Pathfinder; Or, the Inland Sea James Fenimore Cooper,2018-07-11 Pathfinder or the inland sea by James Fenimore Cooper CHAPTER I The turf shall be my fragrant shrine My temple Lord that arch of thine My censer's breath the mountain airs And silent thoughts my only prayers MOORE The sublimity connected with vastness is familiar to every eye The most abstruse the most far reaching perhaps the most chastened of the poet's thoughts crowd on the imagination as he gazes into the depths of the illimitable void The expanse of the ocean is seldom seen by the novice with indifference and the mind even in the obscurity of night finds a parallel to that grandeur which seems inseparable from images that the senses cannot compass With feelings akin to this admiration and awe the offspring of sublimity were the different characters with which the action of this tale must open gazing on the scene before them Four persons in all two of each sex they had managed to ascend a pile of trees that had been uprooted by a tempest to catch a view of the objects that surrounded them It is still the practice of the country to call these spots wind rows By letting in the light of heaven upon the dark and damp recesses of the wood they form a sort of oases in the solemn obscurity of the virgin forests of America We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Pathfinder Illustrated* James Fenimore Cooper James Fenimore Cooper,2020-05-15 The Pathfinder or The Inland Sea is a historical novel by James Fenimore Cooper first published in 1840 It is the fourth novel Cooper wrote featuring Natty Bumppo his fictitious frontier hero and the third chronological episode of the Leatherstocking Tales The inland sea of the title

Fenimore Cooper Stephen Railton,2015-03-08 The oddly diverse character of James Fenimore Cooper s writings and activities has led many critics to view his career as fragmentary Stephen Railton takes a psychoanalytic approach to the novelist s most important works and the most significant events in his life By showing how the aesthetic struggle to create

reflected attempts to reconcile conflicting emotional needs the author is able to provide a much needed coherent interpretation of Cooper s achievement Professor Railton s analysis shows that an awareness of the extent to which Cooper s father dominated his life is central to an understanding of his novels and his often contradictory behavior Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Catalogue of the Printed Books in the Library of the Faculty of Advocates ...
