Schwartz, 2008-10-01 It would seem unlikely that one could discover tolerant religious attitudes in Spain Portugal and the New World colonies during the era of the Inquisition when enforcement of Catholic orthodoxy was widespread and brutal Yet this groundbreaking book does exactly that Drawing on an enormous body of historical evidence including records of the Inquisition itself the historian Stuart Schwartz investigates the idea of religious tolerance and its evolution in the Hispanic world from 1500 to 1820 Focusing on the attitudes and beliefs of common people rather than those of intellectual elites the author finds that no small segment of the population believed in freedom of conscience and rejected

the exclusive validity of the Church The book explores various sources of tolerant attitudes the challenges that the New World presented to religious orthodoxy the complex relations between popular and learned culture and many related topics The volume concludes with a discussion of the relativist ideas that were taking hold elsewhere in Europe during this era

The Miracles of Jesus According to John Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life

Commentary on the Gospel of Matthew Charles A. Estridge, 2022-12-20 Today with so many changes in society stress in our daily lives and mistrusts among nations it is important to look to the Bible for guidance and inspiration God still speaks to men through His Word Matthew focuses on Jesus as the Messiah and the King He demonstrates that Jesus was the fulfillment of Old Testament prophecies and the promise God had made to Israel Although Matthew does not have the universal appeal of Luke he does show how Gentiles were a part of Jesus ministry in spite of His desire to focus on the people of Israel They are represented in the genealogy in the visit of the Magi in the healing of the centurion s servant the deliverance of the daughter of the Syrophenician woman the centralization of His ministry in Galilee of the Gentiles and in the Great Commission The commentary is an exposition of the Gospel of Matthew which considers the context historical background parallel passages of Scripture in addition to theological principles It includes a bibliography charts maps and other helps Its contents are designed to help pastors teachers and Bible students to read the Gospel of Matthew with greater clarity and understanding and helps them proclaim God s Word with power and conviction This new commentary on the Gospel of Matthew provides the scholar student and ministry practitioner with access to the Gospel It opens Matthew s message of Jesus as the Messiah and King with clarity and emphasis One comes away from the commentary encouraged to proclaim that same message Jesus is the Messiah and King James Railey Jr PhD Former Academic Dean A G Theological Seminary Dr Charles Estridge has given students and preachers of Scripture a great gift in this new Gospel commentary His study of Matthew is wide ranging in its sources faithful to the plain meaning of Scripture concise in structure warmly pastoral in application and irenic in its discussion of varying viewpoints Best of all the serious student of God s Word will find spiritual bread here which he or she can feed to others who hunger for the Word of

God Enjoy this exposition of Matthew s five discourses on the teachings and life of the Messiah the One who inherited the Kingdom of David and fulfilled the world changing promises made to Abraham Paul York PhD Chi Alpha Missions Training and Mobilization Dr Charles Estridge is a capable scholar and a ministry practitioner with years of experience in pastoral ministry and theological training in bible schools in America and Africa Moreover he is a man who loves Jesus Christ and who has spent his life in service for the Church Pastors teachers and students of the Bible will find his commentary full of insight into the message of the Gospel of Matthew It demonstrates careful exegesis and practical reflection on the meaning of the text It is a valuable tool that will help those called by God to preach and teach His word I highly recommend it Mark Turney President West Africa School of Theology *A Practical Discipleship Model That Fosters Spiritual Maturity* Owar Ojha Ojulu,2023-11-09 Jesus challenges us to live in him and continue living out the truth so that we claim our allegiance to Christ and live as disciples free from fear and from cultural customs that contradict the gospel message This project has found that the lack of discipleship training among the Anyuwaa churches has resulted in a lack of understanding of what this ministry entails teaching and making disciples In addition failure to embed elements of the Anyuwaa culture into the discipleship approach and the persistence of certain elements of Anyuwaa life that run counter to gospel beliefs has inflamed this crisis Therefore this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel calling people to embrace gospel values within their own cultural context When we start interpreting strong cultural beliefs and traditions through the truth of the gospel it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life our church and the hearts of our believers *Let Jesus Heal Your Hidden Wounds* Brad Long,Cindy Strickler,2001-10-01 Most people get hurt and suffer painful memories as a result of living in an imperfect world But God s original plan for humanity included spiritual emotional physical and relational wholeness Through the example of Jesus who heals from the inside out readers will learn how to experience this wholeness and assist in the healing of others *Let Jesus Heal Your Hidden Wounds* speaks to the individual who wants to be or already is involved in healing ministry This is not another technique for doing healing but a description of how the prayer minister cooperates with the Holy Spirit to bring healing and deliverance to people with hidden wounds Each chapter includes several questions for use in a Bible study setting or to provoke further personal reflection Those called to healing ministries will be taken to a new level of understanding and greater effectiveness from reading and studying this book And those with hidden wounds will find new hope for restoration and freedom *Medicine Women* Jim Kristofic,2019-04-15 In this detailed history Jim Kristofic traces the story of Ganado Mission on the Navajo Indian Reservation *A Biblical Cyclopaedia* John Eadie,1870 *A Biblical Cyclopaedia* Anonymous,2023-05-02 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to
