*In Quest of Justice* Khaled Fahmy, 2023-02-07 *In Quest of Justice* provides the first full account of the establishment and workings of a new kind of state in Egypt in the modern period Drawing on groundbreaking research in the Egyptian archives this highly original book shows how the state affected those subject to it and their response Illustrating how sharia was actually implemented how criminal justice functioned and how scientific medical knowledges and practices were introduced Khaled Fahmy offers exciting new interpretations that are neither colonial nor nationalist Moreover he shows how lower class Egyptians did not see modern practices that fused medical and legal purposes in new ways as contrary to Islam This is a major contribution to our understanding of Islam and modernity *A Mother's Quest for Justice* Sheila Roswell, 2019-07-09

*A Mother's Quest for Justice* By Sheila Roswell Fifteen year old Anthony Lloyd Roswell was always bullied by other schoolboys When just for a few minutes he acted out of character when his mother asked him to lower the stereo volume the police intervened and Anthony was accused of being violent and aggressive assaulting a member of the public and suspected of another assault In spite of his mother's pleas for him to be seen by a medical doctor Anthony was sent to a psychiatric hospital Doctors continuously reported he exhibited no psychotic features yet he was labeled schizophrenic and drugged accordingly The two and a half years that followed would prove to be the most trying for his mother Sheila Roswell It was a helpless time in her life as she struggled against doctors and narcotic drugs to save her son's life eventually failing After her son's untimely death Sheila remained committed hoping to get justice through the legal system It would be an arduous journey hampered by seemingly insurmountable obstacles and stifled by truly horrific setbacks yet she remained encouraged by the truth her son's innocence *A Mother's Quest for Justice* shows us that corrupt power can be defeated at all levels and the truth is unshakeable Let no one deter you from finding the truth *The Khmer Rouge* Liz Sonneborn, 2012-01-15

Presents accounts of narrow escapes executed by oppressed individuals and groups while illuminating social issues and the historical background that led to the atrocities committed in Cambodia's killing fields by the Khmer Rouge **Accused** Brittany Ducker, 2015-01-06 Documents the investigation into the brutal 2011 murder of 14 year old Trey Zwickler assessing the actions and trial of his stepfather and stepbrother to consider their actual guilt in the face of concealed crime elements

*The Price of Justice* Ronald Goldfarb, 2020-10-06 Attorney and literary agent Goldfarb editor After Snowden delivers a lacerating critique of inequities in America's criminal and civil justice systems and the role of lawyers in perpetuating them Legal professionals will want to take note Publisher's Weekly With foreword by Senator Bernie Sanders Real civil and criminal justice is long overdue In *The Price of Justice* Money Morals and Ethical Reform in the Law veteran Washington Lawyer Ronald Goldfarb reveals the injustices in our legal system and how money and power have exceeded ethics in the legal profession for far too long Justice reform has become an increasingly present topic in the news and media with movements like I Can't Breathe and Black Lives Matter prompting national outcry from the public over the unethical actions

of law enforcement and remains one of the most controversial and highly debated issues for politicians and citizens today. With more than 2 million Americans incarcerated, it is beyond apparent that the justice system intrinsically ensures that lower income people and minorities are shockingly underrepresented and offered little to no legal protection. In *The Price of Justice*, Goldfarb offers powerful testimonies, media evidence, and first-hand expertise from working in the Justice Department as a longtime public interest lawyer to reveal how both the criminal and civil justice systems fail to serve lower and middle class citizens and makes an undeniable case for the profound justice reform that is so desperately needed. Goldfarb asks that we examine closely a legal system that has become largely pay to play, benefiting the administrators and those wealthy citizens who can afford to lawyer up, and shows little mercy for the lower income citizens who fall victim to an endless cycle of conviction, fines, bail, lack of counsel, and capital punishment. Goldfarb exposes a system that values money over ethics and lawyers who value winning cases over finding truth and serving justice, pointing out that civil aid and public defenders are grossly understaffed and underfinanced, making it nearly impossible to meet the challenges of well-paid private lawyers. This book begs the legal profession to consider its ethical code when considering cases to represent, not just represent crooks who can pay and turn away worthy clients who cannot afford exorbitant fees, and equips the public with the knowledge needed to advocate for justice reform.

**Your Cry Has Been Heard** Beth Michael, 2009-12 *Your Cry Has Been Heard* has a message the world needs to hear, a message of hope from people who have been lost, experienced deep pain, who have been in the bottom of the pit and have found the way out, to let us know that no matter who we are, no one is beyond God's reach. It is a unique book filled with wisdom and love, a book that will impact its readers, and with enough readers will have a positive impact on society as a whole, to make this world a better place for all of us to live in. In the fifty-plus years I have walked with God, I have seen times change. The world is no longer a place where even children and youth can feel safe and secure. Abuse increases, crime is in the news daily, horror stories I can't fathom. God's Word predicts this evil will increase in the end times. Beth Michael, I don't get easily touched by writers except for the likes of Ted Dekker. *YOUR CRY HAS BEEN HEARD* is everything I imagined and much more. With its insight, candor, personal tragedies and triumphs, this book will mesmerize the reader and go a long way in redeeming many hearts to the throne of grace. God's signature is clearly with this Ministry; it shall come to pass that this book will be published successfully and our goal to touch as many hearts as possible will succeed beyond our wildest dreams. Lawan Baldwin: *Your Cry Has Been Heard*. Would you buy this book? Yes, certainly, and would try to get it into our schools, libraries, and colleges. This book will touch your heart and open your eyes. Rev Skip Wigmore: Featured Song: *The Face of Christ* by Chris Rice. *The Ultimate Star Trek and Philosophy* Kevin S. Decker, Jason T. Eberl, 2016-04-04. Reunites the editors of *Star Trek and Philosophy* with Starfleet's finest experts for 31 new highly logical essays. Features a complete examination of the *Star Trek* universe from the original series to the most recent films directed by J.J. Abrams: *Star Trek* 2009 and *Star Trek Into Darkness* 2013. Introduces important concepts in philosophy through the vast array of
