a terminal illness and asking Tess and Cash to raise the boy when she's gone. Well, that's going to require a big leap of faith that won't be easy or without repercussions. How can anyone refuse a dying mother such a heartbreaking request? Tess is torn between doing right by the child and acknowledging that another woman has given the man she loves something she may never be able to a child. As the woman pulls Cash closer into her emotional circle, it is Tess who becomes the outsider and soon she wonders if the woman has secrets she's not telling. More than one resident is suspicious of anyone who drives a wedge between one of Magdalena's favorite couples. The newcomer may look and act like the girl next door, but something isn't right, and Pop Benito is going to gather ammunition and find out what that something is. But he'd better do it fast before it's too late.

A Family Affair: Fall Mary Campisi, 2014-09-09. What happens when destiny ignores the rules? Gina Servetti was raised to believe she wasn't enough, not thin enough, not pretty enough, not clever enough. She's more comfortable with a spreadsheet than a conversation and doesn't trust easily, especially where men are concerned, most notably the good-looking, smooth-talking ones like Ben Reed. When city boy Ben Reed arrives in Magdalena, he's not planning a long-term stay in a town filled with too many busybodies and too little excitement. He just needs things to settle down in Philly for a few months before he returns to his old life and his plan to win back his ex-wife. But once he gets to know the people in this town, he starts to care about them, one in particular, Gina Servetti. The longer he's around her, the more he realizes she's so much more than a woman with a scowl and a sharp tongue. She's real and honest and as afraid of trusting as he is. Can Ben and Gina open up and take a risk for a chance at real love? See you in Magdalena.

Helena Halme, Tall, dark and handsome Tom is out to have some fun. Kaisa doesn't think she'll ever fall in love again. But when they meet on the snow-capped Swedish Alps, sparks fly. Reviews I thoroughly enjoyed *The Christmas Heart*, relishing in the steamy encounters between Kaisa and Tom. Halme really knows how to draw in her readers with her descriptive writing and vivid scenery. I felt like I was transported into the story, walking in a white utopia with a charming and dashing older man. Halme's refreshing prose and writing style make for an engaging, satisfying read. The dialogue between the characters is impressive and written very well. Humorous at times but also very heartfelt, it is the perfect holiday novel for this season. An absolutely marvellous read that I would highly suggest for anyone looking to warm their heart and soul for the holidays.

Chick Lit Cafe *The Christmas Heart* is a story that takes you on a scenic journey to Sweden to a white Christmas with friends and with the surprise of love at a time when you least expect it. A time in your life when you are happy within yourself but when someone from your past turns up and reminds you of your carefree youth, your heart suddenly starts to feel young again. A sensitively told festive romance that sizzled with chemistry as bright as the Christmas lights.
