Summoning My Inner Ballerina Paula Mack Smith, 2012-09-21 This is an exceptional memoir Paula shares details of a life fully lived As in each and every life there are ups and downs The key is to find a way to get through each chapter each hurdle and each experience whether positive or negative Paula shares her special way of getting through them As a young girl Paula took ballet lessons At her recital a photo is taken of her in all of her glory It is the only childhood picture of her by herself without siblings This picture epitomizes the Inner Ballerina of Paula her inner beauty poise strength and confidence While we each do not have an Inner Ballerina we do each find a way to cope when necessary It is calling upon this inner self that allows Paula to cope with the many things she must face throughout her life From a tragic fire cancer of first herself then her husband a serious illness of a child to many other life experiences Paula calls upon her Inner Ballerina Paula writes with heart and with humour I love this memoir and admire Paula for her strength and honesty Jewish Community of Long Island Rhoda Miller and the Jewish Genealogy Society of Long Island , 2016 Jews have lived on Long Island since the Colonial

era and had begun developing organized Jewish communities there by the late 1800s. The earliest communities were in Lindenhurst where Congregation Neta Tzarschea incorporated a cemetery in 1876, Glen Cove where Congregation Tifereth Israel has operated since 1897, and Sag Harbor where Temple Adas Israel's original 1898 building still houses its congregation. Other initial Jewish communities formed in Kings Park, Patchogue, Bay Shore, and Greenport. Despite periods of threat from the Ku Klux Klan, the pro-Nazi Bund, and social discrimination, the Jewish community flourished in a variety of local businesses, the military, and politics. After World War II, Jewish communities expanded and developed as the region suburbanized. Long Island became home to a multitude of synagogues, Jewish day schools, and local branches of national Jewish organizations. The Jewish community continues to enrich the culture of Long Island over 100 years after its humble beginnings.

Popovers and Candlelight Marcia Biederman, 2018-09-10. Recounts the true story of an entrepreneurial woman who succeeded in a male-dominated industry in the twentieth century. What would you do with your last sixty dollars? If you were Patricia Murphy, you'd turn it into a fortune by buying a rundown Brooklyn diner. On the cusp of the Great Depression, the diner became an overnight sensation, the first of nine popular Patricia Murphy's Candlelight Restaurants that opened over the course of four decades in New York and Florida. *Popovers and Candlelight* recounts how Murphy bucked Mad Men-era sexism in a male-dominated field and created remarkable dining experiences with solid American fare, a talented staff, and eye-popping decor. Dripping in diamonds, she transcended ethnic prejudices to become a socialite and built a brand that sold fragrance as well as food. Mutinous siblings, a desperate manager, and a typhoid outbreak brought it all to an operatic end, but Marcia Biederman restores Murphy and her contributions to their proper place in women's and culinary history. This book will delight readers with its rags-to-riches story and fascinating view of class, gender, ethnicity, and food culture during much of the twentieth century. An impressive accomplishment on many counts, Biederman describes an important but forgotten chapter in mid-century restaurant history, portrays an outsize Mildred Pierce-like personality, and gives a memorable sense of postwar populuxe suburbia. Paul Freedman, author of *Ten Restaurants That Changed America*.

John Wesley and Marriage Bufford Coe,1996-04 In this book a Methodist minister examines the sources of John Wesley's ideas about marriage and shows how those beliefs found expression in the cleric's revision of the Anglican wedding service. Author Bufford W Coe describes the radical differences between a typical eighteenth century wedding and a church wedding of today. He also tells the fascinating story of Wesley's romances with Sophia Hopkey and Grace Murray based on his own private diaries and shows how those relationships as well as his miserably unhappy marriage were affected by Wesley's beliefs about matrimony. Four days after Wesley decided he would marry at the age of forty seven he spoke to a group of unmarried men and encouraged them to remain single. In the matrimonial service he devised for American Methodists Wesley eliminated the custom of the bride being given in marriage by her father although Wesley consistently taught that Christians should not marry without the consent of their parents. Wesley strongly condemned the Roman Catholic Church for requiring celibacy of its priests but his own rules required that Methodist preachers who married during their initial probationary period were thereby disqualified. In 1784 Wesley published *The Sunday Service of the Methodists in North America with Other Occasional Services*. Coe studies the components of Wesley's marriage liturgy from the Sunday Service to try to determine why Wesley revised the Anglican wedding service in the way that he did.
