awareness of not fitting in her world seemed shattered in many directions Through childhood teens and into adulthood she looked at life from many sides Good or bad light or dark power or helplessness and all it could mean to be male or female The journey down many of those paths took her through a unique perspective of personal growth and discovery to create her own dance and tune for the person she is today Always keeping an open mind of observation understanding and compassion she tugged herself from one end of these spectrums to the other Riannon who became the celebrated bellydance performer Rehana Incognito unravelled and absorbed the essence of her own powerfully respectful femininity through the unfolding steps of Middle Eastern Dance She now lives in Notting Hill West London There with warmth humour and hope she encourages others searching for their centre and true self either through the confident power of dance or the guidance of a caring hand reaching back in friendship **Screen Book Magazine Combined with Screen Play**, 1941 [Solariad](#)
