This study guide covers everything on the exam and references. The Exercise Professional's Guide to Personal Training by the American Council on Exercise includes 50 practice questions very similar to the actual exam. The previous American Council on Exercise Personal Trainer Manual Fifth Edition is still a valid tool to use for the exam. The new guide has the updated preparticipation screening blood pressure categories and introduces the new ACE Mover Method and ABC Approach. However, both textbooks and this study guide cover the same topics that you will be tested on. The exam content outline has not changed. The guide is organized in the following four performance domains: Domain I Client Interviews and Assessments; Domain II Program Design and Implementation; Domain III Program Progression and Modifications; Domain IV Professional Conduct, Safety, and Risk Management. Studying made Simple. Save Time. Study Smarter, not Harder. Includes Key Concepts with required information needed for the exam. Includes detailed descriptions of assessments, anatomy, training principles, and more. Includes quick reference pages for helpful resources, formulas, conversions, and acronyms. Includes detailed practice question answers with explanations on how the answers were obtained. CPT Prep is not affiliated with or endorsed by any official testing organization.
