UNESCO

Jomo Kenyatta University September 2015 Intake:

Regionalization of African Higher Education Jane Knight, Emnet Tadesse Woldegiorgis, 2017-04-17 Growth in the scope scale and importance of higher education regionalization should not be underestimated or ignored Africa like Asia Europe and Latin America is promoting deeper cooperation among higher education bodies and institutions across the continent and focusing more attention on Pan African and sub regional harmonization of policies and programmes This is the first book which brings together diverse scholars and policy experts to examine key aspects and challenges of African higher education regionalization Chapters examine the progress and prospects of core regionalization issues and strategies such as academic mobility quality assurance recognition of qualifications research centres and networks curriculum and competencies and regional academic programmes Other chapters discuss important themes such as the relationship between regionalization internationalization and Africanization historical antecedents and perspectives an analytical model to understand functional organizational and political approaches to Africa's higher education regionalization and the influence of the Bologna process on the African Union's Strategy for the Harmonization of Higher Education Programmes Together these chapters provide a comprehensive overview of efforts by the African Union sub regional higher education associations such as IUCEA SARUA and CAMES Pan African organizations and actors key research networks and centres of excellence and the involvement or dependence on external actors and funders especially from Europe Fundamentally the book asks the question whether higher education regionalization in Africa is more rhetoric than reality It discusses the progress to date on specific themes identifies historical political sustainability and funding challenges and concludes that while the impacts of regionalization efforts have not been fully realized there is cautious optimism for the future The Fabric of Peace in Africa Pamela Aall, Chester A. Crocker, 2017-06-05 Africa has experienced dozens of conflicts over a variety of issues during the past two decades Responding to these conflicts requires concerted action to manage the crises the violence the political discord and the humanitarian consequences of prolonged fighting It is also necessary to address the long term social and economic impacts of conflict to rebuild communities societies and states that have been torn apart To accomplish this requires the involvement of institutions and groups rarely considered in formal official African conflict management activities schools universities religious institutions media commercial enterprises legal institutions civil society groups youth women and migrants These groups and organizations have an important role to play in building a sense of identity fairness shared norms and cohesion between state and society all critical components of the fabric of peace and security in Africa This volume brings together leading experts from Africa Europe and North America to examine these critical social institutions and groups and consider how they can either improve or impede peaceful conflict resolution The overarching questions that are explored by the authors are What constitutes social cohesion and resilience in the face of conflict What are the threats to cohesion and resilience And how can the positive elements be fostered and by whom The second of two volumes on African

conflict management capacity by the editors The Fabric of Peace in Africa Looking beyond the State opens new doors of understanding for students scholars and practitioners focused on strengthening peace in Africa the first volume Minding the Gap African Conflict Management in a Time of change focused on the role of mediation and peacekeeping in managing violence and political crises

Handbook of Research on Consumerism and Buying Behavior in Developing Nations Gbadamosi, Ayantunji, 2016-05-31 Having a grasp on what appeals to consumers and how consumers are making purchasing decisions is essential to the success of any organization that thrives by offering a product or service Despite the importance of consumer knowledge and understanding research based insight into the buying patterns and consumption habits of individuals in emerging nations remains limited The Handbook of Research on Consumerism and Buying Behavior in Developing Nations takes a critical look at the often overlooked opportunities available for driving consumer demand and interest in developing countries Emphasizing the power of the consumer market in emerging economies and their overall role in the global market system this edited volume features research based perspectives on consumer perception behavior and relationship management across industries This timely publication is an essential resource for marketing professionals consumer researchers international business strategists scholars and graduate level students

Transformative Food Value Chains for Local Development Silke Maria Stöber, Wolfgang Bokelmann, Walter Odongo, Susanne Huyskens-Keil, Joanita Kataike, 2024-01-26 Understanding the capacity of food systems to undertake a transformation towards sustainability requires understanding how resources stream in and out of the systems As complex socio economic structures food and agricultural value chains are important means for channeling resources knowledge and agency in and out of rural areas Given their prominent role on the development agendas there is mixed evidence as to what extent value chains and their actors can contribute to improving the livelihoods in poor rural and urban areas In order to shape sustainable living places transformative capacities and good governance are important mainstays Transformative agri food value chains are robust and often act as the sole transmission belt for returning capital resources and identity back into vulnerable areas Moreover domestic or regional chains may provide urban consumers with fresh quality food that also contributes to regional identity

Co-Designing Science in Africa UNESCO, 2019-06-28 *Journal of Soil and Water Conservation*, 2015 Vol 25 no 1 contains the society's Lincoln Chapter's Resource conservation glossary

[History of Soy Nutritional Research \(1990-2021\)](#) William Shurtleff; Akiko Aoyagi, 2021 The world's most comprehensive well documented and well illustrated book on this subject With extensive subject and geographical index 30 photographs and illustrations mostly color Free of charge in digital PDF format

Pesticides in the Natural Environment Pardeep Singh, Suruchi Singh, Mika Sillanpää, 2022-05-24 Pesticides in the Natural Environment Sources Health Risks and Remediation presents the direct and indirect impacts of the use of pesticides on the environment human health and agriculture The book explores sustainable alternatives to pesticide use along with policies for regulations and remediation techniques Bridging the gap between

regulations and the tangible environmental threat the book proposes practical solutions while also providing important context on the hazards of pesticides It highlights the influence on climate change offering a holistic perspective for researchers in environmental science policymakers and land managers The book introduces pesticides and their applications then goes on to cover their impact on various ecosystems in the natural environment Health risks are covered followed by various remediation techniques such as biological processes phytoremediation and chemical treatments Describes the impact of pesticides on the environment human health and the food chain as well as regulations and policies to address the impact Presents remediation strategies and techniques for pesticides in a variety of ecosystems along with potential alternatives Includes case studies to illustrate the proper management of pesticides and intervention
