The Midwich Cuckoos By John Wyndham:

The Midwich Cuckoos John Wyndham, 2008-08-07 The children of Midwich are all blond golden eyed grow up too fast and were all conceived on a night when a silver object appeared and the Midwich inhabitants fell unconscious Now the children are exhibiting frightening abilities that bring them into conflict with the other villagers [The Midwich Cuckoos](#) John Wyndham, 1961 *The Midwich Cuckoos by John Wyndham (pseud.)* John Beynon Harris, 1961 **Midwich Cuckoos** John Wyndham, 1999-11-01 **The Midwich Cuckoos** John Wyndham, 2005 Classic science fiction Midwich is a quiet English village After a strange night all the women find themselves pregnant 10 yrs **The Midwich Cuckoos** John Wyndham, 1982 *The Classic Collection of John Wyndham. Illustrated* John Wyndham, 2022-12-12 John Wyndham created some of the most intriguing and intelligent science fiction of the 20th century Some of his works were set in post apocalyptic landscapes His best known works include *The Day of the Triffids* 1951 filmed in 1962 and *The Midwich Cuckoos* 1957 which was filmed in 1960 as *Village of the Damned* in 1995 under the same title and again in 2022 in Sky Max under its original title But some readers consider that *The Chrysalids* was really his best The ideas in *The Chrysalids* are echoed in *The Handmaid s Tale* whose author Margaret Atwood has acknowledged Wyndham s work as an influence Wyndham also wrote several short stories ranging from hard science fiction to whimsical fantasy *The Day of the Triffids* *The Kraken Wakes* *The Chrysalids* *The Midwich Cuckoos* *The Outward Urge* *Trouble with Lichen* *Chocky* [The Day of the Triffids](#) John Wyndham, 2018-09-01 The classic postapocalyptic thriller with all the reality of a vividly realized nightmare *The Times* London Triffids are odd interesting little plants that grow in everyone s garden Triffids are no more than mere curiosities until an event occurs that alters human life forever What seems to be a spectacular meteor shower turns into a bizarre green inferno that blinds everyone and renders humankind helpless What follows is even stranger spores from the inferno cause the triffids to suddenly take on a life of their own They become large crawling vegetation with the ability to uproot and roam about the country attacking humans and inflicting pain and agony William Masen somehow managed to escape being blinded in the inferno and now after leaving the hospital he is one of the few survivors who can see And he may be the only one who can save his species from chaos and eventual extinction With more than a million copies sold *The Day of the Triffids* is a landmark of speculative fiction and an outstanding and entertaining novel *Library Journal* A thoroughly English apocalypse it rivals H G Wells in conveying how the everyday invaded by the alien would feel No wonder Stephen King admires Wyndham so much Ramsey Campbell author of *The Overnight* One of my all time favorite novels It s absolutely convincing full of little telling details and that sweet warm sensation of horror and mystery Joe R Lansdale author of *Edge of Dark Water*

Chocky John Wyndham, 2010-03-25 Matthew introduces his family to his imaginary friend a creature called Chocky who is full of questions about space travel and gravity fields that are unlike any an 11 year old boy would ever think of So when Chocky starts causing Matthew a great deal of distress his parents call in the professionals [The Secret People](#) John

Wyndham,2016-09-29 FIRST PUBLISHED IN 1935 THE SECRET PEOPLE WAS JOHN WYNDHAM S FIRST NOVEL The Sun Bird was beginning to travel fast close to the edge of the whirlpool They could look right down into the hollow of spinning water While flying over Africa s New Sea a water project in the heart of the Sahara desert Mark Sunnet s rocket plane crashes and is sucked through a hole in the desert floor into a strange cavernous new world There he and his partner Margaret encounter the survivors of an ancient race of underground dwellers whose whole existence is now threatened Captured and forced to live with other prisoners taken from the surface the pair know that they must escape before the waters above drown them all Perhaps the best writer of science fiction England has ever produced Stephen King

The Government of Disability in Dystopian Children's Texts Dylan Holdsworth,2024-03-11 This book takes up the task of mapping discursive shifts in the representation of disability in dystopian youth texts across four historical periods where major social cultural and political shifts were occurring in the lives of many disabled people By focusing on dystopian texts which the author argues act as sites for challenging or reinforcing dominant belief systems and ways of being this study explores the potential of literature film and television to act as a catalyst of change in the representation of disability In addition this work discusses the texts and technologies that continue to perpetuate questionable and often competing discourses on the subject
