Phoenix Books 1-3 Stephanie Mirro, Stealing objects for supernatural clients is my bread and butter Murder Not so much I'm Veronica Neill world class thief and the last phoenix in existence After taking a job for a vampire in Miami I find myself embroiled in a war that not only spans this world but all the other realms as well even those I never knew existed With the help of my witchy best friend and a sexy grim reaper agent we can survive anything right In this pulse pounding omnibus follow along as Veronica Neill battles a rising zombie apocalypse discovers new realms and navigates political and royal intrigue From dodging a Death Enforcement Agent to battling fae mages Veronica's journey twists and turns with every step Curl up get comfy and have the tissues ready This omnibus includes the following titles from The Last Phoenix series Wings of Fire Wings of Death Wings of Winter *One Jump Ahead* Jonathan Schaeffer, 2008-12-16 It's hard to believe that it's been over a decade since One Jump Ahead Challenging Human Supremacy at Checkers was published I'm delighted to have the opportunity to update and expand the book The first edition ended on a sad note and that was reflected in the writing It is now eleven years later and the project has come to a satisfying conclusion Since its inception the checkers project has consumed eighteen years of my life twenty if you count the pre CHINOOK and post solving work It's hard for me to believe that I actually stuck with it for that long My wife Steph would probably have something witty to say about my obsessive behavior

Rereading the book after a decade was difficult for me. When I originally wrote *One Jump Ahead* I vowed to be candid in my telling of the story. That meant being honest about what went right and what went wrong. I have been criticized for being hard on some of the characters. That may be so, but I hope everyone will agree that the person receiving the most criticism was justifiably me. I tried to be balanced in the storytelling, reflecting things as they really happened and not as some sanitized version of everyone lived happily ever after.

Wings of Fire Stephanie Mirro, 2020-09 Stealing objects for supernatural clients is my bread and butter. Murder? Not so much. As a phoenix, I'm used to burning hot and rising from the ashes. That's why I chose to make my living as a world-class thief. Some say it's dangerous. I call it fun. Or it is until someone beats me to my latest mark, stealing the prize and killing a fae duke in the process. To add insult to injury, I get blamed for the gruesome murder. With my freedom on the line, I've got three options: One, confess my failure and spend a few centuries as the caged pet of my sadistic bloodsucking client. Nope. Two, take the blame and let the hotter-than-hell grim reaper take me to jail. Also a hard nope unless he sweetens the deal with an offer to burn up the sheets. Is it any wonder I choose door number three? I've got to find the real killer, steal back the goods, and remind everyone how I got my reputation as the world's best acquirer in the first place. There's just one problem: That sexier-than-sin grim reaper I mentioned. He's determined to see me go down. Discover the thrill of the chase and the excitement of the supernatural in this bestselling urban fantasy series full of danger, slow burn romance, and a strong-willed phoenix who won't back down. With twists and turns at every corner, you won't be able to put this book down. Start the series today.

Puerto Rico Gordon K. Lewis, 1963 Since its first publication over forty years ago, *Puerto Rico: Freedom and Power in the Caribbean* by Gordon K. Lewis has established itself and even today remains the definitive book on that Caribbean island. Lewis treats the subject historically and descriptively; on the one hand, it is an account of Puerto Rico as a colony, first under Spain and after 1898 under the United States. On the other hand, it is a systematic analysis of contemporary Puerto Rican life, including its politics, economic organization, and socio-political makeup, which is as relevant for this new edition as it was forty years ago. The book is also an in-depth attempt to show the political, social, cultural, and even the psychological dimensions of American imperialism, rather than a mere case study of US Federalism or as a so-called showcase of democracy.
