Ethical Approaches to Preaching John S. McClure, 2021-02-23 Different ethical situations require different homiletical responses John McClure organizes recent literature on ethics and preaching into four ethical approaches Does your situation require public moral leadership Then a communicative ethic is best Does your situation require the development of countercultural moral character Then a witness ethic is best Does your situation require ethical consciousness raising and organizing for social justice Then a liberationist ethic is best Does your situation require genuine moral conversation and the discernment of shared commitments in spite of our differences Then a hospitality ethic is best Each ethical approach is briefly and carefully explored correlated with appropriate contexts and situations and demonstrated with model sermons The result is a useful handbook for quickly discerning what ethical approach is needed how to preach that approach and what to expect as a result

Intercession J. J. Mathews, 2019-01-11 A D 3486 Aeden was suffering The Reapers had finally been destroyed leaving the planet scarred and countless creatures lost The process of recovery had begun but it will take lifetimes to repair the damage inflicted upon the planet Now is a time of recuperation new growth and family and new hope in a future that had

almost been lost Balance must be restored for the planet to fulfill its purpose even as Taylor finds new life blossoming within her However recent events have attracted unwanted attention The Xathen are coming to investigate and no act of intrusion goes unpunished When the Xathen arrive Taylor finds herself an invader on a world that is not her own in command of forces she barely comprehends With the Orion Spur once again on the brink of destruction the only thing that stands between the Xathen and the unsuspecting Commonwealth is Taylor Neeran *Heartbeat of Intercession* Velma Goostree,2009-05-07 There is no available information at this time [The Art of Spiritual Warfare](#) Venatius Oforika,2018-06-21 Since the beginning of time a fierce spiritual battle has raged between the forces of good and evil Today the spiritual entities of wickedness are winning burdening countless souls in a world lacerated by evil To claim victory God is calling us to engage in spiritual warfare as the only way to save the world from the desolation that is sure to come In these pages theologian Venatius Oforika explains that we are part of a spiritual web through which God acts to save souls No longer does God create out of nothing Instead He achieves His purposes through the prayers and actions we pour in To win such a sophisticated war Oforika introduces us to the supernatural weapons of war and how we can shape the events that affect our earthly and eternal destiny From Father Oforika you will learn How the ministry of intercession can bring salvation to millions of hopeless souls How to frustrate the Devil s evil schemes How to free yourself from the encumbrances of the flesh so you can fully participate in spiritual warfare The two basic actions Christians must undertake to survive evil days The profound advantage you have over Satan and his works How and why God needs intercessors to save souls Why God requires us to act before He steps in The critical role of the angels and the saints in fighting evil The importance of suffering in spiritual warfare Why God needs our prayers to make His Kingdom come The Art of Spiritual Warfare is the one book you need to awaken our world from its spiritual hibernation and to exercise the awesome privilege of working with God in the realization of His Kingdom

The Interface between Intercession and Holiness Hermann Yokoniah Mvula,2024-02-02 This book offers a critical understanding of the interface between holiness and intercession The author reflectively narrates some of the selected biblical personalities and how holy living was exemplified in their interceding for others Critically the book argues that holiness in its intrinsic nature is about intercession for others From the Old Testament to the New Testament holiness is all about intercession as has been ably demonstrated in this book starting with Abraham Moses David and Solomon and going all the way to Jesus Christ who sits on the right hand of God interceding for us
