Levin,2008-05-05 The Contemporary Anglophone Travel Novel explores the themes of alienation and displacement in a genre of post World War II novels that portrays the pursuit of an authentic travel experience in a culturally unfamiliar place Levin explores two questions why does travel to an undiscovered place one imagined outside the bounds of modernity remain an enduring preoccupation in western civilization and how does the representation of adventure travel change in the era of mass culture when global capitalism expands at a rapid pace The book argues that whereas travel writers between the wars romanticized their journeys overseas travel writing after World War II takes an increasingly melancholic and nihilistic view of a commercial society in which adventure travel no longer proves capable of producing a sense of authentic selfhood Through close analysis of specific texts and authors the book provides a rich discussion of anglophone literature in the cultural context of the twentieth century It examines the capacity of popular culture for social critique the relationship between leisure travel and postcolonial cultures and the idealization of selfhood and authenticity in modern and postmodern culture The study reflects the best potential of interdisciplinary scholarship and will prove influential for anyone working in the fields of

contemporary literature cultural theory and cross cultural studies **Of Worlds and Artworks** ,2024-04-02 The present volume brings together contributions which explore artworks including literature visual arts film and performances as dynamic sites of worlding It puts emphasis on the processes of creating or doing worlds implying movement as opposed to the boundary drawing of area studies From such a processual perspective Africa is not a delineated area but emerges in a variety of relations which can reach across the continent but also the Indian Ocean the Atlantic or Europe Contributors are Thierry Boudjekeu Elena Brugioni Ute Fendler Sophie Lembcke Gilbert Ndi Shang Samuel Ndogo Duncan Tarrant Kumari Issur CJ Odhiambo Michaela Ott Peter Simatei Clarissa Vierke Chinelo J Enemuo **The English Book and Its Marginalia** Asako Nakai,2022-06-08 This book is about books that recount the story of encountering another book There are various versions of the story told and retold from the heyday of imperialism up to the present day Homi Bhabha calls it the trope of the discovery of the English book by considering each of these versions carefully we may also give an alternative account of twentieth century English literature as the site of an intercultural discourse This project is very much inspired by debate on postcolonial theory namely the debate between Said and Bhabha Part I is devoted to the discussion of Conrad especially of Heart of Darkness and investigates how the novella has continually been reproduced to the extent that it represents the English Book of colonial postcolonial literatures The chapter on Hugh Clifford Ch 3 is virtually the first intensive critique of his novels such as Saleh 1908 with a particular focus on their intertextual relations with Conrad s texts Part II examines how the story of the English Book is repeated and revised in the texts of the following authors Joyce Cary Isak Dinesen V S Naipaul Kaiko Takeshi and Ng g wa Thiong o **American Literature on Stage and Screen** Thomas S. Hischak,2014-01-10 The 525 notable works of 19th and 20th century American fiction in this reference book have many stage movie television and video adaptations Each literary work is described and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium In addition to famous novels and short stories by authors such as Nathaniel Hawthorne F Scott Fitzgerald and Willa Cather many bestsellers mysteries children s books young adult books horror novels science fiction detective stories and sensational potboilers from the past two centuries are examined *Blood on the Border* Roxanne Dunbar-Ortiz,2016-08-03 Human rights activist and historian Roxanne Dunbar Ortiz has been described as a force of nature on the page and off That force is fully present in Blood on the Border the third in her acclaimed series of memoirs Seamlessly blending the personal and the political Blood on the Border is Dunbar Ortiz s firsthand account of the decade long dirty war pursued by the Contras and the United States against the people of Nicaragua With the 1981 bombing of a Nicaraguan plane in Mexico City a plane Dunbar Ortiz herself would have been on if not for a delay the US backed Contras short for los contrarrevolucionarios launched a major offensive against Nicaragua s Sandinista regime which the Reagan administration labeled as communist While her rich political analysis of the US Nicaraguan relationship bears the mark of a trained historian Dunbar Ortiz also

writes from her perspective as an intrepid activist who spent months at a time throughout the 1980s in the war torn country especially in the remote northeastern region where the Indigenous Miskitu people were relentlessly assailed and nearly wiped out by CIA trained Contra mercenaries She makes painfully clear the connections between what many US Americans today remember only vaguely as the Iran Contra affair and ongoing US aggression in the Americas the Middle East and around the world connections made even more explicit in a new afterword written for this edition A compelling important and sobering story on its own *Blood on the Border* offers a deeply informed closely observed and heartfelt view of history in the making

Outside, America Hikaru Fujii, 2013-04-25 The idea of the outside as a space of freedom has always been central in the literature of the United States This concept still remains active in contemporary American fiction however its function is being significantly changed *Outside America* argues that among contemporary American novelists a shift of focus to the temporal dimension is taking place No longer a spatial movement the quest for the outside now seeks to reach the idea of time as a force of difference a la Deleuze by which the current subjectivity is transformed In other words the concept is taking a temporal turn Discussing eight novelists including Don DeLillo Richard Powers Paul Theroux and Annie Proulx each of whose works describe forces of given identities masculine identity historical temporality and power etc which block quests for the outside Fujii shows how the outside in these texts ceases to be a spatial idea With due attention to critical and social contexts the book aims to reveal a profound shift in contemporary American fiction

New York Magazine, 1982-03-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Ascent to Glory Álvaro Santana-Acuña, 2020-08-11 Gabriel García Márquez's novel *One Hundred Years of Solitude* seemed destined for obscurity upon its publication in 1967 The little known author small publisher magical style and setting in a remote Caribbean village were hardly the usual ingredients for success in the literary marketplace Yet today it ranks among the best selling books of all time Translated into dozens of languages it continues to enter the lives of new readers around the world How did *One Hundred Years of Solitude* achieve this unlikely success And what does its trajectory tell us about how a work of art becomes a classic *Ascent to Glory* is a groundbreaking study of *One Hundred Years of Solitude* from the moment García Márquez first had the idea for the novel to its global consecration Using new documents from the author's archives Álvaro Santana Acuña shows how García Márquez wrote the novel going beyond the many legends that surround it He unveils the literary ideas and networks that made possible the book's creation and initial success Santana Acuña then follows this novel's path in more than seventy countries on five continents and explains how thousands of people and organizations have helped it to become a global classic Shedding new light on the novel's imagination production and reception *Ascent to Glory* is an eye opening book

for cultural sociologists and literary historians as well as for fans of García Márquez and *One Hundred Years of Solitude*
