit seeking to bring to bear the thrust of a portion of Scripture upon the lives of believers. However, the careful integration of the divine call for holiness with the concrete processes of transformation in response to that call remains a challenge. How does the former lead to the latter to culminate in Christlikeness? This book fills that gap as it shows the unnatural, supernatural journey from the glory of creation to the glory of redeemed humanity. Abraham Kuruvilla informs and equips pastors, preachers, and church leaders to focus on God's work to overcome the sinful flesh in humanity through the agency of the Spirit and through the Spirit's product, Scripture. These are the ways that God brings His people from glory to ever-increasing glory. This is not a model or plan of action but rather an invitation towards being conformed to Christlikeness.

Invitation to Biblical Theology Jeremy M. Kimble, Ched Spellman, 2020-08-04 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study. Defining biblical theology as the study of the whole Bible on its own terms, Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches. They then lay out their own approach built on the framework of the canon, the covenants, and Christ. Taking God's plan of redemption in Christ as the uniting theme of Scripture, Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation, showing how each division of the canon moves the overarching story forward. The following ten chapters survey central and recurring themes of Scripture, including kingdom, worship, Messiah, and atonement, God's glory, and mission. The authors conclude with reflections on how biblical theology can serve the church as well as the academy.
