## **Amputee Devotee Fiction Stories:**

Gendering Disability Bonnie G. Smith, Beth Hutchison, 2004 Disability and gender are becoming increasingly complex in light of recent politics and scholarship This volume provides findings not only about the discrimination practised against women and people with disabilities but also about the productive parallelism between the two categories Amputation on Request Alex Mensaert, 2011-07-21 Did you know that there are people who want to have a disability Most of them want an amputation They are called wannabes During the last years they had so many different names Apotemnophile BDD BIID Did you know that there are people attracted to disability amputees They are called devotees Alex the writer of this book explains more about his investigations and meetings with wannabes and admirers of amputees Some people think that Alex is also a wannabe Is he And what does he think about them Alex met a lot of devotees mostly female admirers and tell his stories about relations he had with them Some Chinese man even pay a woman to become an amputee What is a wannabe what is a need to be why are some people pretenders You all will find it out in this book written by Alex who is a triple amputee this is the POCKET version also available in A5 **A Long Time Coming** Heather Van Fleet, 2013-11-11 Abigail Orson has a problem A love problem to be precise and she has absolutely no idea how to go about fixing it For years now she has been chasing her best friend s brother demanding things from him that he s never wanted to give For one A real relationship that surpasses well beyond that dreaded just friends zone You see David Anderson is her idea of perfection to a T The one and only guy who has ever had the ability to make her heart beat faster make her toes curl with the simple blink of his long girly lashes But David is also a recovering amputee and the only thing he really wants from Abigail is to be left alone Abigail is a fighter though and losing the one guy who has ruined her for every other is no longer an option A guy with one leg who has lost his motivation to live to love to actually be a man David believes he s a waste of space If only the beautiful girl of his unattainable dreams would get that through her perfect blonde stubborn head He s not the right guy for Abigail He ll never be worthy of what she deserves However staying away is almost impossible especially when he s just as in love with her as she is with him But Abigail has a life ahead of her one that s definitely livable without a nineteen year old gimp like him holding her down What makes her want to stick around is beyond questionable to David s mind Choices will be made Lines will be drawn And together they will face challenges that nobody saw coming David and Abigail may have had almost fourteen years to fall in love but the thing is timing and love have never exactly worked in their favor It has been years in the making and definitely A Long Time Coming for David and Abigail Let s hope they don t screw it up before they actually have the chance to get it right **One on One** John Richmond, 2005-05 Snap little did the beautiful Nicola realise that one cheeky refrain could lead to more than she had dared to hope for since a brush with cancer left her as a through the hip amputee But meeting Henry Nicola s perfect match in every way including physically begins a new chapter in her life one where anything is possible In this tale of amazing courage in the face of adversity Richmond writes with an emotional frankness that is both

refreshing and moving championing the strength of the human spirit and restorative power of unconditional love as he charts his heroine's struggle for acceptance by family friends and most importantly herself John Richmond was born in the UK shortly before the outbreak of the Second World War A long career in advertising began in London with tours that included both East and West Africa before emigrating to Australia in 1966 For the past several years Richmond has worked as a freelance copywriter He is married and lives in Melbourne *Waiting for Sarah* Bruce McBay, James Heneghan, 2022 After losing his family in a horrific accident Mike meets a girl who appears to have died a violent death *One Step at a Time : a Young Woman's Inspiring Struggle to Walk Again* Lenor Madruga, 1980 *I Had It Off in Ward 26* Raymond Barry, 2006-08-01 *Sugar's Night* Katie Mettner, 2013-12-09 As the fall colors swirl around Lake Superior Tula Sugar Dubois's lodge is bright with new love and new life She's happy being a wife aunt and sister until Van unknowingly begins a dance that will lead her back through the darkness of her past Filled with doubt Sugar struggles to trust her heart and Van On the outside Sugar goes through the motions of daily life but inside the darkness traps her and she questions her priorities doubts her convictions and struggles with why Sinking further into despair Sugar sets out to ink a deal that will change her life She unexpectedly runs into an old friend and all of her doubts and fears disappear when she looks into the eyes of his newborn son It is in baby Matthew that she sees the angels among us and the path she must follow Determined to show the world her light Sugar Van and her angels step on the floor for the dance of a lifetime When the music fades and the lights come up Sugar finds the answer in the promise of faith *A Father's Hope* Judy Leigh Peters, 2003-10-01 *Special Needs* 2 K.
