incisive as we've come to know in later works such as *Power Politics*, *Bodily Harm* and *Alias Grace*. Atwood writes compassionately about the risks of love in a technological age and the quest for identity in a universe that cannot quite be trusted. Containing many of Atwood's best and most famous poems, *The Circle Game* won the 1966 Governor General's Literary Award for Poetry and rapidly attained an international reputation as a classic of modern poetry.

Historical Noir Barry Forshaw, 2018-04-25 It's one of the most successful and surprising of phenomena in the entire crime fiction genre: detectives and protodetectives solving crimes in earlier eras. There is now an army of historical sleuths operating from the mean streets of Ancient Rome to the Cold War era of the 1950s. And this astonishingly varied offshoot of the crime genre, as well as keeping bookshop tills ringing, is winning a slew of awards, notably the prestigious CWA Historical Dagger. Barry Forshaw, one of the UK's leading experts on crime fiction, has written a lively, wide-ranging and immensely informed history of the genre. Historical noir began in earnest with Ellis Peters' crime-solving monk Brother Cadfael in the 1970s and Umberto Eco's *The Name of the Rose* in 1980, and has now taken readers to virtually every era and locale in the past. As in Nordic Noir, Euro Noir, Brit Noir and American Noir, Forshaw has produced the perfect reader's guide to a fascinating field: every major writer is considered, often through a concentration on one or two key books, and exciting new talents are highlighted.

Reading between the Borderlines Gillian Roberts, 2018-12-30 Is Superman Canadian? Who decides and what is at stake in such a question? How is the Underground Railroad commemorated differently in Canada and the United States, and can those differences be bridged? How can we acknowledge properly the Canadian labour behind Hollywood filmmaking, and what would that do to our sense of national cinema? *Reading between the Borderlines* grapples with these questions and others surrounding the production and consumption of literary, cinematic, musical, visual and print culture across the Canada-US border. Discussing a range of popular as well as highbrow cultural forms, this collection investigates patterns of cross-border cultural exchange that become visible within a variety of genres, regardless of their place in any arbitrarily devised cultural hierarchy. The essays also consider the many interests served, compromised or negated by the operations of the transnational economy, the movement of culture's raw material across nation-state borders in literal and conceptual terms, and the configuration of a material citizenship attributed to or negotiated around border-crossing cultural objects. Challenging the oversimplification of cultural products labelled either Canadian or American, *Reading between the Borderlines* contends with the particularities and complications of North American cultural exchange, both historically and in the present.

Beyond the Book Danielle Fuller, DeNel Rehberg Sedo, 2013-04-02 Literary culture has become a form of popular culture over the last fifteen years, thanks to the success of televised book clubs, film adaptations, big box book stores, online bookselling and face-to-face and online book groups. This volume offers the first critical analysis of mass reading events and the contemporary meanings of reading in the UK, USA and Canada, based on original interviews and surveys with readers and event organizers. The resurgence of book groups has inspired new cultural formations of what the authors call shared reading.

They interrogate the enduring attraction of an old technology for readers community organizers and government agencies exploring the social practices inspired by the sharing of books in public spaces and revealing the complex ideological investments made by readers cultural workers institutions and the mass media in the meanings of reading **100**
