Christian Education Lawrence O. Richards, Larry Richards, 1988 This is a book that relentlessly pursues defining the goals of Christian education and then offers a plan in keeping with those goals So many books in the field assume the goals and simply describe the methods Not so Larry Richards His biblical and theological analysis conveys an excitement that makes Christian education a mission not just a responsibility And still his approach is eminently practical insightful and motivational

Gangel, Warren S. Benson, 2002-03-05 A history of Christian education must not be confused with a record of the achievements of the Sunday School The discipline has advanced well beyond that stage and today's sophisticated students fully understand that no proper concept of the
