The Writer's Experience Peter G. Earle, 2006 These essays reflect a view admittedly skeptical of the movements, isms and theories devised by many scholars in their reading of important writers Earle prefers to see Cervantes Miguel de Unamuno Gabriela Mistral and Garcia Marquez for example as basically autonomous Like most great authors they don't fit within trends Two words in this book's subtitle self and circumstance signal a concept of the writer's function in Spain and Hispanic America as primarily autobiographical and historical Ortega y Gasset's declaration Yo soy yo y mi circunstancia is really every writer's dictum particularly of those in the nineteenth and twentieth centuries who experienced in a vital way the ambiguities of the modern Hispanic World
