Jeopardy Career Game For Middle School:

How Public Schools Destroy Your Children's Lives and Careers Sandro Sehic, 2010-06 Educating your children in the public schools does not take one minute or perhaps one day Education is a life long process and whether we like it or not the fact is it never stops Your children will spend the most important part of their lives at the public schools and whatever they learn at those schools will impact their lives as long as they live What really happens to your children at public schools each day Do you think that your children are learning useful information in today s schools If you think that your children will leave today s public schools properly prepared for real life the answer is no you are WRONG Public schools have failed Many teachers are not properly educated with the appropriate teaching certification School administrators constantly sell lies about the success of their students when in reality they are failing miserably today Courses and exams are designed to be very simple so that they no longer test the knowledge of our children properly The greatest portion of school budgets is spent on the salary of local school administrators Almost everything your children learn in today s public schools is useless Teaching positions are no longer designed for the smartest and most qualified teachers they have become political positions that anyone can hold as long as they get approved by the school board It s not too late to do something to turn this around How Public Schools Destroy Your Children s Lives and Careers offers thoughts and solutions on this hot button topic

DaLawn Parrish The Man Who Became a WISE Coach DaLawn Parrish, Gary A. Hughes, 2024-04-30 This colorful memoir captures and highlights the ups and downs of an African American boy who never stopped dreaming even as he became a man Coach DaLawn Parrish is a living legend and is not even fifty years old He has won six Maryland state championships and has nine state final appearances in only seventeen seasons DaLawn was being raised by his mother in Baltimore City when his little brother accidentally set a fire in their tiny apartment that destroyed the kitchen as well as the upper part of the building His family was forced to move DaLawn s mother was able to move her young family to Severn Maryland but it was in a highly drug infested area called Pioneer City When DaLawn was in high school his mother moved the family to Columbia Maryland and this is where DaLawn Parrish evolved into a highly decorated prep school football star He eventually went on to become a star football player at Wake Forest University however because of his own acknowledged mistakes a lack of guidance from Wake Forest University and the business side of professional football DaLawn was unable to fulfill his dream of making it to the NFL However his dreams and plans to be a successful teacher and a winning high school head football coach came true and has been amazing The journey came with its ups and downs which included stints as an assistant high school football coach in Howard County Maryland a pit stop year as a graduate assistant for the Rutger s University football team and a total of only four wins in his first three seasons as a head football high school coach Lastly Coach DaLawn Parrish s cold and unemotional stone cold face on the sidelines looks very intimidating during football games Fans who only see his stoic demeanor on the sidelines will discover a humble side of Coach Parrish they never knew existed Enjoy Coach P was one of those coaches who believed in me when nobody else did He knew talent when he saw it and he would get everything that he could out of you He s one of those coaches you want to play

for you want to make plays for and you want to make him proud of you Personally I don't think I would have gotten the opportunities that came my way when I was coming out of high school without him I started playing football late and I made it further than the ones who were most talked about Ryan Smith Tampa Bay Buccaneers Coach P was the best coach I've ever had Real live pushed me to be great and would not accept anything else He made me want to be great and go show my talents He strengthened my mentality and helped me take those lessons to become a great man on and off the field Zach Pascal Arizona Cardinals Coach Parrish is not only a great and winning coach but a mentor and great builder of men especially coming from the circumstances I've come from During those times Coach Parrish took me in as his own and helped me become the man I am today Thank you Savion Williams XFL Coach Parrish helped instill in me a certain toughness edge about myself that I still carry until this day The culture he created truly gave us a head start and advantage over others It has allowed me to understand how to win at every level I play football John Daka Houston Roughnecks XFL Coach DaLawn Parrish is the reason I'm where I'm at currently in my career which is five years active in the NFL This man helped me reach my dreams that I thought were impossible to achieve Coach P pushed me to be the best in every area in my game and as a man Coach P installed discipline and structure into my life not only on the field but off the field as well Coach P wasn't just grooming elite athletes to get a free education and possibly reach the NFL he was also training young men to become stand up men Marcus Allen Pittsburgh Steelers
