residents and motivated the Major Crimes Unit of the city's police department to get everything right. Feeling the heat, Kirby bolted for the Canadian border. But he was caught in time and the cops and a tenacious prosecutor began a long, bitter battle to convict him up against an equally tough defense lawyer and the egomaniacal defendant himself. The tale reached its climax in a controversial trial where for the first time an FBI profiler was allowed to testify and the pre-DNA science of allotyping was presented to a jury. But justice would not be served until after the psychopathic Kirby Anthony took the stand in his own defense and showed the world the monster he truly was. *A Taste for Murder* Burl Barer, Frank C. The cops attribute her assertions to overwhelming grief, but soon they too believe that Frank didn't die of natural causes. When the police enlist their number one suspect to help in the investigation, things spiral out of control until law enforcement is dealing with a daring plot to murder Angie's best friend and allegations of another homicide so evil and perverse that even seasoned LA County Detectives are shocked beyond belief.
