American Mafia A History Of Its Rise To Power:

American Mafia Thomas A. Reppetto, 2004 *American Mafia* Thomas Reppetto, 2024-03-26 Reppetto's book earns its place among the best he brings fresh context to a familiar story worth retelling The New York Times Book Review Organized crime the Italian American kind has long been a source of popular entertainment and legend Now Thomas Reppetto provides a balanced history of the Mafia's rise from the 1880s to the post WWII era that is as exciting and readable as it is authoritative Structuring his narrative around a series of case histories featuring such infamous characters as Lucky Luciano and Al Capone Reppetto draws on a lifetime of field experience and access to unseen documents to show us a locally grown Mafia It wasn't until the 1920s thanks to Prohibition that the Mafia assumed what we now consider its defining characteristics especially its octopuslike tendency to infiltrate industry and government At mid century the Kefauver Commission declared the Mafia synonymous with Union Siciliana in the 1960s the FBI finally admitted the Mafia's existence under the name La Cosa Nostra *American Mafia* is a fascinating look at America's most compelling criminal subculture from an author who is intimately acquainted with both sides of the street [A Mafia Fact Book](#) Resar Stephen, Chatgpt AI, 2025-01-28 The mysteries of the underworld are peeled back in *A Mafia Fact Book* a compendium destined to become any author's indispensable guide into organized crime's obscurity From the blood soaked roots of history to the cryptic codes that bind modern syndicates this volume pulls back the tattered curtains and illuminates the vagaries that define the mafia Burrow deep into comprehensive breakdowns of lingo shore up chilling narratives of notorious clans worldwide and unearth insider intelligence on the shadowy operations and hierarchies that dictate the underworld Whether crafting a gripping thriller or seeking to lift the hood on these elusive organizations *A Mafia Fact Book* equips one with the authentic intricacies essential to animating any story Pored over with scrupulous research this reference will establish itself as your constant companion in decoding the myth from the reality of organized criminality Crack the jargon unveil rituals and expose the inner workings of the mafia **Organized Crime in the United States, 1865-1941** Kristofer Allerfeldt, 2018-02-06 Why do Americans alternately celebrate and condemn gangsters outlaws and corrupt politicians Why do they immortalize Al Capone while forgetting his more successful contemporaries George Remus or Roy Olmstead Why are some public figures repudiated for their connections to the mob while others gain celebrity status Drawing on historical accounts the author analyzes the public's understanding of organized crime and questions some of our most deeply held assumptions about crime and its role in society [The American Mafia](#) Pasquale De Marco, 2025-05-11 *The American Mafia* is the definitive guide to the American Mafia This comprehensive book covers the Mafia's history structure activities and impact on American society In this book you will learn about the Mafia's origins in Sicily its early activities in the United States and its rise to power during Prohibition You will also learn about the Mafia's involvement in gambling racketeering and other criminal activities You will also learn about the Mafia's structure and organization You will learn about the different Mafia families their territories and

their leaders You will also learn about the Mafia s code of silence and its methods of enforcing discipline Finally you will learn about the Mafia s impact on American society You will learn about the Mafia s role in crime politics and culture You will also learn about the government s efforts to combat the Mafia and the challenges that the Mafia faces in the 21st century The American Mafia is a must read for anyone who wants to understand the American Mafia This book is packed with information insights and analysis It is the perfect book for anyone who wants to learn more about one of the most powerful and enduring criminal organizations in the world The American Mafia is written by Pasquale De Marco a leading expert on the American Mafia Pasquale De Marco has spent years researching the Mafia and he has interviewed dozens of Mafia members law enforcement officers and other experts The American Mafia is the culmination of Pasquale De Marco s years of research and experience The American Mafia is a groundbreaking book that will change the way we think about the American Mafia This book is a must read for anyone who wants to understand one of the most powerful and enduring criminal organizations in the world If you like this book write a review on google books

The Oxford Handbook of Organized Crime Letizia Paoli,2014 This handbook explores organized crime which it divides into two main concepts and types the first is a set of stable organizations illegal per se or whose members systematically engage in crime and the second is a set of serious criminal activities that are typically carried out for monetary gain G. T. Harrell,2008-09 Seldom if ever has a writer been given access to a former major drug dealer in the Mafia underworld and three generations of family members that followed After nearly two years of interviews and subsequent research it has been discovered that a close relative of the family was one of the most powerful figures in the Mafia from the 1940s to the mid 1990s yet his identity until now has never been revealed He was the consigliere for all of the American Mafia The book tells in detail the life and times of a family who escaped the threat of Fascism in Sicily at the turn of the century and the rise of one of the children to a major figure in the Mob Another sibling returned from a tragic life in an orphanage only to become an adept criminal He ultimately spent twenty years off and on in prison with the Whos Who of the Mafia men who became friends and had secret stories to tell After prison he became one of the pioneers of Off Off Broadway in NYC and later was responsible for the regeneration of Little Italy in the Lower East Side of NYC The book details the influence and protection afforded later generations of the family to this day It offers a unique insight into the real life of people during this 100 year period Myths about the Mob are disclosed and inaccuracies in the history of the Mafia are corrected It is a very compelling epic true story It is a book you will not be able to put down Look on www.mafiasecretjudge.com for further details *Mafias on the Move* Federico Varese,2013-02-24

Annotation Organised crime is spreading like a global virus as mobs take advantage of open borders to establish local franchises at will This book argues that mafiosi often find themselves abroad against their will rather than through a strategic plan to colonise the territories **The Cuban Connection** Eduardo Sáenz Rovner,2009-06-01 A comprehensive history of crime and corruption in Cuba The Cuban Connection challenges the common view that widespread poverty and

geographic proximity to the United States were the prime reasons for soaring rates of drug trafficking smuggling gambling and prostitution in the tumultuous decades preceding the Cuban revolution Eduardo Saenz Rovner argues that Cuba s historically well established integration into international migration commerce and transportation networks combined with political instability and rampant official corruption to help lay the foundation for the development of organized crime structures powerful enough to affect Cuba s domestic and foreign politics and its very identity as a nation Saenz traces the routes taken around the world by traffickers and smugglers After Cuba the most important player in this story is the United States The involvement of gangsters and corrupt U S officials and businessmen enabled prohibited substances to reach a strong market in the United States from rum running during Prohibition to increased demand for narcotics during the Cold War Originally published in Colombia in 2005 this first English language edition has been revised and updated by the author

Saps, Blackjacks and Slungshots: A History of Forgotten Weapons Robert Escobar,2018-05-31 **The Evolution of Human Sociability** Ron Vannelli,2015-09-25 How do desires and fears motivate human sociability What effect do these motivators have on reproductive social and political behaviour And crucially how might we understand them separate from preconceived notions of design or higher morality Taking these questions as a focus this book examines human evolution with the emphasis on sexual selection and the evolution of a number of human psychological processes Exploring evolutionary sexual and maturational processes along with primate fossil and geological evidence Vannelli argues that human nature can be conceptualised as species typical desires and fears derived from sexual selection during human evolution and that these are major motivators of behaviour Presenting additional evidence from the anthropology of band societies along with material from group behaviour Vannelli highlights the importance of pair bonding friendship alliance behaviour vengeance seeking and interpersonal politics in social behaviour providing a unique interdisciplinary framework for understanding human nature and the evolution of human sociability *Mafia Movies* Dana Renga,2019-07-05 The mafia has always fascinated filmmakers and television producers Al Capone Salvatore Giuliano Lucky Luciano Ciro Di Marzio Roberto Saviano Don Vito and Michael Corleone and Tony Soprano are some of the historical and fictional figures that contribute to the myth of the Italian and Italian American mafias perpetuated onscreen This collection looks at mafia movies and television over time and across cultures from the early classics to the Godfather trilogy and contemporary Italian films and television series The only comprehensive collection of its type Mafia Movies treats over fifty films and TV shows created since 1906 while introducing Italian and Italian American mafia history and culture The second edition includes new original essays on essential films and TV shows that have emerged since the publication of the first edition such as Boardwalk Empire and Mob Wives as well as a new roundtable section on Italy s other mafias in film and television written as a collaborative essay by more than ten scholars The edition also introduces a new section called Double Takes that elaborates on some of the most popular mafia films and TV shows e g The Godfather and The Sopranos organized around themes such as adaptation gender

and politics urban spaces and performance and stardom *Judgment and Mercy* Martin J. Siegel, 2023-03-15 As featured on CBS Saturday Morning Finalist for the 2023 National Book Critics Circle John Leonard Prize In *Judgment and Mercy* Martin J. Siegel offers an insightful and compelling biography of Irving Robert Kaufman the judge infamous for condemning Julius and Ethel Rosenberg to death for atomic espionage In 1951 world attention fixed on Kaufman s courtroom as its ambitious young occupant stridently blamed the Rosenbergs for the Korean War To many the harsh sentences and their preening author left an enduring stain on American justice But then the judge from Cold War central casting became something unexpected one of the most illustrious progressive jurists of his day Upending the simplistic portrait of Judge Kaufman as a McCarthyite villain Siegel shows how his pathbreaking decisions desegregated a Northern school for the first time liberalized the insanity defense reformed Attica era prisons spared John Lennon from politically motivated deportation expanded free speech brought foreign torturers to justice and more Still the Rosenberg controversy lingered Decades later changing times and revelations of judicial misconduct put Kaufman back under siege Picketers dogged his footsteps as critics demanded impeachment And tragedy stalked his family attributed in part to the long ordeal Instead of propelling him to the Supreme Court as Kaufman once hoped the case haunted him to the end Absorbingly told *Judgment and Mercy* brings to life a complex man by turns tyrannical and warm paranoid and altruistic while revealing intramural Jewish battles over assimilation class and patriotism Siegel who served as Kaufman s last law clerk traces the evolution of American law and politics in the twentieth century and shows how a judge unable to summon mercy for the Rosenbergs nonetheless helped expand freedom for all **God's Law and Order** Aaron Griffith, 2020-11-10 Winner of a Christianity Today Book Award An incisive look at how evangelical Christians shaped and were shaped by the American criminal justice system America incarcerates on a massive scale Despite recent reforms the United States locks up large numbers of people disproportionately poor and nonwhite for long periods and offers little opportunity for restoration Aaron Griffith reveals a key component in the origins of American mass incarceration evangelical Christianity Evangelicals in the postwar era made crime concern a major religious issue and found new platforms for shaping public life through punitive politics Religious leaders like Billy Graham and David Wilkerson mobilized fears of lawbreaking and concern for offenders to sharpen appeals for Christian conversion setting the stage for evangelicals who began advocating tough on crime politics in the 1960s Building on religious campaigns for public safety earlier in the twentieth century some preachers and politicians pushed for law and order urging support for harsh sentences and expanded policing Other evangelicals saw crime as a missionary opportunity launching innovative ministries that reshaped the practice of religion in prisons From the 1980s on evangelicals were instrumental in popularizing criminal justice reform making it a central cause in the compassionate conservative movement At every stage in their work evangelicals framed their efforts as colorblind which only masked racial inequality in incarceration and delayed real change Today evangelicals play an ambiguous role in reform pressing for reduced imprisonment while backing law and order

politicians God's Law and Order shows that we cannot understand the criminal justice system without accounting for evangelicalism's impact on its historical development

The First Family Mike Dash, 2011-06-09 Before Al Capone and Lucky Luciano there was the one fingered cunning Giuseppe Morello and his murderous coterie of brothers Had it not been for Morello the world may never have heard of men of honour the code of omertà or Mafia wars This explosive book tells the story of the first family of New York and how this extended close knit clan of racketeers and murderers left the backwaters of Sicily to successfully establish themselves as the founding godfathers of the New World First Family will explain in thrilling characterful detail how the American Mafia established itself so successfully Combining strong narrative and raw violence set against the raucous bustle of early twentieth century New York and the impoverished rural life of nineteenth century Sicily this impeccably researched groundbreaking study of a crucial period of American history is a compelling portrait of the early years of organised crime

Bootlegged Aliens Ashley Johnson Bavery, 2020-09-25 In contemporary discourse much of the discussion of U S border politics focuses on the Southwest In *Bootlegged Aliens* however Ashley Johnson Bavery considers the North as a borderlands region demonstrating how this often overlooked border influenced government policies toward illegal immigration business and labor union practices around migrant labor and the experience of being an illegal immigrant in early twentieth century industrial America Bavery examines how immigrants politicians and employers helped shape national policies toward noncitizen laborers In the process she uncovers the northern industrial origins of an exploitative system that emerged on America's border with Canada whose legacy remains central to debates about America's borders today Bavery begins in the 1920s to explore how that decade's immigration restrictions launched an era of policing and profiling that excluded America's foreign born from the benefits of citizenship On the border between Detroit and Windsor Canada this process turned certain Europeans into undocumented immigrants a group the press and policymakers referred to as bootlegged aliens Over the next decade deportation and policing practices stigmatized entire communities of ethnic Europeans regardless of their legal status Moreover restrictive laws allowed manufacturers to exploit workers in new ways By the Great Depression citizenship had become an invisible boundary that excluded hundreds of thousands of laborers from New Deal entitlements Accepted wisdom suggests that the 1924 Immigration Act had allowed ethnic Europeans to shed ties to their homelands and assimilate into the melting pot of American culture by the 1930s Bavery challenges this perspective finding that instead of forging a common culture with their fellow workers European immigrants coming through Canada to Detroit faced statewide registration drives exclusion from key labor unions and disqualification from the Works Progress Administration the cornerstone of America's nascent welfare state In the heart of industrial America *Bootlegged Aliens* reveals citizenship was highly contingent

King of the Godfathers: Anthony M. DeStefano, 2008-06-01 The Last Of The Old World Mob Bosses And The Ultimate Betrayal For more than twenty years Joseph Big Joey Massino ran what was called the largest criminal network in the U S employing over two hundred and fifty made men and untold numbers of

associates The Bonanno family was responsible for over thirty murders even killing a dozen of its own members to enforce discipline and settle scores He would be brought down by Salvatore Good Looking Sal Vitale the underboss who was not only Massino s closest and most trusted friend but also his brother in law In the end facing the death penalty and the prospect of leaving his family penniless Massino started talking to the FBI the first Mafia Godfather to break the sacred code of omerta and the end of a centuries old tradition Written by Pulitzer Prize winning reporter Anthony DeStefano who interviewed Massino s family and friends as well as law enforcement officials and confidential sources King of the Godfathers is the story of the brutal mob war that made Massino head of the Bonanno family and the most powerful gangster in America The best and last word on the subject Jerry Capeci Gangland News com and bestselling co author of Murder Machine With 16 Pages of Revealing Photos Anthony Destefano was part of the team of New York Newsday reporters who won the 1992 Pulitzer Prize for coverage of the August 1991 subway crash in Manhattan He covers organized crime for Newsday and was the lead reporter on several major criminal trials including that of subway gunman Bernhard Goetz He lives in New Jersey

Global Organized Crime Mitchel P. Roth,2017-01-20 In the maelstrom of globalization and cyberspace organized crime continues to defy definition A diverse array of activities is perpetuated by criminal organizations criminal groups and associations and gangs and it is clear that one specific label is no longer adequate This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century As well as discussing definitions of and the historical roots of organized crime this book examines various forms of organized crime around the world in the US Mexico Latin America and the Caribbean Russia and Europe Asia and Africa This revised and updated new edition includes coverage of the rise of the Ndrangheta in Italy and their global expansion the impact of drug legalization on organized crime and the problem of methamphetamine organ trading money laundering and animal poaching changes in gang traditions and gangland penitentiaries the decentralization of Mexican cartels the growth of opium production in Myanmar and the drug war in Africa and the advancement of ISIS and the emergence of the Silk Road and the Dark Net This book is essential reading for students engaged in the study of global and transnational organized crime with features including chapter overviews key terms critical thinking questions and case studies

Gangs Anna Collins,2019-07-15 Gangs have both worried and fascinated Americans for many years but gangs are not a uniquely American problem they can be found all over the world from Sweden to Japan Most of what people learn about gangs through movies and television does not reflect the reality researchers have discovered through firsthand studies of gang life The detailed main text informative charts annotated quotes from experts and full color photographs explore this reality and various social factors that allow gangs to arise With this knowledge young adults can identify areas where they can make a difference in their own communities

James Lee Burke Laurence W. Mazzeno,2017-12-18 James Lee Burke is an acclaimed writer of crime novels in which protagonists battle low life thugs who commit violent crimes and corporate executives who exploit the powerless He is best known for his Dave

Robicheaux series set in New Orleans and the surrounding bayou country With characters inspired by his own family Burke uses the mystery genre to explore the nature of evil and an individual s responsibility to friends family and society at large This companion to his works provides a commentary on all of the characters settings events and themes in his novels and short stories along with a critical discussion of his writing style technique and literary devices Glossaries describe the people and places and define unfamiliar terms Selected interviews provide background information on both the writer and his stories
