The Tender Bar J. R. Moehringer, 2005-09-01 Now a major Amazon film directed by George Clooney and starring Ben Affleck Tye Sheridan Lily Rabe and Christopher Lloyd a raucous poignant luminously written memoir about a boy striving to become a man and his romance with a bar in the tradition of *This Boy's Life* and *The Liar's Club* with a new Afterword J R Moehringer grew up captivated by a voice It was the voice of his father a New York City disc jockey who vanished before J R spoke his first word Sitting on the stoop pressing an ear to the radio J R would strain to hear in that plummy baritone the secrets of masculinity and identity Though J R's mother was his world his rock he craved something more something faintly and hauntingly audible only in The Voice At eight years old suddenly unable to find The Voice on the radio J R turned in desperation to the bar on the corner where he found a rousing chorus of new voices The alphas along the bar including J R's Uncle Charlie a Humphrey Bogart look alike Colt a Yogi Berra sound alike and Joey D a softhearted brawler took J R to the beach to ballgames and ultimately into their circle They taught J R tended him and provided a kind of fathering by committee Torn between the stirring example of his mother and the lurid romance of the bar J R tried to forge a self somewhere in the center But when it was time for J R to leave home the bar became an increasingly seductive sanctuary a place to return and regroup during his picaresque journeys Time and again the bar offered shelter from failure rejection heartbreak and eventually from reality In the grand tradition of landmark memoirs *The Tender Bar* is suspenseful wrenching and achingly funny A classic American story of self invention and escape of the fierce love between a single mother and an only son it's also a moving portrait of one boy's struggle to become a man and an unforgettable depiction of how men remain at heart lost boys Named a best book of the year by The New York Times Esquire The Los Angeles Times Book Review Entertainment Weekly USA Today NPR's Fresh Air and New York Magazine A New York Times Los Angeles Times Wall Street Journal San Francisco Chronicle USA Today Booksense and Library Journal Bestseller Booksense Pick Borders New Voices Finalist Winner of the Books for a Better Life First Book Award

The Working Landscape Peter F. Cannavo, 2007-06-22. In America today we see rampant development, unsustainable resource exploitation, and commodification ruin both natural and built landscapes, disconnecting us from our surroundings and threatening our fundamental sense of place. Meanwhile, preservationists often respond with a counterproductive stance that rejects virtually any change in the landscape. In *The Working Landscape*, Peter Cannavo identifies this zero-sum conflict between development and preservation as a major factor behind our contemporary crisis of place. Cannavo offers practical and theoretical alternatives to this deadlocked, polarized politics of place by proposing an approach that embraces both change and stability and unifies democratic and ecological values, creating a working landscape. Place, Cannavo argues, is not just an object but an essential human practice that involves the physical and conceptual organization of our surroundings into a

coherent enduring landscape This practice must balance development which he calls founding and preservation Three case studies illustrate the polarizing development preservation conflict the debate over the logging of old growth forests in the Pacific Northwest the problem of urban sprawl and the redevelopment of the former site of the World Trade Center in New York City Cannav suggests that regional democratic governance is the best framework for integrating development and preservation and he presents specific policy recommendations that aim to create a working landscape in rural suburban and urban areas A postscript on the mass exile displacement and homelessness caused by Hurricane Katrina considers the implications of future climate change for the practice of place
