A Short World History Of Christianity:

A Short World History of Christianity, Revised Edition Robert Bruce Mullin, 2014-11-22 Church historians have long known and appreciated Christianity's global history. Until recently, however, introductory textbooks on the history of Christianity focused almost exclusively on Europe and North America. Robert Bruce Mullin's *A Short World History of Christianity* by contrast offers a panoramic picture of the history of Christianity in its Western and non-Western expressions. It tells the story of the early church in the Greek East as well as the Latin West of Christianity's spread into Asia as well as Europe during the Middle Ages and its explosion around the world during the modern period. Mullin's highly readable narrative explores why global perspectives have emerged so strongly in our understanding of the story of Christianity and how they have impacted Christianity's perspective on its place in the world. This newly revised edition adds information on such global phenomena as early Syriac-speaking Christianity, the growth of Pentecostalism around the world, especially in the southern hemisphere, and recent trends in Christianity, including the elevation of the first pope born in the Americas. A timeline of key dates, call-out boxes, and other helpful study materials are also provided. Beginning students will appreciate this memorable introduction to the most important events in the history and development of Christianity.

An international team of specialists takes seriously the geographical diversity of the Christian story, discussing the impact of Christianity not only in the West but also in Latin America, Africa, India, the Orient, and Australasia.

Contending for the Faith E. Daisy Rodriguez, 2014-10-10 *Contending for the Faith* invites readers to explore two millennia of church history and to learn how God works through the church's ministry to spread the gospel of God's kingdom and, in the end, to defeat the forces working to oppose him. E. Daisy Rodriguez combines dramatic retellings of the biblical narrative, direct citations from the Scriptures, and reflections that connect the lives and ministries of contemporary Christians with God's work in the church throughout its history. Various chapters treat topics like God's commission, the church, Christ's gifts, historical critique, prophetic vision, and assurance of God's victory. The tone is approachable and energetic, blending together explanations of the biblical background and the historical record with sections that speak to the contemporary mission of the church and its future mission. Like a lighthouse, the church has and will continue to light the way for a world lost in the darkness. If you have asked yourself what God's plan is for his people and wondered how to interpret the threats made by forces opposed to God and the church, then *Contending for the Faith* will give you both a helpful introduction to the sweep of history from the church's birth to Christ's return in power. God's people can be encouraged and trust that God, in the end, will carry out his plans for the church, the body of Christ.
