American Protestant Thought In The Liberal Era

William Dean

American Protestant Thought In The Liberal Era:

American Protestant Thought William R. Hutchison, 1968 *The Modernist Impulse in American Protestantism*
William R. Hutchison, 1992-04-30 This landmark study of American religion recipient of the National Religious Book Award in 1976 is being brought back into print with an updated bibliography The Modernist Impulse in American Protestantism traces the history of American Protestant thought from the early part of the nineteenth century to the present William R Hutchison deals especially with the modernist movement that flourished in the years around 1900 and with the colorful personalities and disputes associated with that movement

Schleiermacher's Influences on American Thought and Religious Life, 1835-1920 Jeffrey A. Wilcox, Terrence N. Tice, Catherine L. Kelsey, 2014-10-23 Here freshly researched unprecedented stories regarding modern American thought and religious life show how the scholar Friedrich Schleiermacher 1768 1834 provides ongoing influence still They describe his influence on universal rights American religious life theology philosophy history psychology interpretation of texts community formation and interpersonal dialogue Schleiermacher is an Einstein like innovator in all these areas and more This work contrasts chiefly evangelical liberal figures with others between circa 1835 and the 1920s It also looks ahead to several careers extended well into the twentieth century and offers numerous characterizations of Schleiermacher's thought In six tightly organized parts fourteen expert historians chronologically discuss the following 1 Methodist leaders 1766 1924 2 Stuart Bushnell Nevins and Hodge 3 Restorationists Transcendentalists women leaders Schaff and Rauschenbusch 4 Clarke Mullins Carus and Bowne 5 Dewey Royce Ames Knudson Brown Fosdick Cross Jones and Thurman within contemporary contexts Unexpectedly John Dewey lies at the epicenter of the narrative and Harry Emerson Fosdick and Howard Thurman bring it to its climax Recently evidence displays a broadening influence advancing rapidly The sixth part of the book surveys modern historiography Schleiermacher on history and comparative method and on psychology as a basic scientific and philosophical field That section also provides a critical survey of histories of modern theology and offers concluding questions and answers The three editors contribute twenty of the thirty one chapters

Liberalism and American Identity Patrick M. Garry, 1992 His examination of the liberal ideology and tradition in American politics reveals not only the nation's liberal identity but also the conservative tendency to label liberalism un-American as a means to circumvent discussion of social problems Garry defines liberalism through historical examples and the beliefs and leadership of prominent Americans namely Franklin Roosevelt Harry Truman and John Kennedy He then applies these principles of liberalism to a discussion of current politics and the problems of crime poverty and national defense Although arguing that the conservative attack during the 1980s greatly misrepresented the American liberal tradition Garry also acknowledges that changes within accepted liberal doctrines during the 1960s and 1970s led to a deviation of contemporary liberalism from its roots

Original Sin and Everyday Protestants Finstuen, 2010-07-13 In the years following World War II American Protestantism experienced tremendous growth but conventional wisdom holds that

midcentury Protestants practiced an optimistic progressive complacent and materialist faith In Original Sin and Everyday Protestants historian Andrew Finstuen argues against this prevailing view showing that theolog **Jesus Made in America** Stephen J. Nichols,2009-09-20 Jesus is as American as baseball and apple pie But how this came to be is a complex story one that Stephen Nichols tells with care and ease Beginning with the Puritans he leads readers through the various cultural epochs of American history showing at each stage how American notions of Jesus were shaped by the cultural sensibilities of the times often with unfortunate results Always fascinating and often humorous Jesus Made in America offers a frank assessment of the story of Christianity in America including the present For those interested in the cultural implications of that story this book is a must read *Drawn to the Gods* David Feltmate,2017-04-11 Sacred centers The difference race makes Native American Religions Hinduism and Judaism American Christianity part 1 backwards neighbors American Christianity part 2 American Christianities as dangerous threats Stigma stupidity and exclusion cults and Muslims List of episodes referenced **The American Spiritual Culture** William Dean,2006-08-22 In this book now in paperback William Dean describes the spiritual culture that is grounded in the emerging American story **The Oxford Handbook of Presbyterianism** Gary Scott Smith,Paul Charles Kemeny,2019 The Oxford Handbook of Presbyterianism provides a state of the art reference tool written by leading scholars in the fields of religious studies and history **H. Richard Niebuhr** Jon Diefenthaler,1986 The Lord's Dominion Neil Semple,1996 The Lord s Dominion describes the development of mainstream Canadian Methodism from its earliest days to its incorporation into the United Church of Canada in 1925 Neil Semple looks at the ways in which the church evolved to take its part in the crusade to Christianize the world and meet the complex needs of Canadian Protestants especially in the face of the challenges of the twentieth century The Empty Church Thomas Reeves,1998-01-07 At a time when Americans are searching for spiritual and moral renewal millions of parishioners are abandoning the churches that once embodied the very values they seek The Empty Church offers the first cogent explanation of why his has occurred and tells what can be done about it **Adventism Confronts Modernity** Robert J. Mayer,2017-02-16 Many restorationist oriented associations like the Advent Christian Church often embrace two conflicting principles First they understand the Bible s inspiration and authority in a way that minimizes the importance and value of church tradition Second they give high value to individual autonomy both in biblical interpretation and in church governance Adventism Confronts Modernity describes what can happen when these principles conflict and make it difficult to resolve theological conflict This work begins by exploring the nineteenth century historical and theological roots of early Adventism with special attention to William Miller and the theological impact of the Great Disappointment the failed prediction of the early Adventists that Jesus Christ would return visibly in 1843 or 1844 Subsequent chapters explore the Fundamentalist Modernist controversies of the early twentieth century and focus on the impact of those events on the two colleges that trained Advent Christian clergy Aurora College now Aurora University and New England School of Theology later Berkshire

Christian College After discussing theological reform efforts within the Protestant mainline and fundamentalist coalitions this book describes the conflicting views regarding the Bible's inspiration that emerged in the early twentieth century and their impact on the Advent Christian Church during the 1950s and 1960s It concludes that further reflection is needed on both the doctrine of Holy Scripture and how restorationist movements balance Christian theology with individual and congregational autonomy

The American Peace Movement and Social Reform, 1889-1918 C. Roland Marchand, 2015-03-08 The history of the peace movement in the United States was one of dramatic change in the mid IKWs it consisted of a few provincial societies by 1912 it had become eminently respectable and listed among its members an impressive number of the nation's leaders by 1918 it was once again weak and remote from those who formulated national policy Along with these fluctuations went equally substantial changes of leadership and purpose that as C Roland Marchand emphasizes reflected the motives of the various reform groups that successively joined and dominated the movement Most of those who joined were not devoted solely to the cause of world peace but saw in the programs of the movement a chance for the fulfillment of their own more immediately relevant goals Consequently the story of the peace movement reflects the concerns of such groups as the international lawyers who wanted a world court of arbitration as an alternative to war the business leaders who believed that international economic stability would be endangered by war and the labor unions who felt that the working class suffered most in war Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Kingdom of Character Michael Parker, 2008-01-09 The Unseen Heroes of the Global Missionary Movement The Student Volunteer Movement for Foreign Missions was a Protestant missionary recruiting organization Launched in the late nineteenth century it played an indispensable role in the creation of the modern missionary movement While it was influenced by the optimism and expansiveness that characterized Americans at the turn of the century it also mirrored the period's provincialism and ethnocentrism The Kingdom of Character provides a thorough history of the Student Volunteer Movement SVM exposing both its strengths and weaknesses Parker highlights how these student leaders addressed issues such as gender roles the social impact of World War I and various internal controversies while emphasizing an American middle class worldview that stressed the Victorian idea of character in their hope to spread the gospel around the world The Kingdom of Character is a great read for those interested in the creation of the modern missionary movement

What Is Truth? James Emery White, 2006-09-01 SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD In this postmodern age truth especially religious or moral truth is widely criticized and constantly challenged yet perhaps more important than ever It was this

realization that led James Emery White to examine the concepts of truth as held by five twentieth century theologians Cornelius Van Til Millard J Erickson Francis A Schaeffer Donald G Bloesch Carl F H Henry **Pauline Theology** E. Earle Ellis, 2005-02-08 The book should provide a lively counterpoint to both the standard liberal and conservative treatments in courses on Paul's view of ministry Theology Today Ellis' judicious treatment and penetrating analysis of the relevant biblical material will force many of us to think more precisely about the concept of ministry in Paul's writings how ministry manifested itself in the churches of his day and what are its implications for us today Westminster Theological Journal Ellis gives a sound critique of liberation theology and sociopolitical action as ministry He gives a balanced view of the gifts and the fruit of the Spirit and on biblical grounds he defends the ordination of single and with qualifications married women Challenging but meant for the intelligent church member Librarian's World It's a gem It is a delightful summary in popular form of themes that Ellis has been at work on throughout his years of productive scholarship It is copiously footnoted with concise bibliographies on the points at hand Hence this short book becomes encyclopedic Calvin Theological Journal A splendid tour de force in the best sense James G D Dunn These essays represent in many respects a valuable corrective to much of what passes for biblical theology in our times Paul J Achtemeier *Establishing a Pure Land on Earth* Stuart Chandler, 2004-07-31 With more than 150 temples in thirty countries Foguangshan has developed over the last thirty five years into one of the world's largest and most influential Chinese Buddhist movements The result of two years of fieldwork in Foguangshan temples in Taiwan the U S Australia and South Africa this volume is an unprecedented examination of the inner workings of a dynamic and innovative religious movement Based on direct observations private interviews and careful textual and historical analysis Stuart Chandler looks at the challenges faced by Foguangshan's leader Master Xingyun and his followers as they try to adhere to traditional practices and values while tapping into the advantages afforded by modern global society Foguangshan's slogans Humanistic Buddhism and Establishing a Pure Land on Earth are placed in historical context to reveal their role in shaping the group's attitudes toward capitalism women's rights and democracy as well as toward the traditional Chinese virtue of filial piety and the Chinese Buddhist concept of links of affinity jieyuan Chandler goes on to analyze Foguangshan's educational system and its understanding of how precepts relate to contemporary problems such as abortion and capital punishment The book's final chapters consider the cultural and political dynamics at play in Foguangshan's ambitious attempt to spread Humanistic Buddhism around the world and how its followers have reinterpreted the Buddhist ideal of homelessness to take advantage of the spiritual potentialities of people's lives as global citizens *The Presbyterian Controversy* Patrick Baskwell, 2009-02-13 A study of the development of doctrine surrounding the controversy of the 1930s in the Presbyterian church in America Paperback 271 pages Dr Patrick Baskwell Protestant Theology and Modernity in the Nineteenth-Century Netherlands Arie L. Molendijk, 2021-12-24 This book examines how nineteenth century Dutch Protestant theologians and thinkers met the challenges of the modernizing world around them

American Protestant Thought In The Liberal Era Introduction

In the digital age, access to information has become easier than ever before. The ability to download American Protestant Thought In The Liberal Era has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download American Protestant Thought In The Liberal Era has opened up a world of possibilities. Downloading American Protestant Thought In The Liberal Era provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading American Protestant Thought In The Liberal Era has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download American Protestant Thought In The Liberal Era. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading American Protestant Thought In The Liberal Era. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading American Protestant Thought In The Liberal Era, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download American Protestant Thought In The Liberal Era has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About American Protestant Thought In The Liberal Era Books

1. Where can I buy American Protestant Thought In The Liberal Era books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a American Protestant Thought In The Liberal Era book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
