practice cultural ethos and philosophical inquiry we will investigate how the raga system with its unspoken connection to the cosmos compares with the harmonic progression of the Western symphonic tradition which seeks to express the unfolding of human emotion and thought through disciplined organization In this intellectual journey we will witness how despite their divergent paths Indian and Western classical music ultimately converge on the singular universal principle of music as a profound mirror of the human soul Each note each scale each rhythm becomes not merely a sound but a symbol of the profound unity that binds all of humanity regardless of its cultural origins *CMJ New Music Monthly*, 1996-06 CMJ New Music Monthly the first consumer magazine to include a bound in CD sampler is the leading publication for the emerging music enthusiast NMM is a monthly magazine with interviews reviews and special features Each magazine comes with a CD of 15-24 songs by well established bands unsigned bands and everything in between It is published by CMJ Network Inc
