## **A Virtue Epistemology Apt Belief And Reflective Knowledge Volume I:**

**A Virtue Epistemology** Ernest Sosa, 2007-06-28 This volume presents the six John Locke lectures delivered by the author in Oxford in May and June of 2005      *A Virtue Epistemology* Ernest Sosa, 2007      Reflective Knowledge Ernest Sosa, 2009-01-08 Reflective Knowledge draws together ground breaking work in epistemology by Ernest Sosa He argues for a reflective virtue epistemology based on virtuous circularity shows how this idea may be found explicitly or just below the surface in such illustrious predecessors as Descartes and Moore and defends the view against its rivals      A Virtue Epistemology Ernest Sosa, Oxford University Press, 2007 This work presents a new approach to some of the oldest and most gripping problems of philosophy those of knowledge and scepticism The author offers an account of knowledge which can be used to shed light on different varieties of scepticism the nature and status of intuitions and epistemic normativity      Virtue Epistemology Naturalized Abrol Fairweather, 2014-05-27 This book presents four bridges connecting work in virtue epistemology and work in philosophy of science broadly construed that may serve as catalysts for the further development of naturalized virtue epistemology These bridges are empirically informed theories of epistemic virtue virtue theoretic solutions to under determination epistemic virtues in the history of science and the value of understanding Virtue epistemology has opened many new areas of inquiry in contemporary epistemology including epistemic agency the role of motivations and emotions in epistemology the nature of abilities skills and competences wisdom and curiosity Value driven epistemic inquiry has become quite complex and there is a need for a responsible and rigorous process of constructing naturalized theories of epistemic virtue This volume makes the involvement of the sciences more explicit and looks at the empirical aspect of virtue epistemology Concerns about virtue epistemology are considered in the essays contained here including the question can any virtue epistemology meet both the normativity constraint and the empirical constraint The volume suggests that these worries should not be seen as impediments but rather as useful constraints and desiderata to guide the construction of naturalized theories of epistemic virtue      **Virtue Epistemology: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Philosophy a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study Philosophy Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com)      **Virtuous Thoughts: The Philosophy of Ernest Sosa** John

Turri,2013-03-14 This collection is a major contribution to the understanding and evaluation of Ernest Sosa's profound and wide ranging philosophy in epistemology and beyond A balanced fair and critical volume it offers a sensitive appreciation of his wide philosophical purview a nuanced assessment of the detail of his thought and a spur to exploring the linkages between the varied topics explored by the subtle mind of this great American scholar The papers explore a wealth of Sosa's academic interests including his work on philosophical method the philosophy of mind and language metaphysics and value theory in addition to his output on epistemology itself It offers for example a rebuttal of the counterarguments to Sosa's reliabilist theory of introspective justification which itself concludes with some objections to Sosa's stated views on the speckled hen problem Other authors track the connections of his virtue theory to his advocacy of bi level epistemology provide reflections on Sosa's views on the epistemological tradition and examine the nexus of his beliefs on intuition and philosophical methodology This volume is an insightful reckoning of Sosa's academic account **Apt Belief and Reflective**

**Knowledge: A virtue epistemology** Ernest Sosa,2007 **Virtue Epistemology** John Greco,John Turri,2012-08-03 A collection of essential readings that chart the development of a diverse and flourishing field Virtue epistemology is a diverse and flourishing field one of the most exciting developments in epistemology to emerge over the last three decades Virtue epistemology begins with the premise that epistemology is a normative discipline and accordingly a central task of epistemology is to explain the sort of normativity that knowledge justified belief and the like involve A second premise is that a focus on the intellectual virtues individual intellectual excellences is essential to carrying out this central task This collection offers some of the most influential and agenda setting work at the heart of virtue epistemology's research program Taken together they will equip the reader to enter the ongoing discussion and debate in the field The selections range from seminal contributions by Ernest Sosa who introduced the notion of intellectual virtue into the contemporary literature to a study of epistemic justice that draws on *To Kill a Mockingbird* and *The Talented Mr Ripley* The readings include overviews of the field that also serve to advance the discussion investigations of the nature of knowledge reflections on the value of knowledge examinations of credit and luck and explorations of future directions for research **Social Virtue**

**Epistemology** Mark Alfano,Colin Klein,Jeroen de Ridder,2022-07-29 This collection of 19 chapters all appearing in print here for the first time and written by an international team of established and emerging scholars explores the place of intellectual virtues and vices in a social world Relevant virtues include open mindedness curiosity intellectual courage diligence in inquiry and the like Relevant vices include dogmatism need for immediate certainty and gullibility and the like The chapters are divided into four key sections Foundational Issues Individual Virtues Collective Virtues and Methods and Measurements And the chapters explore the most salient questions in this areas of research including How are individual intellectual virtues and vices affected by their social contexts Does being in touch with other open minded people make us more open minded Conversely does connection to other dogmatic people make us more dogmatic Can groups possess virtues and vices distinct

from those of their members For instance could a group of dogmatic individuals operate in an open minded way despite the vices of its members Each chapter receives commentary from two other authors in the volume and each original author then replies to these commentaries Together the authors form part of a collective conversation about how we can know about what we know In so doing they not only theorize but enact social virtue epistemology
