21st century At a time when the church needs an urgent wake up call and a fresh encounter with Jesus the hyper grace message is lulling many to sleep Claiming to be a new revelation of grace this teaching is gaining in popularity but is it true Or is the glorious truth of grace being polluted by errors leading to backsliding compromise and even the abandonment of faith Hyper Grace looks at the major teachings put forth by many adherents of this grace reformation and prayerfully compares those teachings with the Word of God answering questions such as How do our sins affect our relationship with God What is the relevance of the Old Testament to our faith What does Jesus actually have to say about grace Without watering down the Bible s true message of grace Michael Brown gives you the facts demonstrating the dangers of this seductive message and showing you how to keep from being taken in

**A critical engagement with theological education in Africa** Johannes J. Knoetze, Alfred R. Brunson, 2022-02-07 The higher education landscape has arguably become one of the most arduous to traverse More so in the African context where a host of variables continuously challenge educators to reflect critically on their philosophies and practices as they engage an ever changing audience In this book a critical engagement with theological education in Africa is offered As the book originates from South Africa it is presented as a South African perspective although contributors are situated across the African continent and abroad The common denominator is that all contributors are in some way or another invested in theological education in Africa The main contribution of this collaborative work is to be sought in the insights it offers on four main areas of theological education A historical and current orientation on theological education in Africa some paradigm shifts in theological education in Africa ministerial formation needs versus theological education challenges and a critical reflection on elective models and methods The book presents the original and innovative research of scholars for fellow scholars involved in theological higher education as it is grounded in the respective fields of interest of each contributor It contributes to a better understanding of the complex African theological higher education landscape that is also mindful of post COVID 19 realities Methodologically the work draws on a combination of methods including literature studies empirical work and in some cases sectional offerings from doctoral studies as indicated in the various chapters

**What Does God Say About That?** Eunice Jewett,2019-07-17 Hopefully what all people will get from this book is that the Lord God does not want His children to have religion with Him As we see in Genesis through Revelation what He wants is a relationship with His children What I am trying to say is the daily reading of His Word When we are new we can only can get milk from the living Word Then as we grow we can read the same living Word of God but He reveals more and more to us If we are brand new He gives us what we need and if in the beginning we are too afraid to pray out loud we can pray in our minds The saying If you except Jesus your life will be a garden of roses is a lie In my walk of faith I have gone through valleys that felt like hell Then I got to a mountaintop only to go through many other paths What I know for sure is sometimes we need to go through these many troubles or rough times so that when we meet another going through close to what we have gone through we can give them the courage to stay strong in their faith in Christ Jesus because He is the only person who can get us through everything with joy peace forgiveness undeserved mercy and grace I love seeing people go from a vocal understanding to

being able to read and comprehend and being able to find facts about the living Word that they had never been able to do before     Discipled Leader Preston Poore,2021-07-20 A must read for every leader Dan T Cathy Chairman and CEO at Chick fil A Inc Preston Poore has spent decades in corporate America Despite all the excellent advice he was given for growing in leadership there was something missing a way to bring his Christian beliefs to bear in his professional life not just his personal life So Preston sought his own answer to how his faith could impact his management of hundreds of employees What he discovered was this the first step wasn't adjusting his leadership style Instead he needed to let God change him before he could effect real change in his workplace And in order to model discipleship to his team he needed to first be discipled by the Spirit Here in the day to day practice of being a disciple of Jesus Christ Poore found where his faith and exceptional leadership intersect Through personal stories biblical principles and hands on workplace guidance Poore offers readers a unique look at this seldom discussed connection He challenges struggling leaders to engage in the hard work of daily discipleship And he charges experienced leaders to return to the fundamentals of their faith encouraging them to disciple other Christians with leadership potential For anyone wrestling with how to bring faith to the workplace whether it be a cubicle or a boardroom Discipled Leader reveals that leadership doesn't begin behind the desk it begins in the soul

Life Principles of the Master Wilson David,2007 The Sermon on the Mount spoken so long ago contains the most concentrated teachings of Jesus in the Scriptures In Jesus day the prevailing religion claimed to serve the true God however it had been distorted by the commandments and doctrines of men Sadly little has changed Jesus words from long ago still startle and challenge us Yet we must remember they are the words of heaven and therefore must be followed Following the words and teachings of Jesus has always required coming apart from the crowd and the prevailing religions of the day Following the life principles of the Master requires us to be still and know that I am God Psalm 46 10 It means being alone with God understanding the littleness of our lives and bowing before the Master of the universe whose words spoken so long ago still speak blessings today to all who will listen     *Who Am I?* Mike Shreve,2016-07-05 Understand your God given names and walk boldly in the roles that He has assigned for you Throughout their lives many people struggle to fit in find their reason for existence and truly know who they are For children of God this does not have to be the case There are hundreds of names and titles in the Bible that describe the people of God Studying these names will give you a powerful panoramic view of who you are in Christ Each title reveals what your purpose is presently and also the destiny that is unfolding before you both in this world and the world to come Fifty two of the most powerful names that belong to the body of Christ are explained in this book You will understand the meaning of these names boldly affirm This is who God says I am and reflect this confidence in your daily life
