The Train By Georges Simenon:

The Train Georges Simenon, 2011-07-12 Against all expectations Marcel Feron has made a normal life in a bucolic French suburb in the Ardennes But on May 10 1940 as Nazi tanks approach this timid happy man must abandon his home and confront the Fate that he has secretly awaited Separated from his pregnant wife and young daughter in the chaos of flight he joins a freight car of refugees hurtling southward ahead of the pursuing invaders There he meets Anna a sad looking dark haired girl whose accent is neither Belgian nor German and who seemed foreign to everything around her As the mystery of Anna's identity is gradually revealed Marcel leaps from the heights of an exhilarating freedom to the depths of a terrifying responsibility one that will lead him to a blood chilling choice When it first appeared in English in 1964 British novelist and critic Brigid Brophy declared *The Train* to be the novel his admirers had been expecting all along from Simenon Until *The Train* she wrote the dazzlingly prolific novelist had been a master without a masterpiece **The Man Who**

Watched the Trains Go By Georges Simenon, 2016-11-03 A brilliant new translation of one of Simenon's best loved masterpieces A certain furtive almost shameful emotion disturbed him whenever he saw a train go by a night train especially its blinds drawn down on the mystery of its passengers Kees Poppinga is a respectable Dutch citizen and family man Then he discovers that his boss has bankrupted the shipping firm he works for and something snaps Kees used to watch the trains go by to exciting destinations Now on some dark impulse he boards one at random and begins a new life of recklessness and violence This chilling portrayal of a man who breaks from society and goes on the run asks who we are and what we are capable of Classic Simenon extraordinary in its evocative power Independent What emerges is the bare human animal John Gray Read him at your peril avoid him at your loss Sunday Times *The Man who Watched the Trains Go by* Georges

Simenon, 1986-01 **The Venice Train** Georges Simenon, 2022-06-02 There were some weeks that were painful nerve racking At the office or at home in the middle of a meal he would suddenly find his forehead bathed in sweat a tightness in his chest and at those times feeling everyone's eyes on him was unbearable During a chance meeting on the train from Venice to Paris a stranger asks Justin Calmar to deliver a briefcase for him to an address in Switzerland Soon this ordinary family man will become hopelessly fatally ensnared in a world of guilt lies and paranoia Originally published in 1965 shortly after Simenon moved into the new home he had built in palings Switzerland this chilling novel is a powerful exploration of the fragility of the human psyche *Iron Staircase* Georges Simenon, 1987

Train Travel as Embodied Space-Time in Narrative Theory Atsuko Sakaki, 2023-11-01 *Train Travel as Embodied Space Time in Narrative Theory* argues that the train is a loaded trope for reconfiguring narrative theories past their spatial turn Atsuko Sakaki's method exploits intensive and rigorous close reading of literary and cinematic narratives on one hand and on the other hand interdisciplinary perspectives that draw out larger connections to narrative theory The book utilizes not only narratological frameworks but also concepts of space focused humanity oriented social sciences such as human geography mobility studies tourism studies and qualitative

experience based ethnography in their post narrative turn On this interface of narrative studies and spatial studies this book pays concerted attention to the formation of affordances or relations in which the human subject uses a space time and things in it in terms of passenger experience of the train carriage and its extension Affiliation Atsuko Sakaki University of Toronto Toronto Canada

Dreams of Modernity Laura Marcus, 2014-11-17 Laura Marcus is one of the leading literary critics of modernist literature and culture *Dreams of Modernity* Psychoanalysis Literature Cinema covers the period from around 1880 to 1930 when modernity as a form of social and cultural life fed into the beginnings of modernism as a cultural form Railways cinema psychoanalysis and the literature of detection and their impact on modern sensibility are four of the chief subjects explored Marcus also stresses the creativity of modernist women writers including H D Dorothy Richardson and Virginia Woolf The overriding themes of this work bear on the understanding of the early twentieth century as a transitional age thus raising the question of how the moderns understood the conditions of their own modernity

Night Train to Lisbon Pascal Mercier, 2008-10-07 The bestselling novel of love and sacrifice under fascist rule and a treat for the mind One of the best books I have read in a long time Isabel Allende Raimund Gregorius a professor of dead languages at a Swiss secondary school lives a life governed by routine Then an enigmatic Portuguese woman stirs his interest in an obscure and mind expanding book of philosophy that opens the possibility of changing Raimund s existence That same night he takes the train to Lisbon to research the book s phantom author Amadeu de Prado a renowned physician whose principles led him to confront Salazar s dictatorship Raimund now obsessed with unlocking the mystery behind the man is determined to meet all those on whom Prado left an indelible mark Among them his eighty year old sister who maintains her brother s house as if it were a museum an elderly cleric and torture survivor confined to a nursing home and Prado s childhood friend and eventual partner in the Resistance The closer Raimund comes to the truth of Prado s life and eventual fate an extraordinary tale takes shape amid the labyrinthine memories of Prado s intimate circle of family and friends working in utmost secrecy to fight dictatorship and the betrayals that threaten to expose them A meditative deliberate exploration of loneliness language and the human condition The San Diego Union Tribune *Night Train to Lisbon* calls to mind the magical realism of Jorge Amado or Gabriel Garcia Marquez allusive and thought provoking intellectually curious and yet heartbreakingly jaded and inexorably propelled by the haunting mystery at its heart The Providence Journal *Night Train to Lisbon* was adapted into Bille August s award winning 2013 film starring Jeremy Irons Lena Olin Christopher Lee and Charlotte Rampling

British travellers on the Orient Express were advised to carry a revolver as well as a teapot In Night Trains Andrew Martin attempts to relive the golden age of the great European sleeper trains by using their modern day equivalents This is no simple matter The night trains have fallen on hard times and the services are disappearing one by one But if the Orient Express experience can only be recreated by taking three separate sleepers the intriguing characters and exotic atmospheres have survived Whether the backdrop is 3am at a Turkish customs post the sun rising over the Riviera or the constant twilight of a Norwegian summer night Martin rediscovers the pleasures of a continent connected by rail By tracing the history of the sleeper trains he reveals much of the recent history of Europe itself The original sleepers helped break down national barriers and unify the continent Martin uncovers modern instances of European unity and otherwise as he traverses the continent during interesting times with Brexit looming Against this tumultuous backdrop he experiences his own smaller dramas as he fails to find crucial connecting stations ponders the mystery of the compartment dog and becomes embroiled in his very own night train whodunit
