

A Tale of Two Cities

Chapter 1

The opening from *A Tale of Two Cities*
by Charles Dickens

It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going direct to Heaven, we were all going direct the other way--in short, the period was so far like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only.

Tuesday Warm-up: What is the tone of the above paragraph? Why? (This is a short answer)

Muldoon,2024-04-11 Many of us have been affected by trauma and struggle to manage our health and well being The social psychological approach to health highlights how social and cultural forces as much as individual ones are central to how we experience and cope with adversity This book integrates psychology politics and medicine to offer a new understanding that speaks to the causes and consequences of traumatic experiences Connecting the personal with the political Muldoon details the evidence that traumatic experiences can under certain conditions impact

people's political positions and appetite for social change. This perspective reveals trauma as a socially situated phenomenon linked to power and privilege or disempowerment and disadvantage. The discussion will interest those affected by trauma and those supporting them as well as students, researchers, practitioners and policy makers in social psychology, health and clinical psychology and political science. [A Tale of Two Cities: The Decline and Fall of the "Uyaya-Vedantins" - An outline of the History of Sri Vaishnavas of Tamil Nadu that was never Written.](#) M.K. Sudarshan, 2024-10-16 This book is an expansive outline of history which at the same time is also a very comprehensive history of the Sri Vaishnava community of Tamil Nadu, India. It spans a period of 1000 years from the 11th century CE to the present day. The historical narrative is woven around a tale of two cities, i.e. Sri Rangam and Kanchipuram, the two towns in South India from where a titanic struggle for ownership, power, legitimacy and control over not only temples but also for the very self-identity of the Sri Vaishnava identity was waged for over seven centuries by two major sects, the Tenkalais and Vadakalais. The struggle continues to this day, having been dragged deeply into and getting increasingly embroiled in the larger issues and dynamics of the Tamil State, socio-politics, viz. language, ethnology, demography and culture. The tale of two cities is a historical narrative about grievous loss of religious legacy, debility of cultural identity and decline of economic prosperity arising from social alienation. This book is an absorbing tale of human frailties of ambition, greed, deceit, envy, malice and betrayal. [A Tale of Two Cities, and Sketches by Boz](#) Charles Dickens, 1880 **Notes and**
