The background of the lower half of the cover is a blurred photograph of a city street at night. Several figures are walking away from the camera, their forms softened by motion blur. Bright streetlights create a bokeh effect in the background, casting a warm glow. The overall atmosphere is one of a quiet, perhaps slightly mysterious, urban scene.

## **A Strangeness In My Mind A Novel:**

**A Strangeness in My Mind** Hassan Zerehi, Bahram Bahrami, 2019-09-14 A Strangeness In My Mind is a novel Orhan Pamuk has worked on for six years. It is the story of boza seller Mevlut, the woman to whom he wrote three years' worth of love letters, and their life in Istanbul. In the four decades between 1969 and 2012, Mevlut works a number of different jobs on the streets of Istanbul, from selling yoghurt and cooked rice to guarding a car park. He observes many different kinds of people thronging the streets; he watches most of the city get demolished and rebuilt, and he sees migrants from Anatolia making a fortune at the same time he witnesses all of the transformative moments, political clashes and military coups that shape the country. He always wonders what it is that separates him from everyone else, the source of that strangeness in his mind. But he never stops selling boza during winter evenings and trying to understand who his beloved really is. A Strangeness in My Mind Orhan Pamuk, 2015-10-06 Since his boyhood in a poor village in Central Anatolia, Mevlut Karatas has fantasized about what his life would become. Not getting as far in school as he'd hoped, at the age of twelve he comes to Istanbul, the center of the world, and is immediately enthralled both by the city being demolished and the new one that is fast being built. He follows his father's trade, selling boza on the street, and hopes to become rich like other villagers who have settled on the desolate hills outside the booming metropolis. But chance seems to conspire against him. He spends three years writing love letters to a girl he saw just once at a wedding, only to elope by mistake with her sister. And though he grows to cherish his wife and the family they have, his relations all make their fortunes while his own years are spent in a series of jobs leading nowhere. He is sometimes attracted to the politics of his friends and intermittently to the lodge of a religious guide. But every evening, without fail, he still wanders the streets of Istanbul, selling boza and wondering at the strangeness in his mind, the sensation that makes him feel different from everyone else until fortune conspires once more to let him understand at last what it is he has always yearned for. Told from the perspectives of many beguiling characters, *A Strangeness in My Mind* is a modern epic of coming of age in a great city and a mesmerizing narrative sure to take its place among Pamuk's finest achievements. **A Strangeness in My Mind** Orhan Pamuk, 2024-08-27 But every evening, without fail, Mevlut still wanders the streets of Istanbul, selling boza and wondering at the strangeness in his mind, the sensation that makes him feel different from everyone else until fortune conspires once more to let him understand at last what it is he has always yearned for. **A Strangeness in My Mind** Orhan Pamuk, 2015-09-22 A mesmerizing love story with a cast of beguiling characters from the Nobel prizewinning author Orhan Pamuk.
