**Behind The Scene** Marianne Bontrager, 2022-07-28 Behind the Scene is a personal story of one little girl's experience growing up on a small Midwest farm. She was born into a large family living in poverty where her family's mode of transportation was a horse and buggy. This was required by the Amish religion her family belonged to. Early in her life her dad wanted a car. They left the Amish and joined the Mennonites. The deep dark secrets of her family's dysfunction she vowed never to expose to anyone. However that decision got her in difficult situations as an adult. Much of her under the surface unhappiness was due to the decision to never talk or tell of the abuse. When she decided to heal from the wounds she discovered this dilemma was a generational problem and much more prevalent than she imagined. It is her hope that through her journey to heal it will also give others the courage to heal. It is for those who may find themselves in this situation.
