Journey to Enlightenment Susan Lightwater,2000-04-28 Journey To Enlightenment is a book for the truly sincere individual in search of spiritual progression It comes from a true source remembered from counselors on a higher level who are interested in teaching mankind to not get so attached with the illusions on this plane That we are only living in a shadow of a shadow of reality That we can come to truths not by listening to others but by going within our own God Self for the answers and getting in tune with our intuition The journey into enlightenment is magical but not gained by magic It takes hard work and a deep commitment towards that aim It takes the understanding that the hardest thing to overcome is also within The ego is the part of us that wants control and we freely give it full reign It is not until we can control our thoughts learn to live in the silence and accept what is our life that we will come to our true selves The Coming of God Jürgen Moltmann,Margaret Kohl,2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian eschatology on its head

Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God

Time Is Running Out! Daniel G. Ochoa, Discover the profound truth of our generation s role in Christ s approaching return Prepare for the ultimate separation and embrace the urgency of following Him Time Is Running Out presents a compelling case supported by scripture that the current generation is destined to witness the return of Christ Despite the urgency and significance of this revelation many individuals seem indifferent and disinterested in exploring what scripture has to say about these prophetic events Author Daniel G Ochoa challenges you to consider your readiness for Christ s return and the possibility of facing him after death Through a careful examination of biblical passages he delves into the essence of being a true follower of Christ raising essential questions Do we truly understand the implications of following Christ Are we prepared to make the necessary commitments to align our lives with His teachings A thought provoking wake up call this study urges you to delve into scriptural evidence gain a deeper understanding of your role in this pivotal time and embrace a genuine commitment to follow Christ
