A Sin Against The Future Imprisonment In The World:

The Future of Imprisonment Michael Tonry, 2004-04-08 The imprisonment rate in America has grown by a factor of five since 1972 In that time punishment policies have toughened compassion for prisoners has diminished and prisons have gotten worse a stark contrast to the origins of the prison 200 years ago as a humanitarian reform a substitute for capital and corporal punishment and banishment So what went wrong How can prisons be made simultaneously more effective and more humane Who should be sent there in the first place What should happen to them while they are inside When how and under what conditions should they be released The Future of Imprisonment unites some of the leading prisons and penal policy scholars of our time to address these fundamental questions Inspired by the work of Norval Morris the contributors look back to the past twenty five years of penal policy in an effort to look forward to the prison s twenty first century future Their essays examine the effects of current high levels of imprisonment on urban neighborhoods and the people who live in them They reveal how current policies came to be as they are and explain the theories of punishment that guide imprisonment decisions Finally the contributors argue for the strategic importance of controls on punishment including imprisonment as a limit on government power chart the rise and fall of efforts to improve conditions inside analyze the theory and practice of prison release and evaluate the tricky science of predicting and preventing recidivism A definitive guide to imprisonment policies for the future this volume convincingly demonstrates how we can prevent crime more effectively at lower economic and human cost

Surviving Russian Prisons Laura Piacentini, 2012-12-06 What do Russian prisons look like Who is sent to prison in Russia How is punishment allocated and administered This pioneering book aims to answer these and other questions by embarking on a journey that begins by exploring how the prisons have survived the collapse of the USSR and ends with a discussion of global penal politics It is the first book to have been written in English on penal practices in the contemporary Russian prison system Surviving Russian Prisons focuses in particular on the reality of work and labour within Russian prisons exploring its changing function From being for much of the twentieth century a major activity as well as an ideological justification for prison regimes its main function now has been to enable prisoners to survive through participating in a barter economy In exploring the microworlds of the Russian prison this book at the same time presents new evidence and offers fresh insight into how prisons are governed in societies undergoing turbulent social and political transformation it explores how current practices in relation to prisoners work comply with international regulations designed to promote humane containment and positive custody and debates the nature of knowledge on penal discourse in transitional states

Capitalist Punishment Alex Friedman, 2010-04-28 Over 100 000 people in the U S are incarcerated in prisons owned and operated by private corporations a booming business But how are the human rights of prisoners and prison employees affected when prisons are run for profit An accomplished group of human rights writers and activists explores the historical political and economic context of private prisons How are prisoners lives affected by privatization How does it

impact prison labor and prison employees How and why are private prisons becoming transnational Are women children and African and Native Americans affected differently from other populations How is privatization connected to the war on drugs the criminalization of poverty and tough on crime politics The preface is by Sir Nigel Rodley Professor of Law at the University of Essex former United Nations Special Rapporteur for Torture and knighted in 1999 for recognition of services to human rights and international law **Transnational Legal Processes** Michael Likosky, 2002-04 This work comprises 24 linked essays by leading transatlantic scholars in international law and the social sciences examining the sociolegal aspects of multi jurisdictional legal techniques and trans jurisdictional social phenomena The contributors bring a range of disciplinary expertises including anthropology economics law and sociology to bear on key questions raised by transnational legal processes The pieces explore legal developments in multiple territories including Africa Asia Latin America and the United States The volume is designed as a general reader for courses on law and globalisation and related studies The collection is made up of four parts each addressing a central theme in transnational law and legal action law making and compliance human rights commerce and governance The essays discuss such diverse problems as the role of foreign actors in the ethnic conflicts of Kosovo and Rwanda the power the United States and the UK wield over international capital markets and the adaptability of existing public international law to deal with the challenges wrought by globalisation

Secure the Soul Kevin Lewis O'Neill, 2015-01-16 I m not perfect Mateo confessed Nobody is But I try Secure the Soul shuttles between the life of Mateo a born again ex gang member in Guatemala and the gang prevention programs that work so hard to keep him alive Along the way this poignantly written ethnography uncovers the Christian underpinnings of Central American security In the streets of Guatemala City amid angry lynch mobs overcrowded prisons and paramilitary death squads millions of dollars empower church missions faith based programs and seemingly secular security projects to prevent gang violence through the practice of Christian piety With Guatemala increasingly defined by both God and gangs Secure the Soul details an emerging strategy of geopolitical significance regional security by way of good Christian living Offending Women Lynne Haney, 2010-02-10 Offending Women is an eye opening journey into the lived reality of prison for women in the United States today Lynne Haney looks at incarcerated mothers housed together with their children who are serving terms in alternative community based prisons a type of facility that is becoming increasingly widespread Incorporating vivid sometimes shocking observations of daily life she probes the dynamics of power over women s minds and bodies that play out in two such institutions in California She finds that these alternative prisons contrary to their aims often end up disempowering women transforming their social vulnerabilities into personal pathologies and pushing them into a state of disenfranchisement Uncovering the complex gendered underpinning of methods of control and intervention used in the criminal justice system today Offending Women links that system to broader discussions on contemporary government and state power asks why these strategies have arisen at this particular moment in time and considers what forms of citizenship they

have given rise to *Global Lockdown* Julia Sudbury,2014-03-18 *Global Lockdown* is the first book to apply a transnational feminist framework to the study of criminalization and imprisonment The distinguished contributors to this collection offer a variety of perspectives from former prisoners to advocates to scholars from around the world The book is a must read for anyone concerned by mass incarceration and the growth of the prison industrial complex within and beyond U S borders as well as those interested in globalization and resistance

Creating Criminals Vivien Stern,2013-07-18 Market society is producing more crime around the world More acts are being defined as crimes Ever increasing numbers of people are classified as criminals and more are being locked up in prison With globalization the crime and punishment problem is no longer insulated from pressures beyond national borders The rich may retreat behind their expensive security into gated communities but the poor are more and more at the mercy of criminals and corrupt policing Yet Vivien Stern argues the trends towards more criminalization and more imprisonment are not making for more effective crime control or safer communities This important book demonstrates that the prospects for the future are serious unless NGOs and reformers join in a new movement for reform that gives more control of justice policy back to communities and neighbourhoods

Racing Research, Researching Race France Winddance Twine,Jonathan Warren,2000 This book is an examination of what it means to be conscious of race when one is doing research There are those who argue that just to acknowledge race is to perpetuate the biological myth of race But this book warns that is to confuse the biological with the social further arguing that the race of the researcher can be a significant factor in what information is revealed by interviewees and that this needs to be considered when planning a study or reviewing its results This book is the authors attempt to initiate a serious discussion of the potential ethical emotional analytical and methodological dilemmas generated by racial subjectivities racial ideologies and racial disparities in research c Book News Inc

Pastoral Care for the Incarcerated David Kirk Beedon,2022-11-09 This book explores and formulates a response to the question How best can those held in modern systems of mass incarceration be cared for pastorally when many prisons diminish both hope and humanity Employing the multi disciplinary approach of practical theology this ethnographic enquiry will be a guide for chaplains and all who strive to embody compassion wherever human flourishing is undermined The book s structure follows the pastoral cycle method from practical theology remaining context based and practice focused throughout Pastoral insights are illustrated with personal poetic and movingly reflective material drawn from the lived experience of indeterminately sentenced men who did not know if or when they would be ever released The author a former prison chaplain remains reflexively and humanely present in the text modelling the profound humane regard and pastoral presence that is central to this work This book will take the reader deeply into penal spaces on a journey of both compassion and hope

The Violence of Incarceration Phil Scraton, Jude McCulloch, 2023-04-21 Conceived in the immediate aftermath of the humiliations and killings of prisoners in Afghanistan and Iraq of the suicides and hunger strikes at Guantanamo Bay and of the disappearances of detainees through extraordinary rendition this book explores the connections between these shameful events and the inhumanity and degradation of domestic prisons within the allied states including the USA Canada Australia the UK and Ireland The central theme is that the revelations of extreme brutality perpetrated by allied soldiers represent the inevitable end product of domestic incarceration predicated on the use of extreme violence including lethal force Exposing as fiction the claim to the political moral high ground made by western liberal democracies is critical because such claims animate and legitimate global actions such as the war on terror and the indefinite detention of tens of thousands of people by the United States which accompanies it The myth of moral virtue works to hide silence minimize and deny the brutal continuing history of violence and incarceration both within western countries and undertaken on behalf of western states beyond their national borders

Forensic Practice in the Community Zoë Ashmore, Richard Shuker, 2014-08-01 Forensic practice in the community is a neglected subject There are many books looking at forensic work in secure settings such as prisons or hospitals but very little has been written about forensic practice in the community This book describes the current and exciting developments in this area for both young people and adults by leaders in their field It is in the community where interventions with those who have offended are all ultimately tested Bringing together a range of experts from both the practitioner and academic community this book covers multisystemic therapy for families sexual and violent offending learning disabilities substance misuse risk assessment prediction and management personality disordered offenders resettlement following custody desistance of criminal behaviour community interventions Beginning with an overview of forensic practice in the community the book addresses policy practice and ethical issues focusing on the specific dilemmas facing practitioners and providing an analysis of international perspectives It describes how to meet the challenge of significantly diverting and reducing the prison population through more effective community intervention with adults and young people and also makes suggestions for the future This book offers a range of recent case studies has descriptions of new areas of community practice by those working or studying in that area and covers cutting edge developments in practice and policy It will be of interest to academics practitioners and students in forensic psychology as well as social workers

probation officers youth offending officers police officers criminal justice agencies and mental health professionals The Prison Boundary Jennifer Turner, 2016-07-13 This book explores the idea of the prison boundary identifying where it is located which processes and performances help construct and animate it and who takes part in them Although the relationship between prison and non prison has garnered academic interest from various disciplines in the last decade the cultural performance of the boundary has been largely ignored This book adds to the field by exploring the complexity of the material and symbolic connections that exist between society and carceral space Drawing on a range of cultural examples including governmental legislation penal tourism prisoner work programmes and art by offenders Jennifer Turner attends to the everyday practised manifestations and negotiations of the prison boundary The book reveals how prisoners actively engage with life outside of prison and how members of the public may cross the boundary to the inside In doing so it shows the prison boundary to be a complex patchwork of processes people and parts The book will be of great interest to scholars and upper level students of criminology carceral geography and cultural studies **The Routledge Companion to Alternative and Community Media** Chris Atton, 2015-05-15 The Routledge Companion to Alternative and Community Media provides an authoritative and comprehensive examination of the diverse forms practices and philosophies of alternative and community media across the world The volume offers a multiplicity of perspectives to examine the reasons why alternative and community media arise how they develop in particular ways and in particular places and how they can enrich our understanding of the broader media landscape and its place in society The 50 chapters present a range of theoretical and methodological positions and arguments to demonstrate the dynamic challenging and innovative thinking around the subject locating media theory and practice within the broader concerns of democracy citizenship social exclusion race class and gender In addition to research from the UK the US Canada Europe and Australia the Companion also includes studies from Colombia Haiti India South Korea and Zimbabwe enabling international comparisons to be made and also allowing for the problematisation of traditional often Western approaches to media studies By considering media practices across a range of cultures and communities this collection is an ideal companion to the key issues and debates within alternative and community media **Understanding Prisons: Key Issues In Policy And Practice** Coyle, Andrew, 2005-12-01 Few people can talk about prisons with the authority and experience that Andrew Coyle brings to his subject A former prison governor an academic author an international activist and a practical reformer Professor Coyle knows prisons inside and out home and abroad past and present In *Understanding Prisons* he uses his impressive expertise to guide researchers through the changing world of the English prison The result is an accessible up to date and highly informative book that will be welcomed by students and practitioners alike David Garland NYU author of *The Culture of Control* Andrew Coyle has drawn on his lifelong experience of governing prisons in Scotland and England and as the former Director of the International Centre for Prison Studies Kings College London studying prisons worldwide He has written a comprehensive

account of the use of imprisonment and the character of prisons He persuasively argues that our continued extensive use of imprisonment cannot simply be explained or justified by the incidence of crime and could otherwise His book merits close attention Rod Morgan Chairman Youth Justice Board There are over nine million men women and children in prison around the world and the number of people in prison in England and Wales has increased significantly in recent years Yet in many respects prison remains the last secretive public institution in our society Understanding Prisons provides a unique in depth examination of prisons how they function what they achieve and their historical and political context The book Describes how prisons developed into their present form Looks at who is sent to prison and what happens to them while they are there Explains how the prison system and staff in England and Wales are organised Examines how order and control is maintained and how high security prisons operate Looks at prisoners families and the wider community Offers a future vision of the prison system This is essential reading for criminology and sociology students and researchers criminal justice practitioners the media and members of the public who are interested in learning more about the closed world of the prison

Partner to the Poor Paul Farmer, 2010-04-21 For nearly thirty years anthropologist and physician Paul Farmer has traveled to some of the most impoverished places on earth to bring comfort and the best possible medical care to the poorest of the poor Driven by his stated intent to make human rights substantial Farmer has treated patients and worked to address the root causes of their disease in Haiti Boston Peru Rwanda and elsewhere in the developing world In 1987 with several colleagues he founded Partners In Health to provide a preferential option for the poor in health care Throughout his career Farmer has written eloquently and extensively on these efforts Partner to the Poor collects his writings from 1988 to 2009 on anthropology epidemiology health care for the global poor and international public health policy providing a broad overview of his work It illuminates the depth and impact of Farmer's contributions and demonstrates how over time this unassuming and dedicated doctor has fundamentally changed the way we think about health international aid and social justice A portion of the proceeds from the sale of this book will be donated to Partners In Health

Prison Architecture Leslie Fairweather, Sean McConville, 2013-05-13 Current and future prison designs are examined in this book within the government's prison building programme and the confines of current penal philosophies and legislation America has led the way in prison design with two main types of architecture predominating radial layouts outside cells with windows and linear blocks inside cells with grilles Now new generation prisons central association surrounded by small groups of cells look set to become the fashion But are they a better answer and should they be copied worldwide before we know Architects and administrators show in this book the designs of these new generation prisons and assess their impact Most countries in central Europe also have a rising crime rate and a demand for new prisons Contributions from significant architects from the UK Europe and America comment on these issues Other topics within the book are setting current prison architecture and design against an historical setting looking at penal ideas and prison architecture and design in the post war period the psychological effects of the

prison environment the influence of technology and design on security management and how prison architecture and design can be more flexible and innovative

The Politics of Prison Crowding Simone Santorso, 2023-02-14

The Politics of Prison Crowding investigates recent transformations in Italy's penal system to make the key analytical observation that conditions of overcrowding have become the new normal under which the modern prison system continues to operate and deliver punishment. Engaging with the politics of crowding thus entails a direct and pertinent engagement with the modern state's politics of criminal justice and social control. Worldwide over the last decades a growing number of jurisdictions have prison systems operating above or to the limit of their capacity yet little attention has been paid to these elements in the analysis of prison politics and day to day functions. By exploring the crowding issue this book offers an original and interesting insight into the politics and dynamics characterising contemporary prison systems. The hypothesis of this book is that the politics of prison crowding have become the template for the daily administration of the prison system which incorporates not just policy and rules but day to day functions and practices regulating life behind bars. Through interviews in modern Italian prisons the book brings to light a radical redefinition of a carceral system that harshens the delivery of punishment while justifying this exacerbation of pain by adding new bureaucratic logic to the administration of the penal system within a narrative of compliance to human rights standards. By shedding new light on prison politics to open new critical perspectives and research paths The Politics of Prison Crowding offers a fundamental tool to scholars students and all professional policymakers and practitioners dealing with prison policies and the politics of justice.
