

ASYLUM ON THE HILL

HISTORY OF A HEALING LANDSCAPE

KATHERINE ZIFF
FOREWORD BY SAMUEL T. GLADDING

Asylum On The Hill History Of A Healing Landscape

Jason Cannon

Asylum On The Hill History Of A Healing Landscape:

Asylum on the Hill Katherine Ziff, 2012-02-12 *Asylum on the Hill* is the story of a great American experiment in psychiatry a revolution in care for those with mental illness as seen through the example of the Athens Lunatic Asylum Built in southeast Ohio after the Civil War the asylum embodied the nineteenth century gold standard specifications of moral treatment Stories of patients and their families politicians caregivers and community illustrate how a village in the coalfields of the Hocking River valley responded to a national movement to provide compassionate care based on a curative landscape exposure to the arts outdoor exercise useful occupation and personal attention from a physician Katherine Ziff's compelling presentation of America's nineteenth century asylum movement shows how the Athens Lunatic Asylum accommodated political economic community family and individual needs and left an architectural legacy that has been uniquely renovated and repurposed Incorporating rare photos letters maps and records *Asylum on the Hill* is a fascinating glimpse into psychiatric history An

Organ of Murder Courtney E. Thompson, 2021-02-12 Finalist for the 2022 Cheiron Book Prize *An Organ of Murder* explores the origins of both popular and elite theories of criminality in the nineteenth century United States focusing in particular on the influence of phrenology In the United States phrenology shaped the production of medico legal knowledge around crime the treatment of the criminal within prisons and in public discourse and sociocultural expectations about the causes of crime The criminal was phrenology's ideal research and demonstration subject and the courtroom and the prison were essential spaces for the staging of scientific expertise In particular phrenology constructed ways of looking as well as a language for identifying understanding and analyzing criminals and their actions This work traces the long lasting influence of phrenological visual culture and language in American culture law and medicine as well as the practical uses of phrenology in courts prisons and daily life

On the Heels of Ignorance Owen Whooley, 2019-04-23 Psychiatry has always aimed to peer deep into the human mind daring to cast light on its darkest corners and untangle its thorniest knots often invoking the latest medical science in doing so But as Owen Whooley's sweeping new book tells us the history of American psychiatry is really a record of ignorance *On the Heels of Ignorance* begins with psychiatry's formal inception in the 1840s and moves through two centuries of constant struggle simply to define and redefine mental illness to say nothing of the best way to treat it Whooley's book is no antipsychiatric screed however instead he reveals a field that has muddled through periodic reinventions and conflicting agendas of curiosity compassion and professional striving *On the Heels of Ignorance* draws from intellectual history and the sociology of professions to portray an ongoing human effort to make sense of complex mental phenomena using an imperfect set of tools with sometimes tragic results

Heavy Laden Larry M. Logue, Peter Blanck, 2018-08-09 Highlights the severity of the Civil War's psychological aftereffects for veterans of the Union army

The Big Book of Ohio Ghost Stories James A. Willis, 2019-07-17 Hauntings lurk and spirits linger in the heart of America Reader beware Turn these pages and enter the world of the paranormal where ghosts and ghouls alike creep just

out of sight Author James A Willis shines a light in the dark corners of Ohio and scares those spirits out of hiding in this thrilling collection From ghostly soldiers that still haunt Fort Meigs to the eerie Franklin Castle there s no shortage of bone chilling tales to keep you up at night There s even a carved tombstone of an infant at Cedar Hill cemetery whose ghostly eyes keep watch over those wander too close Around the campfire or tucked away on a dark and stormy night this big book of ghost stories is a hauntingly good read

New Sensory Approaches to the Past Pamela Jordan,Sara Mura,Sue Hamilton,2025-07-07 New Sensory Approaches to the Past assembles a series of research projects investigating cultural environments through the lens of the senses The book presents the latest approaches to sensory archaeology and heritage research that aim to understand the lived experience of past inhabitants Interdisciplinary case studies carry out investigations in three different registers personal and embodied teamwork and collective responses to the historical environment and digital reconstruction An international cast of contributors includes archaeologists architects sociolinguists military experts cultural studies scholars and acoustics specialists with research sites spanning Palaeolithic rock art to a 1960s North American fairground Descriptions and analyses of sensory in situ investigations offer methodological transparency with the visual analysis that is common in archaeology and heritage assessments is placed alongside ethnographic techniques landscape survey sound recording preservation advocacy work and various forms of digital reconstruction This interdisciplinary approach harmonizes research terminologies across fields fostering a comprehensive understanding of sensory based studies and the methods used to carry them out The book revitalizes familiar concepts with new insights and provides a platform to examine and resolve interdisciplinary ambiguities making it an invaluable resource for advancing sensory research

Charlie Murphy Jason Cannon,2022-06 2023 SABR Larry Ritter Book Award Finalist for the 2022 CASEY Award You don t know the history of the Chicago Cubs until you know the story of Charles Webb Murphy the ebullient and mercurial owner of this historic franchise from 1905 through 1914 Originally a sportswriter in Cincinnati he joined the New York Giants front office as a press agent the game s first in 1905 That season hearing the Cubs were for sale he secured a loan from Charles Taft the older half brother of the future president of the United States to buy a majority share and become the team s new owner In his second full season the Cubs won their first World Series They won again in 1908 but soon thereafter Murphy s unconventional style invited ill will from the owners his own players and the press even while leading the team through their most successful period in team history In Charlie Murphy The Iconoclastic Showman behind the Chicago Cubs Jason Cannon explores Murphy s life both on and off the field painting a picture of his meteoric rise and precipitous downfall Readers will get to know the real Murphy not the simplified caricature created by his contemporaries that has too frequently been perpetuated through the years but the whirling dervish who sent the sport of baseball spinning and elevated Chicago to the center of the baseball universe Cannon recounts Murphy s rise from the son of Irish immigrants to sports reporter to Cubs president charting his legacy as one of the most important but overlooked figures in the National

League's long history Cannon explores how Murphy's difficult teenage years shaped his love for baseball his relationship with the Tafts one of America's early twentieth century dynastic families his successful and tumultuous years as a National League executive his last years as an owner before the National League Board of Directors ousted him in 1914 and finally Murphy's attempt to rewrite his legacy through the construction of the Murphy Theater in his hometown of Wilmington Ohio

Doing Women's History in Public Heather Huyck, 2020-04-05 A complete guide to interpreting women's history Women's history is everywhere not only in historic house museums named for women but also in homes named for famous men museums of every conceivable kind forts and battlefields even ships mines and in buckets Women's history while present at every museum and historic site remains less fully interpreted in spite of decades of vibrant and expansive scholarship **Doing Women's History in Public A Handbook for Interpretation at Museums and Historic Sites** connects that scholarship with the tangible resources and the sensuality that form museums and historic sites the objects architecture and landscapes in ways that encourage visitor fascination and understanding and center interpretation on the women active in them With numerous examples that focus on all women and girls it appropriately includes everyone for women intersect with every other human group This book provides arguments sources written oral and visual and tools for finding women's history preserving it and interpreting it with the public It uses the framework of Significance importance Knowledge Base research in primary secondary and tertiary sources and Tangible Resources the preserved physical embodiment of history in objects architecture and landscapes Discusses traditional and technology assisted interpretation and provides Tools to implement **Doing Women's History in Public** Using a hospitality model museums and historic sites are the locales where we assemble learn from each other and take our insights into a more gender shared future **A Companion to the Reconstruction Presidents, 1865 - 1881** Edward O. Frantz, 2014-03-24 **A Companion to Reconstruction Presidents** presents a series of original essays that explore a variety of important issues themes and debates associated with the presidencies of Andrew Johnson Ulysses S Grant and Rutherford B Hayes Represents the first comprehensive look at the presidencies of Johnson Grant and Hayes in one volume Features contributions from top historians and presidential scholars Approaches the study of these presidents from a historiographical perspective Key topics include each president's political career foreign policy domestic policy military history and social context of their terms in office **Cultural Sociology of Mental Illness** Andrew Scull, 2013-12-20 **Cultural Sociology of Mental Illness An A to Z Guide** looks at recent reports that suggest an astonishing rise in mental illness and considers such questions as Are there truly more mentally ill people now or are there just more people being diagnosed and treated What are the roles of economics and the pharmacological industry in this controversy At the core of what is going on with mental illness in America and around the world the editors suggest is cultural sociology How differing cultures treat mental illness and in turn how mental health patients are affected by the culture In this illuminating multidisciplinary reference expert scholars explore the culture of mental illness from the non clinical perspectives of

sociology history psychology epidemiology economics public health policy and finally the mental health patients themselves Key themes include Cultural Comparisons of Mental Health Disorders Cultural Sociology of Mental Illness Around the World Economics Epidemiology Mental Health Practitioners Non Drug Treatments Patient the Psychiatry and Psychology Psychiatry and Space Psychopharmacology Public Policy Social History and Sociology Key Features This two volume A Z work available in both print and electronic formats includes close to 400 articles by renowned experts in their respective fields An Introduction a thematic Reader s Guide a Glossary and a Resource Guide to Key Books Journals and Associations and their web sites enhance this invaluable reference A chronology places the cultural sociology of mental illness in historical context 150 photos bring concepts to life The range and scope of this Encyclopedia is vivid testimony to the intellectual vitality of the field and will make a useful contribution to the next generation of sociological research on the cultural sociology of mental illness Key Themes Cultural Comparisons of Mental Health Disorders Cultural Sociology of Mental Illness Around the World Economics Epidemiology Mental Health Practitioners Non Drug Treatments Patient The Psychiatry and Psychology Psychiatry and Space Psychopharmacology Public Policy Social History Sociology **Theories of Counseling** Samuel T. Gladding,2021-07-13 In this concise yet comprehensive book author Samuel T Gladding provides an overview of 15 major counseling theories Accessible and reader friendly this book is perfect for counselors and therapists looking to review or learn the essentials of major theories of counseling and psychotherapy *The Afterlives of the Psychiatric Asylum* Graham Moon,Robin Kearns,2016-03-03 The last 40 years has seen a significant shift from state commitment to asylum based mental health care to a mixed economy of care in a variety of locations In the wake of this deinstitutionalisation attention to date has focussed on users and providers of care The consequences for the idea and fabric of the psychiatric asylum have remained stones unturned This book address an enduring yet under examined question what has become of the asylum Focussing on the recycling of both the idea of the psychiatric asylum and its sites buildings and landscapes this book makes theoretical connections to current trends in mental health care and to ideas in cultural urban geography The process of closing asylums and how asylums have survived in specific contexts and markets is assessed and consideration given to the enduring attraction of asylum and its repackaging as well as to retained mental health uses on former asylum sites new uses on former sites and interpretations of the derelict psychiatric asylum The key questions examined are the challenges posed in seeking new uses for former asylums the extent to which re use can transcend stigma yet sustain memory and how location is critical in shaping the future of asylum and asylum sites *Restorative Gardens* Nancy Gerlach-Spriggs,Richard Enoch Kaufman,Sam Bass Warner,1998-01-01 Restorative gardens for the sick which were a vital part of the healing process from the Middle Ages to the early twentieth century provided ordered and beautiful settings in which patients could begin to heal both physically and mentally In this engaging book a landscape architect a physician and a historian examine the history and role of restorative gardens to show why it is important to again integrate nature into the institutional and largely factorylike

settings of modern health care facilities In this unique book Nancy Gerlach Spriggs Dr Richard Enoch Kaufman and Sam Bass Warner Jr unfold their argument by presenting the history of restorative gardens and studies of six American health care centers that cherish the role of their gardens in the therapeutic process These institutions are examined in detail community hospitals in Wausau Wisconsin and Monterey California a full care mental institution in Philadelphia a nursing home in Queens a facility for rehabilitative medicine in New York City and a hospice in Houston In their comprehensive review the authors suggest that contemporary scientific understanding clearly recognizes the beneficial physiological effects of garden environments on patients well being The book ends with a plea to make gardens rather than the shopping mall atria so often seen in newly renovated hospitals a vital part of the medical milieu *Health and Architecture* Mohammad

Gharipour,2023-02-23 *Health and Architecture* offers a uniquely global overview of the healthcare facility in the pre modern era engaging in a cross cultural analysis of the architectural response to medical developments and the formation of specialized hospitals as an independent building typology Whether constructed as part of Chinese palaces in the 15th century or the religious complexes in 16th century Ottoman Istanbul the healthcare facility throughout history is a built environment intended to promote healing and caring The essays in this volume address how the relationships between architectural forms associated with healthcare and other buildings in the pre modern era such as bathhouses almshouses schools and places of worship reflect changing attitudes towards healing They explore the impact of medical advances on the design of hospitals across various times and geographies and examine the historic construction processes and the stylistic connections between places of care and other building types and their development in urban context Deploying new methodological interdisciplinary and comparative approaches to the analysis of healthcare facilities *Health and Architecture* demonstrates how the spaces of healthcare themselves offer some of the most powerful and practical articulations of therapy Historic

Landscapes and Mental Well-being Timothy Darvill,Kerry Barrass,Laura Drysdale,Vanessa Heaslip,Yvette Staelens,2019-09-05 Using archaeological sites and historic landscapes to promote mental well being represents one of the most significant advances in archaeological resource management for many years Prompted by the Human Henge project Stonehenge Avebury World Heritage Site this volume provides an overview of work going on across Britain and the near Continent

A Social History of Medicine Joan Lane,2012-11-12 *A Social History of Medicine* traces the development of medical practice from the Industrial Revolution right through to the twentieth century Drawing on a wide range of source material it charts the changing relationship between patients and practitioners over this period exploring the impact made by institutional care government intervention and scientific discovery The study illuminates the extent to which medical assistance really was available to patients over the period by focusing on provincial areas and using local sources It introduces a variety of contemporary medical practitioners some of them hitherto unknown and with fascinating intricate details of their work The text offers an extensive thematic survey including coverage of institutions such as hospitals

dispensaries asylums and prisons midwifery and nursing infections and how changes in science have affected disease control contraception war and the NHS Handbook of the Sociology of Health, Illness, and Healing Bernice A. Pescosolido, Jack K. Martin, Jane D. McLeod, Anne Rogers, 2010-12-17 The Handbook of the Sociology of Health Illness Healing advances the understanding of medical sociology by identifying the most important contemporary challenges to the field and suggesting directions for future inquiry The editors provide a blueprint for guiding research and teaching agendas for the first quarter of the 21st century In a series of essays this volume offers a systematic view of the critical questions that face our understanding of the role of social forces in health illness and healing It also provides an overall theoretical framework and asks medical sociologists to consider the implications of taking on new directions and approaches Such issues may include the importance of multiple levels of influences the utility of dynamic life course approaches the role of culture the impact of social networks the importance of fundamental causes approaches and the influences of state structures and policy making

Cultural Landscape Report for the Boston Harbor Islands, Boston Harbor Islands National & State Park, Boston, Massachusetts Olmsted Center for Landscape Preservation (U.S.), 2017 *The Architecture of Madness* Carla Yanni, 2007 Printbegr nsninger Der kan printes 10 sider ad gangen og max 40 sider pr session **Rozelle Hospital** Edward H. Moxon, 2024-11-29 In the 1960s psychiatry was entering a new phase of its development However many people were uncomfortable with these changes and fought against what they saw as apostasy dangerous and unprofessional decisions by the bureaucracy The role of Nurses before 1960 was task oriented to control behaviour give somatic treatments when ordered and provide the daily personal needs of their patients a custodial model Since 1960 the nursing profession ancillary staff and Doctors have been forced to reassess their traditional involvement and develop new skills All previous somatic treatments were abandoned or rarely used in mainstream psychiatry The only tools left for nurses were consciously using self in a therapeutic relationship communicating sharing developing empathy and compassion and helping the patient gain insight self awareness and problem solving skills No longer were the staff seen as the boss demanding obedience Nurses had to learn how to work in alternative environments halfway houses day clinics community clinics night hospitals acute units work with mixed sexes and learn new skills through family therapy TA cognitive behaviour modification encounter groups gestalt therapy reality therapy and a therapeutic community and adapt to different age and cultural groups Management of wards and staff presented a challenge to administrators In patients attained much more freedom and self government with these developments The hierarchy was flatter industrial democracy was expected and workers had to cope with changing organisational structures Government decision making was a constant source of conflict A new approach to management emerged trust replaced control and self government replaced regimentation Where were all these developments leading What of the future Volume Two explores the sequel and exposes the intrigues promises hypocrisy lies neglect social engineering and the fate of long term residents and people with acute psychiatric episodes

Reviewing **Asylum On The Hill History Of A Healing Landscape**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
