coffee shops practicing their fight choreography and hiring henchmen to do their bidding mostly just getting them coffee they realize they have a lot more in common than names that annoyingly rhyme After all they're still rising through the ranks in their respective circles and their reputations need good press But not everything in the superhero world is as it seems Can a hero really trust a villain to do the right thing And can a villain trust a hero not to screw them over As darkness from the past threatens them both they may need each other for the fight to come one with much higher stakes than their choreographed meet ups on weekends Told entirely through texts transcriptions and direct messages this darkly humorous chat fiction rom com goes behind the scenes of the superworld
