American Merchant Ships And Sailors:

American Merchant Ships and Sailors Willis J. Abbot, 2010 Provides an overview of different types of American seamanship Originally published in 1902 **American Merchant Ships and Sailors** Willis John Abbot, 2017-06-06 The American Ship and the American Sailor New England's Lead on the Ocean The Earliest American Ship Building How the Shipyards Multiplied Lawless Times on the High Seas Ship Building in the Forests and on the Farm Some Early Types The Course of Maritime Trade The First Schooner and the First Full Rigged Ship Jealousy and Antagonism of England The Pest of Privateering Encouragement from Congress The Golden Days of Our Merchant Marine Fighting Captains and Trading Captains Ground Between France and England Checked by the Wars Sealing and Whaling Into the Pacific How Yankee Boys Mounted the Quarter deck Some Stories of Early Seamen The Packets and Their Exploits When the Twentieth Century opened the American sailor was almost extinct The nation which in its early and struggling days had given to the world a race of seamen as adventurous as the Norse Vikings had in the days of its greatness and prosperity turned its eyes away from the sea and yielded to other people the mastery of the deep One living in the past reading the newspapers diaries and record books of the early days of the Nineteenth Century can hardly understand how an occupation which played so great a part in American life as seafaring could ever be permitted to decline The dearest ambition of the American boy of our early national era was to command a clipper ship but how many years it has been since that ambition entered into the mind of young America In those days the people of all the young commonwealths from Maryland northward found their interests vitally allied with maritime adventure Without railroads and with only the most wretched excuses for post roads the States were linked together by the sea and coastwise traffic early began to employ a considerable number of craft and men Three thousand miles of ocean separated Americans from the market in which they must sell their produce and buy their luxuries Immediately upon the settlement of the seaboard the Colonists themselves took up this trade building and manning their own vessels and speedily making their way into every nook and corner of Europe We who have seen in the last quarter of the Nineteenth Century the American flag the rarest of all ensigns to be met on the water must regard with equal admiration and wonder the zeal for maritime adventure that made the infant nation of 1800 the second seafaring people in point of number of vessels and second to none in energy and enterprise THE SHALLOP New England early took the lead in building ships and manning them and this was but natural since her coasts abounded in harbors navigable streams ran through forests of trees fit for the ship builder's adze her soil was hard and obdurate to the cultivator's efforts and her people had not like those who settled the South been drawn from the agricultural classes Moreover as I shall show in other chapters the sea itself thrust upon the New Englanders its riches for them to gather *american merchant ships and sailors* willis j. abbot, *American Merchant Ships and Sailors* Willis J Abbot, 2020-05-25 When the Twentieth Century opened the American sailor was almost extinct The nation which in its early and struggling days had given to the world a race of seamen as adventurous as the

Norse Vikings had in the days of its greatness and prosperity turned its eyes away from the sea and yielded to other people the mastery of the deep One living in the past reading the newspapers diaries and record books of the early days of the Nineteenth Century can hardly understand how an occupation which played so great a part in American life as seafaring could ever be permitted to decline The dearest ambition of the American boy of our early national era was to command a clipper ship but how many years it has been since that ambition entered into the mind of young America In those days the people of all the young commonwealths from Maryland northward found their interests vitally allied with maritime adventure Without railroads and with only the most wretched excuses for post roads the States were linked together by the sea and coastwise traffic early began to employ a considerable number of craft and men *American Merchant Ships and Sailors* Willis J Abbot,2020-05-25 When the Twentieth Century opened the American sailor was almost extinct The nation which in its early and struggling days had given to the world a race of seamen as adventurous as the Norse Vikings had in the days of its greatness and prosperity turned its eyes away from the sea and yielded to other people the mastery of the deep One living in the past reading the newspapers diaries and record books of the early days of the Nineteenth Century can hardly understand how an occupation which played so great a part in American life as seafaring could ever be permitted to decline The dearest ambition of the American boy of our early national era was to command a clipper ship but how many years it has been since that ambition entered into the mind of young America In those days the people of all the young commonwealths from Maryland northward found their interests vitally allied with maritime adventure Without railroads and with only the most wretched excuses for post roads the States were linked together by the sea and coastwise traffic early began to employ a considerable number of craft and men American Merchant Ships and Sailors Willis Abbot,2016-11-17 In all times and ages the deeds of the men who sail the deep as its policemen or its soldiery have been sung in praise It is time for chronicle of the high courage the reckless daring and oftentimes the noble self sacrifice of those who use the Seven Seas to extend the markets of the world to bring nations nearer together to advance science and to cement the world into one great interdependent whole Willis John Abbott 1863 1934 American journalist and author of several maritime books gives a detailed account of the history of merchant shipping in the United States American Merchant Ships and Sailors Willis John Abbot,1902 **American Merchant Ships and Sailors** Willis J 1863-1934 Abbot,2016-05-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages
