College Girls Lynn Peril, 2013-12-16 The author of *Pink Think* takes on a twentieth century icon the college girl A geek who wears glasses Or a sex kitten in a teddy This is the dual vision of the college girl the unique American archetype born when the age old conflict over educating women was finally laid to rest College was a place where women found self esteem and yet images in popular culture reflected a lingering distrust of the educated woman Thus such lofty cultural expressions as *Sex Kittens Go to College* 1960 and a raft of naughty pictorials in men s magazines As in *Pink Think* Lynn Peril combines women s history and popular culture peppered with delightful examples of femoribilia from the turn of the twentieth century through the 1970s in an intelligent and witty study of the college girl the first woman to take that socially controversial step toward educational equity

The Annotated Abbott and Costello Matthew Coniam, Nick Santa Maria, 2023-01-11 Abbott and Costello were the most popular comedians of the 1940s with burlesque inspired routines that enthralled audiences on both radio and television Oddly their films have not received the same level of attention from critics and writers as those of other comedy teams This book is a scene by scene film by film guide to their movies making a compelling case for their inclusion at the very top of comic artists Featuring new research and some surprising revelations the book introduces newcomers to the delights of this uproarious team and provides confirmed fans with the ultimate companion to their work Also included is a foreword by John Landis the celebrated director and Abbott and Costello devotee
