**Reimagining Nigeria's Educational System** Joseph A. Balogun, 2023-09-20 This book assesses the challenges within the Nigerian educational system and provides a concrete plan to revitalize the low performing system by strengthening high stakes testing at all levels In Nigeria many citizens believe that the solution to the country's low performance in education is to eliminate high stakes standardized testing High stakes testing refers to applying standardized student achievement tests as a primary mechanism to evaluate students teachers and their school's performance This book argues that the poor quality of education and low ranking of Nigeria's educational system is not related to the negative consequences of high stakes testing but rather is due to many intrinsic factors By conducting a comparative analysis of six high performing education systems worldwide the book offers a comparative summative evaluation of the educational system and offers recommendations This book will be of interest to policymakers and scholars in the fields of African education higher education quality and global studies African studies management and administration leadership and professional development studies Joseph Abiodun Balogun is former Dean and retired Distinguished University Professor at the College of Health Sciences Chicago State University USA Visiting Professor Program Consultant at the Centre of Excellence in Reproductive Health Innovation University of Benin Nigeria and President CEO Joseph Rehabilitation Center Tinley Park Illinois USA

**Unintended Consequences of Internationalization in Higher Education** Shahrzad Kamyab, Rosalind Latiner Raby, 2023-02-08 By presenting case studies of internationalization in institutions of higher education around the world this volume identifies unforeseen or unintended impacts within and across countries With contributions from Africa Asia Europe Latin America Middle East and North America the volume considers the nature and origin of positive and negative unintended consequences of internationalization policy and practice in national contexts while also offering uniquely comparative insights Chapters consider how internationalization is reflected in curricula teaching research and mobility initiatives to highlight common pitfalls as well as best practice for effective sustainable and equitable internationalization globally Using a critical lens the

book explores how internationalization offers opportunities for learning for entrepreneurial change and for knowledge dissemination and generates paradoxes and dilemmas in terms of political and ethical issues for individuals communities and the institutions themselves Foregrounding the study of internalization in countries not typically studied this book is a valuable resource for researchers and academics with an interest in internationalization comparative and international education and the sociology of education
