**The Crucifixion of the Warrior God** Gregory A. Boyd, 2017-04-17 The Crucifixion of the Warrior God in an epic constructive investigation takes up the set of dramatic tensions between depictions of divinely sanctioned violence in Scripture and the message and life of peace of Jesus centering the New Testament Over two volumes author Gregory A Boyd argues that we must take seriously the full range of Scripture as inspired and the centrality of the crucified and risen Christ as the supreme revelation of God

*The Family Tree* Jeanne Best, 2018-10-17 Aren't we all God's children? Don't we all belong to the family of God? Would it surprise you to learn that in the Old Testament God doesn't call Himself our father and doesn't refer to people as His children? Being a member of the human race doesn't mean we automatically qualify for membership in God's family. Before Jesus took on flesh, God revealed Himself as our Creator, Maker, and King. It's only on His terms, not ours, that we become His true sons and daughters. The Family Tree offers a fresh perspective on God's relentless love and pursuit of you and reveals how you can become part of the family that God gets back. Vignettes that explore the thoughts and feelings of Bible characters propel you through the gospel to a conclusion that demands a response.

*Inventing Christic Jesuses, Volume 1* Charles A. Wilson, 2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way. Rejecting positions that insulate theology from Jesus research, the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c. 1980-2010. The volume Method analyzes for theology the methods and values of historical research on Jesus. It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production. First in defining the terms of the inquiry, Wilson locates a middle ground between hostility to questing and a too-ready application of historical results to Christology. He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus. The volume ends with a case study of retrojective Jesus production, an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom.

*Jesus, Deliver Us* Willard M. Swartley, 2019 Deliver us from the evil one is the heart's cry from the Lord's Prayer. Evil wears many faces in our modern world. This book connects the Lord's Prayer to troubles of our times: be it attacks from Satan, the wars around the world, the scourge of racism, or the mass shootings of our time. The subtitle of the book identifies the scope: This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government. While the book aims to be a biblical theology on these topics, it seeks also to address the

praxis how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ s victory over Satan sin evil and death Love your enemy confronts evil with power to transform
