Song,2011-11-14 The Christian Bible is fundamentally a story Writers painters sculptors artists and indeed people of all walks of life live by the telling of their stories Stories are the most basic mode of human communication Thus it is vital to ask why Christians and above all Christian theologians so often fail to express their

faith in terms of story The vast majority of the Hebrew Scriptures for example consist of stories Jesus proclaimed and taught about the Reign of God through stories and parables At the heart of the Christian faith are stories not concepts propositions or ideas Given the deep rootedness of the Christian faith in storytelling this book seeks to address the fact that Christian theology has too often taken the form of concepts ideas and systems This book is an attempt to speak of Christian faith and theology in stories rather than systems Through stories both biblical and non biblical this book shows how we might reimagine the task of Christian theology in the life of faith today At its heart is the conviction that in the beginning there were stories and that in the end and indeed beyond the end are stories not texts ideas and concepts

**Prayer To Destroy Household Wickedness And Ancestral Attack** Tella Olayeri, 2022-12-07 Whatever are your battles and struggles today you have the Lord's assurance in his word that you will rise above it all When faced with doubt fear worry or dread look to the word of God With this book your victory is sure You are more than a conqueror Bloodline attacks are dangerous You are monitored 24/7 in the year by household enemy with intent to destroy Most bloodlines are demonically inclined to do evil Their mission is to steal to kill and to destroy They are blood relations but killers They don't add value to life but look for ways to reduce you to nothing The primary purpose of this book is to checkmate them and empty their threat One major weapon used is monitoring victims through demonic devices to keep them under observation This is why you have the feelings of being watched by strange creatures The strange thing is they hear strange voices and sounds which others don't They are observed through horrible dreams by unfriendly friends strange face or family friends dead or alive There are some that experience moving objects in the body that cause discomfort or sleepless night No matter how far from home you are monitored and attacked with ease It does not matter where you stay in the world evil observers will locate you They monitor and program disappointment at the edge of breakthrough In your season they attack When your glory is at hand it is then they attack When doors of prosperity opens it is then they attack They roll out stones of failure to discourage you and keep you far from greatness Household wickedness expands like a thunderbolt The prayer in this book is a masterstroke against witchcraft powers The dramatic intervention of this book is a fortune to millions There is chronic low spiritual growth Wherever you are right now or what you are undergoing I want you to know that with God all things are possible There is a way out of this dilemma The Lord will bring you out of lack sickness discouragement and fear He will lead you out of the wilderness and dry places that yield failure The Lord shall journey you into green pastures where milk and honey flows The days of agony are over You shall experience divine favor divine blessings divine health and divine power Bondage and addictions in you are broken You shall break out of poverty and lack and move into a life of abundance Bloodline spirits cause havoc and consume families It is a spirit with pride and anger Good things in the family are forbidden Household wickedness lures you to do evil and make mistakes so that you trade in failure and backwardness It makes life difficult and unbearable for victims They are noted to cry and be in agony in the society It is a great opportunity to come across this book loaded with

violent prayers vomited by the Holy Spirit Let this book be a companion to your Holy Bible Doing this will let you have benefits of the followings Enemies are silenced and crippled while doors of opportunities open to you in the physical and in the spirit Owner of evil load will carry their load without complain Your blessings buried in the spirit to cause failure that leads to stagnancy high blood pressure and woes shall end and you shall recover your blessings Every stubborn pursuer after you shall somersault and rise no more You shall be victorious in whatever you lay hands upon The light of God shall shine upon you The lion in you shall roar against the wicked and they shall flee and never return to cause havoc in your life You shall not be an outcast in your lineage or be a disgrace in the battle of life You shall start well and end well in every project you lay hands The time to fight and win the battle against the dragons in your lineage is now Pick this book for total victory
