Ferment in the Intercultural Field William J. Starosta, Guo-Ming Chen, 2003-06-26 Ferment in the Intercultural Field Axiology Value Praxis Volume 26 of The International and Intercultural Communication Annual examines how the field of intercultural communication has encouraged new techniques in the area of research Editors William J Starosta and Guo Ming Chen along with a diverse group of distinguished contributors recall the 1983 topical issue of The Journal of Communication that reported a critical turn and a shift of paradigms in communication research Recommended for scholars and researchers in the area of intercultural communication Ferment in the Intercultural Field is also a vital resource for upper level undergraduate and graduate communication students SCIENTIFIC BASES OF MODERN INVESTIGATIONS, 2022-03-01 Proceedings of the VIII International Scientific and Practical Conference The Critical Turn in Language and Intercultural Communication Pedagogy Maria Dasli, Adriana Raquel Díaz, 2016-09-13 This edited research volume

explores the development of what can be described as the critical turn in intercultural communication pedagogy with a particular focus on modern foreign language education The main aim is to trace the realisations of this critical turn against a background of unequal power relations and to illuminate the role that radical culture educators can play in the making of a more democratic and egalitarian social order The volume takes as a starting point the idea that criticality draws on a number of intellectual traditions which do not always focus on social and political critique and argues that because ideological hegemony impacts on the meanings that people create and share intercultural communication pedagogy ought to locate itself within wider socio political contexts With reference points drawn from critical and transnational social theory critical pedagogy and intercultural theory contributors to this volume provide readers with powerful ways that show how this can be achieved and together assess the impact that their understanding of criticality can make on modern foreign language education The volume is divided into three major parts namely theorising critically researching critically and teaching critically **Communication Yearbook 16** Stanley Deetz, 2012-05-23 The Communication Yearbook 16 focuses on the study of communication within corporate organizations Part II explores the role of communication studies in such timely issues as communication technology globalization and multiculturalism The final section focuses on three theoretical debates in which contributors discuss communication during initial interaction the motivation to communicate and communication in decision making and problem solving groups Commentaries on each chapter provide alternative perspectives extend issues of significance and help engage the reader in the contemporary debates in each area **Managing Intercultural Conflict** Effectively Stella Ting-Toomey, John G. Oetzel, 2001-07-25 In this volume Ting Toomey and Oetzel accomplish two objectives to explain the culture based situational conflict model including the relationship among conflict ethnicity and culture and second integrate theory and practice in the discussion of interpersonal conflict in culture ethnic and gender contexts While the book is theoretically directed it is also a down to earth practical book that contains ample examples conflict dialogues and critical incidents Managing Intercultural Conflict Effectively helps to illustrate the complexity of intercultural conflict interactions and readers will gain a broad yet integrative perspective in assessing intercultural conflict situations. The book is a multidisciplinary text that draws from the research work of a variety of disciplines such as cross cultural psychology social psychology sociology marital and family studies international management and communication Handbook of International and Intercultural Communication William B. Gudykunst, Bella Mody, 2002 This handbook summarises the state of the art in international cultural and developmental communication and sets the agenda for future research The Handbook of Bilingualism and Multilingualism Tej K.
