At Knit's End Stephanie Pearl-McPhee, 2005-03-15 The tangled life of the knitter is the subject of inspired nuttiness in 300 tongue in cheek meditations from the Yarn Harlot Stephanie Pearl McPhee *At Knit's End* captures the wickedly funny musings of someone who doesn't believe it's possible to knit too much and who willingly sacrifices sleep family work and sanity in order to keep doing it Covering everything from the deadly second sock syndrome to a pile of yarn so big it can hide a washing machine this hilarious collection will have knitters in stitches **Knitting Memories** Lela Nargi, 2010-11-10

DIV Sometimes it is a cherished knitted item that starts a story sometimes the quest for another skein of the perfect yarn and sometimes the way knitting is worked into a memory There's a reason a yarn might be a tale or a thread drawing us along as these knitters do with their stories of the knitter's art Raveling or unraveling knitters such as Lily Chin Betty Christiansen Teva Durham Clara Parkes Caroline Herzog and Lela Nargi take us into their confidence sharing with us the whimsy the insights and simple pleasure that the age old craft of knitting has brought into their lives and now ours Each story in this wonderful collection focuses on one of the best parts of the knitting tradition making a gift for someone special or receiving a gift or cherishing a gift that has been handed down through the generations div **Australian Knitting Volume 13 Issue 2 - 2021** Magazines Global, Australian Knitting Volume 13 Issue 2 2021

Knitting Circle Rapist Annihilation Squad Derrick Jensen, Stephanie McMillan, 2012-10-05 The six women of the Knitting Circle meet every week to chat eat cake and make fabulous sweaters

Until the night they realize that they've all survived rape and that not one of their assailants has suffered a single consequence. Enough is enough. The Knitting Circle becomes the Knitting Circle Rapist Annihilation Squad. They declare open season on rapists with no licenses and no bag limits. With needles as their weapons, the revolution begins. A cop is stabbed through a doughnut hole and into his heart. A country western singer is found with knitting needles jammed into both ears and his no means yes hit song playing. A pedophile priest is killed in the sacristy. As the Circle swells, perpetrators learn to shudder at the sight of business women with knitted briefcases, students with knitted backpacks, roller derby queens with knitted kneepads. They also push back as organizations of men from the Chamber of Commerce to the Department of Agriculture to the Autonomous Federated Association of Coalitions of Anarchists for Spontaneous Insurrectionary Sexual Freedom, the AFACASISF, with their unique musical style, deathvomitnoise, issue statements against the Knitting Circle. More sinister is MAWAR, Men Against Women Against Rape, with their Bible Scrabble and their beefcake Jesus calendar and a plot to stop the Knitting Circle. Will the Knitting Circle triumph? Or will Officer Flint learn to knit in time to infiltrate it? Will Nick, the male ally, brave Daisy's Craft Barn to secure more weapons for the women? Will Marilyn put down her teenage attitude and pick up her knitting needles? Will Circle member Jasmine find true love with MAWAR's Zebediah? [The Black Sheep Knitting Mystery Series](#) Anne Canadeo, 2012-12-03. An eBook boxed set including *While My Pretty One Knits*, *Knit Purl Die*, *A Stitch Before Dying*, and an excerpt from Anne Canadeo's new book **Hedonizing Technologies** Rachel P.

Maines, 2009-08-01. Rachel P. Maines's latest work examines the rise of hobbies and leisure activities in Western culture from antiquity to the present day. As technologies are hedonized, consumers find increasing pleasure in the hobbies associated with them. Tools, methods, and instructional literature, once essential to survival and comfort (gardening, hunting, cooking, needlework, home mechanics, and brewing), have gradually evolved into hobbies and recreational activities. As a result, the technologies associated with these pursuits have become less efficient but more appealing to the new class of leisure artisans. Maines interprets the growth and economic significance of hobbies in terms of broad consumer demand for the technologies associated with them. *Hedonizing Technologies* uses bibliometric and retail census data to show the growth in world markets for hobby craft tools, books, periodicals, and materials from the late 18th century to today. The book addresses basic issues in the history of labor and industry and makes an original contribution to the discussion of how technology and people interact.

[Mindfulness in Knitting](#) Rachael Matthews, 2023-06-20. Everyone can pick up a pair of needles and a ball of yarn. And everyone can be mindful. *Mindfulness in Knitting* casts fresh light on this famously calming craft and reveals how the simple repetition of plain and purl can, in itself, nurture wellbeing. It explores the joys of making and looks at the benefits of taking up one of the simplest and most useful of crafts. [Knitting for Good!](#) Betsy Greer, 2008-11-11. Every time we knit, we have the opportunity to create positive change in ourselves, our community, and in the world. That's Betsy Greer's fervent belief, and in this book, she shows us how. Betsy explores the ways we can use knitting to slow down in a fast-paced culture while using the

craft to benefit charities in our communities to advocate for worthwhile causes and to support individuals and communities across the globe Filled with insights from knitters and crafters on how they use craft to benefit others Knitting for Good will get you thinking about knitting in a whole new way To learn more about the author visit her website craftivism.com

Imagination of Charles Dickens (RLE Dickens) A. O. J. Cockshut, 2013-05-13 This book describes Charles Dickens as an ordinary man who by being perfectly tuned to the public taste developed into a master of his art The clue to this paradox lies in the author's opinion in Dickens' obsession with such topics as money crowds and prisons which touch the life of everyone From the deep fears of his childhood they became the main food for his imagination As his creative mind worried over them so his art developed This process provided the driving force behind his work and is at the root of his greatness as an artist
