The Secret Magdalene By Ki Longfellow:

The Secret Magdalene Ki Longfellow, 2007-03-27 Raised like sisters Mariamne and Salome are indulged with riches position and learning a rare thing for females in Jerusalem But Mariamne has a further gift an illness has left her with visions she has the power of prophecy It is her prophesying that drives the two girls to flee to Egypt where they study philosophy mathematics and astronomy in the Great Library of Alexandria After seven years they return to a Judaea where many now believe John the Baptizer is the messiah Salome too begins to believe but Mariamne now called Magdalene is drawn to his cousin Yeshu a man touched by the divine in the same way she was during her days of illness Together they speak of sharing their direct experience of God but Yeshu unexpectedly gains a reputation as a healer and as the ill and the troubled flock to him he and Magdalene are forced to make a terrible decision This radical retelling of the greatest story ever told brings Mary Magdalene to life not as a prostitute or demon possessed but as an educated woman who was truly the apostle to the apostles

LOVE: THE MOST POWERFUL PHENOMENON TO FORSAKE Revd Dr Gabriel J. Anan PhD, 2025-04-30 The text of this book reflects on the fact that the Father in Heaven loves His Created World so much that He sent His only Son into the world to rescue it from the domination of the evil Satan in order that humanity would be saved hence Jesus Christ was not forsaken by His Father Thus the Son Jesus Christ came into the world not only to die for His Mission but also to do among other things including healing preaching teaching with Love and authority without condemnation or judgement so that whosoever would believe accept and obey His Divine Commandments and Teachings would have the salvation for eternal life hence His Son Jesus Christ was not forsaken

Unbelievable Willie Van Peer, 2023-06-30 The New Testament has had a profound impact on Western society But what do we actually know about its evolution In what context did the texts originate Who was Jesus and how did he become the Son of God Were the four evangelists reliable witnesses Why are there so many inconsistencies and contradictions in the New Testament Unbelievable The Gospel Texts in Narrative Tradition and Historical Context explores the traditions and historical reality behind the New Testament shedding a whole new light on the biblical stories This book is aimed at interested readers who want to learn how the New Testament came into being and how it has moulded our societies Although it is based on sound scholarly research Unbelievable seeks primarily to appeal to a broad audience Its style and clear language enable the reader to gain insight into the historical and literary contexts from which these texts emerged and how they have shaped all Western cultures

Evil Gods and Reckless Saviours Timo Eskola, 2011-09-09 Late twentieth century Jesus novels carve out a completely new picture of Jesus Those written by Norman Mailer Jose Saramago Michele Roberts Marianne Fredriksson and Ki Longfellow among others provide inversive revisions of the canonical Gospels Their adaptations often turn into a critique of the whole of Christian history The contrast novels investigated in this study end up with appropriations that are based on prototypical rewriting They aim at the rehabilitation of Judas and some of them make Mary Magdalene the key figure of Christianity

Saramago describes God as a bloodthirsty tyrant and Mailer makes God battle the devil in a Manichaen sense as with an equal. The main result of this intertextual analysis is that these authors have adopted Nietzschean ideas in their writing. An attack on the so-called biblical slave morality and violent concept of God deprives Jesus of his Jewish messianic identity, makes Old Testament law a contradiction of life, calls sacrificial soteriology a violent paradigm supporting oppression, and presents God as a cruel monster. As a result, Jewish faith appears in a negative light. Apparently, Western culture still harbours anti-Judaic attitudes, albeit hidden beneath sentiments of equality and tolerance. Timo Eskola skillfully shows that despite the evident post-Holocaust consciousness present in the novels, they actually adopt an arrogant and ironic refutation of Jewish beliefs and Old Testament faith.

Mary Magdalene from the New Testament to the New Age and Beyond Edmondo F. Lupieri, 2019-10-14. An international team of twenty scholars under Edmondo F. Lupieri's direction produced *Mary Magdalene from the New Testament to the New Age and Beyond*. While the historical figure of the Magdalene may be lost forever, the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith. Different pictures of Mary travelled through time and space from history to legend and mythology, crossed religious boundaries, going beyond the various Christianities to become a sign of contradiction for many. This book describes a special case of biblical reception history: that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others.

Secrets of Mary Magdalene Dan Burstein, 2009-03-12. A dazzling look at the most elusive figure in Christ's life. Mary Magdalene was a key figure in Christ's life. She was present at his Crucifixion and she was also the first person to see him resurrected. According to Dan Brown's multi-million-selling *THE DA VINCI CODE*, she was also his wife and the mother of his children. In the Gospels, she is described as an outcast and a harlot. This may be due to the disciples' jealousy of Jesus' love for Mary and the closeness of his relationship with her that was not replicated in his relationships with them. In *SECRETS OF MARY MAGDALENE*, Dan Burstein explodes the myths and analyses who Mary Magdalene was, the true nature of her relationship with Christ, and her role in the Christian faith. Did Mary write her own Gospel? If so, what did it say? Where did she come from? Was she Jewish? How did she live? So many questions exist about this lady. Google can find mention of her on 1 740 000 sites in 0.3 seconds. This book will find the answers.

[The Four Gospels of Jesus the Christ](#) Robert Luthmers, 2011-07-30. The purpose of this book is to feature the Gospels of Jesus the Christ in an authentic canon apart from the patriarchal language framework of the New Testament. By that I mean that the gospels have been translated into a language framework that clarifies the truth of the Gospels by eliminating the bias and obscurities of patriarchy, gender, anti-Semitism, and the sixteenth century's distortions.

inherent in King James I's promotion of the divine right of kings From the discoveries and research over the last fifty years I have been inspired by the Gospel of Mary the Gospel of Thomas and writings on the Aramaic basis of the Gospels where the authentic voice of Jesus is made accessible Goddesses for Every Day Julie Loar,2011 Throughout time people have turned to goddesses as symbols of what they seek from abundance to healing from protection to passion Building on the resurgence of interest in the Divine Feminine Julie Loar presents the qualities and origins of an international array of these deities along with powerful suggestions for putting their attributes to practical use In a daily reflection format she gracefully aligns the goddesses with the cycles of nature and the signs of the zodiac If you are struggling to attain a goal call on the Nepalese goddess Chomolungma as the sherpas climbing Mount Everest have done for generations Or for good luck invoke the Roman goddess Fortuna the inspiration behind gambling's wheel of fortune With 366 goddesses to choose from you will find a deity to call upon for every aspiration and need **My Eye: A Vision of Christ** Mark Wonser,2011-07 The first half of this two part book tells the story of an ordinary boy enriched by his mother's faith yet torn apart by a bitter divorce Maintaining his religious underpinnings Mark struggles through the divorce and graduates from college with a degree in finance This takes him to the Chicago Mercantile Exchange where he makes millions of dollars marries his wife and retires at the age of 36 Shortly after Mark received a Master's degree in Theology setting the foundation for the remainder of his life The first half of the book ends with the death of his fourth child Kevin which becomes the catalyst for a tremendous spiritual conversion The second half of the book walks the reader through that conversion documenting the steps taken to accomplish it A discussion of physics is used to set up a foundation for further explanations in theology This discussion results in a need to re-evaluate the meaning of Mark 8:29 when Jesus asks Who do you say that I am The result is a shift from orthodox religion to a focus on Sophian Gnosticism Time is spent focusing on Kabbalah and The Tree of Life and on a special sign Mark created called the Sign of the Tree Kabbalistic teachings on reincarnation and suffering are explored Mark applies these teachings to his life by leaving the material world behind going to work at a homeless shelter and becoming a hospice volunteer **American Book Publishing Record** ,2007 Cassette Books Library of Congress. National Library Service for the Blind and Physically Handicapped,2008 **The Search** Harvey Meredith,2016-07-06 This story is an insight into the views and understandings of someone raised in a strict Catholic family forced to learn a religion at the earliest age This study was undertaken after a near lifetime of reflection upon the beliefs and the basis of his religious teachings This exercise in researching the teachings of the Catholic Church and Christian religion in general exposes the triangle of fear guilt and doubt about the religion driven from Rome that has cemented his personal beliefs Living through the jungle of regimented hypocrisy lemming like beliefs and teaching tactics has provided the incentive to personally investigate the subject of Christian religion and to learn as much as possible about the subject that has survived nearly two thousand years **The Gospel According to the Novelist** Magdalena Maczynska,2017-03-23 Why have so many prominent literary authors from

Philip Pullman and Jos Saramago to Michelle Roberts and Colm Tóibín recently rewritten the canonical story of Jesus Christ. What does that say about our supposedly secular age? In this insightful study Magdalena Maczyska defines and examines the genre of scriptural metafiction novels that not only transform religious texts but also draw attention to these transformations. In addition to providing rich examples and close readings, Maczyska positions literary studies within interdisciplinary debates about religion and secularity. Her book demonstrates a surprising turn of events even as contemporary novelists deconstruct the traditional categories of secular and sacred writing; they open up new spaces for scripture in contemporary culture.
