Master the GED 2013 Peterson's, 2012-06-29 Peterson's Master the GED 2013 offers thorough test preparation for individuals who have decided to get their high school diplomas. This self tutor will show you what to expect while giving you the most effective practice with subjects you can presume to see on the actual exam. The first part of the eBook covers essential information about the structure of the exam, scoring and passing requirements, scheduling and testing procedures, and what you need to get ready for the exam. Next comes a diagnostic practice test to help you see where your strengths and weaknesses are. The following five parts offer thorough reviews of the subject matter for each test area of the GED: Language Arts Writing, Parts I and II, Social Studies, Science, Language Arts Reading, and Mathematics. Each review includes test-taking strategies and practice questions with detailed answer explanations. The final part of this eBook comprises two full-length tests so that you can apply your knowledge and newly learned strategies and practice for the actual GED. Finally, a word list in the appendix offers you a great tool to boost your vocabulary.
